In its order No 1022 L dated 3rd June 1896, the Government sanctioned the grant of a horse allowance of Rs 10 per mensem to each of the Local Fund Inspectors in the Godavari district. Subsequently in its resolution dated 27th March 1897, the District Board approved, subject to the sanction of Government, a proposal to convert this allowance into a fixed allowance, as the maintenance of a horse by the Inspectors was not only unnecessary, but also inconvenient to them in the deltas. The Government having then directed that the proposal should be laid before the Taluk Boards concerned, this was done, with the result that it was not approved by three out of

the four Taluk Boards in the district and it was accordingly ordered in G.O. No 1506 L dated 6th August 1897 that the present arrangement should be continued. The Local Fund Inspector of the Amalapuram Taluk having, however, under the belief that the horse allowance would be converted into a fixed allowance, as requested by him in his petition of the 28th January 1897, spent nearly Rs 100 on travelling expenses during the past nine months, the Rajahmundry Taluk Board has approved the grant of this sum to the Inspector and the President of the District Board requests in his letter read above that Government may be pleased to sanction the grant of the allowance as a special case, as the Inspector is not entitled to it under G.O. No 1506 L of 6th August 1897.

The draft order on the Current is submitted for approval.

No. 268.

To

The President, Taluk Board, Rajahmundry,
thru. the Tahsildar of Amalapur.

Sir,

The humble representation of J. Madhavayya, L.F. Ins-
-pector, Amalapur Taluk. Believing strongly that the horse
allowance will be made fixed allowance as ^{asked} required by me in
my petition No. 29 dated 28- 1- 97, in which I urged all my
grounds for doing so, I spent nearly RS. 100 from my own pocket
for travelling purposes from place to place by bandies &c du-
-ring the last full 9 months but I am now for the 1st time in-
-formed that no such thing could be done. I, therefore, humbly
request that you may be pleased to recommend to the Governmen-
that I am entitled to the said allowance at least for the past
period of 9 months, as I have actually incurred expenses with
a bonafide belief that I would get favourable orders on the
petition which I submitted on the point and as I was not fa-
-voured with any reply whatever though many months passed.

I beg to remain &c
