18th October 1898.

M. Hammick. Esq.,
Plague Commissioner
Madras.

Dear Sir,

I shall be obliged if you will kindly inform me what steps have been taken to prevent the importation of Plague to the Gold Fields through Kuppam, Gudupalli and Bisanatham Railway Stations.

Vast number of people are continually passing through our Camp en-route to Mysore, Oorgaum and the other Mines and as things stand at present. there appears to be nothing to prevent people from Bangalore booking to Kuppam and re-booking to Bisanatham, thus avoiding inspection at Bowringpett. I understand that all booking from Bangalore to the stations between Bowringpett and Kuppam has been stopped.

Yesterday there was a case of reported death from Plague at the village Athinatham. We were advised of the arrival of the deceased. from Bangalore on the 12th instant, but he never reported himself for examination to our Hospital Assistant. We are perfectly willing

to allow our man to inspect all people arriving from infected districts who are located in the immediately surrounding villages, but the police must insist upon these people reporting themselves for examination. It will be impossible for us to send to them.

I am,
Dear Sir,
Yours faithfully.

Superintendent
