expenditure in a frontier district has to be shared by the St. Boards of the Sts, and when it is beyond their means, the Govt. will probably be asked for help. It is therefore necessary that all plague expenditure should be controlled by the Plague Commr. as directed by Govt.

J. A. Cunningham Esq
Acting Collector of Coimbatore

The Plague Commissioner,
Government Office, Fort St George
Madras.

Sir,

In reply to your letter No 54, dated 4th current
I have the honour to state that this District has not
been placed under observation. We are working under
Regulation 29. For details please see G. O. No 928 P.M.
dated 27th August and No 996 P; dated 3rd September 1898.
So far the whole expenditure has fallen on the District Board.
In these circumstances is it necessary, with reference
to para 1 (d) of G. O. No 1010 P dated 5th September '98,
to forward estimates of the cost of sheds erected?

2. I would also ask whether it is not desirable
that I should forward a complete scheme of observation.
I think it advisable that this should be done
now so that it will be ready if and when required.

I have the honour to be,

Sir,

Your most obedient servant

For Acting Collector.
