FROM M. R. S. N. S. Souwasanadasasthi

Sd/- BOARD Narsapur

TO

The Chief Secretary to Government,

Local and Municipal Department,

Madras.

SIR,

Through the President
District Board
Godavari

The construction of a hospital building
at Bhimavaram having been sanctioned by the Sd/-
Board in 1892 the District Board Engineer collected some
bricks and sand at site. But the work could not be
proceeded with, as anticipated, as the Sanitary Board
rejected the design. No fresh design could be sent, as the
same Board ordered that their type design under
preparation should be awaited. This was only received
the other day, and steps will be taken to get the sanction
of the Sanitary Board for a proper building.

Meanwhile some 10,000 out of a lac of the bricks
was stolen without any success in detecting the thieves or thieves.

As there was the risk of further loss, and
themselves had deteriorated, and were every day deteriorating
in quality, the Engineer's request to sell them away
was sanctioned by the Board. The price realized was
Rs 400, that originally incurred in their purchase being
700 Rs.

The difference of Rs. 300 was sanctioned by the
Sahib Board to be written off in their resolution no 8
dated 20-11-97. I have the honor to apply for the
sanction of Government for the same.

I may add that, as there were no bids
forth coming for the sand, it was proposed by the Engineer
to be utilized on other works.

I have the honor to be,
Sir

Your most obedient servant
