Order thereon, No. 46, dated the 26th January 189

The Government is of opinion that the time has arrived for putting Article 72 of the Civil Account Code in force in Nellore, but there is no need to do this with retrospective effect. All Government Servants on Civil Establishments in the district will be paid the allowances permissible under the above article with effect from this day. These allowances should be discontinued as soon as the average price of cholam for the district falls to or below twelve seers per rupee. The Collector will communicate to the Heads of other Departments serving in the district the date on which such fall occurs.
