Budget.

Reviewing the Tinnevelly District Board — for 1898-99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following papers :—

From R. B. CLEGG, Esq., President, District Board, Tinnevelly, to the Secretary to Government, Local and Municipal Department, dated 8th December 1897, No. .

I have the honour to submit, for the sanction of Government, the consolidated Local fund budget for 1898–99, together with the prescribed subsidiary statements and the revised estimate for 1897–98.

Revised Estimate of 1897–98.

Receipts.

2. Including the opening balance, the total receipts amount to Rs. 6,42,080 against the budget estimate of Rs. 5,78,300, the increase of Rs. 63,780 occurring chiefly under the heads of (1) opening balance, (2) house-tax, (3) contributions from private individuals for medical institutions, (4) fees and fines, (5) fishery rents and (6) avenues. The causes of the variations are explained under the respective heads.

3. *Opening balance.*—There is an increase of Rs. 53,610 over the budget estimate which is owing to short expenditure in the preceding year, chiefly under public works, 46,278 and sanitation, 5,841, as explained in paragraphs 19 and 38 of the administration report of that year reviewed in G.O., No. 1947 L., dated 8th October 1897.

4. *Tolls.*—The decrease of Rs. 2,810 is due to want of competition.

5. *House-tax.*—The revised estimate exceeds the budget by Rs. 2,790, owing to the general revision of the tax in the majority of unions, and the collection of large arrears in Tiruchendúr and Káyalpatnam unions.

6. *Education Contribution from Municipalities.*—The Srívilliputtúr Taluk Board takes credit for a sum of Rs. 30 on account of the services of the circle gymnastic instructor lent for the schools in the Srívilliputtúr Municipality.

7. *Medical Contributions from Private Individuals.*—The collection from the estates of Uttumalai and Sivagiri, of arrears of contributions towards the upkeep of the medical institutions at Virakeralampudur and Sivagiri, accounts for the increase of Rs. 3,400 under this head.

8. *Bungalow Fees.*—The income from this source is shown under "Public works receipts—miscellaneous", as required by the Accountant-General in his circular No. 8, dated 6th November 1897.

9. *Fees and Fines.*—The budget estimate is raised by Rs. 970 owing to larger collections chiefly in the annual fairs at Sankaranayinárkóyil and Sivalaperi under the Tinnevelly Taluk Board.

10. *Fishery Rents.*—The increase of Rs. 1,400 under this head is attributed to the favourable character of the season.

11. *Avenues.*—The Sérmádévi Taluk Board has raised the estimate by Rs. 1,300 with reference to the receipts of the previous year and the actuals of the first six months of the current year.

12. *Public Works Contributions by Private Individuals.*—The contribution of Rs. 2,500 expected from the Sivagiri estate for the construction of the dispensary building will not be realized during the year, as the work is not likely to be put in hand now. A sum of Rs. 860 not taken credit for in the budget was, however, collected, Rs. 695 for the erection of two salary-result schools and Rs. 165 for a culvert on the Ambúr-Papanásam road for irrigation purposes.

13. *Education Contribution from Provincial funds.*—A half-grant was anticipated for the whole year in favour of the Superintendent of the industrial class (Mr. E. Newman), of the Board Technical Institute, but he left in February 1897. A similar grant was estimated for the purchase of certain implements for the industrial class, but these are not likely to be purchased within the year. Hence the budget estimate is reduced by Rs. 540.

14. The other fluctuations which are of a trifling nature are explained in the remarks column of statement No. IX.

Charges.

15. *Grant 1, Public Works.*—Out of the total budget grant for public works, a sum of Rs. 5,000 was surrendered by the Engineer from the provision of Rs. 14,000 for the construction of the Local fund office and the remainder was enhanced by Rs. 47,670 by subsequent allotments from the balance on account of incomplete and uncommenced works of the preceding year and the works sanctioned during the year.

Original Works—Communications.—The increased provision of Rs. 13,250 under this head is chiefly made up of the allotments sanctioned for the construction of masonry works connected with roads and toll-sheds (Rs. 6,930), two village roads (Rs. 1,094) and the gravelling of streets in unions (Rs. 5,038).

Civil Buildings.—The subsequent allotments include the sum of Rs. 1,331 provided for improvements in the dispensaries at Ottappidáram and Tiruchendúr, for the erection of additional rooms in the rest-house at Vagaikulam, Rs. 715, and for union offices at Kalladakurichi and Sivakási, Rs. 2,284.

Miscellaneous Public Improvements.—The budget grant was raised by Rs. 7,560 by subsequent allotments for the improvement of certain markets, chattram irrigation works and a drinking-water tank, and the erection of a bathing ghaut.

Repairs—Communications.—The revised estimate is higher than the budget by Rs. 19,120, Rs. 6,300 under taluk boards and Rs. 12,820 under district board. The former includes the allotment of Rs. 5,310 for the repairs of damages caused by the flood of December 1895, and Rs. 475, the grant sanctioned for the upkeep of the completed portion of the Sankaranayinárkóyil-Chintamani road and the new road constructed between the Virudupatti railway station and Kanniseri, while the latter is made up of the sum of Rs. 1,125 provided under additional maintenance grant, Rs. 2,739 for the repairs of flood damages Rs. 7 686 on account of renewals of roads, both under incomplete works of the preceding year and the works sanctioned during the year, and Rs. 589 the arrears due to contractors and mile coolies for works executed in the previous year (1896–97). The Tuticorin Taluk Board does not consider it necessary to maintain the undermentioned village roads in the year: —

		Miles.	Maintenance grant.
Srívaikuntam taluk—			Rs.
(1)	Road from Arumuganangalam to Maramangalam ..	1	30
(2)	Do. road No. XXIII *c* to Valavallam	1½	60
(3)	Do. Srívaikuntam to Vagaikulam	3	150
(4)	Do. Korkai to Palayakayal *viâ* Korangani ..	2¼	90

A sum of Rs. 845 is provided under district board for unforeseen expenditure on account of floods, &c.

Civil Buildings.—The increase of Rs. 2,150 under this head is due to subsequent allotments for repairs of chattrams and dispensary buildings.

Miscellaneous Public Improvements.—The Sérmádévi Taluk Board has raised the budget estimate by Rs. 1,610 for the repairs of chattram irrigation tanks and drinking-water ponds.

Staging Bungalows.—The charges connected with the establishments of these institutions are shown under this grant instead of under Grant 4 as required in the Accountant-General's circular quoted in paragraph 8 *supra*.

Contributions.—The Tuticorin Taluk Board has provided a sum of Rs. 1,000 for payment of the balance of contribution promised to the Ettiyapuram estate for the erection of the dispensary building at Ettayapuram. A sum of Rs. 470 is shown under district board for payment to the District Board of Madura on account of the planting and maintenance of avenues, &c., on the portion of the Aruppukkóttai-Virudupatti road lying within the limits of this district.

16. Of the total estimate of Rs. 2,40,940 for expenditure on public works, Rupees 2,29,600 relate to works under the control of the local fund Engineer and Rupees 11,340 to works under the supervision of miscellaneous agencies. The outlay on the former works up to the end of September 1897 amounted to Rs. 77,000 or 33·5 per cent. of the total allotment against 34·5 per cent. in the corresponding period of 1896–97.

17. *Grant 2, Education.*—The revised estimate under the district board is Rs. 450 less than the budget and that of the taluk boards Rs. 540 more. The former is due chiefly to the temporary vacancy of the office of carpentry Superintendent in the Technical Institute as explained in paragraph 13 above and to the appointment of a substitute on a lower rate of pay. The latter is spread over several items. The Tuticorin Taluk Board has opened a salary-result school at Eppoduvendram village in Ottappidáram taluk, and estimates the expenditure on that account at Rs. 270. Three teachers have been appointed, one on Rs. 9, one on Rs. 7 and the other on Rs. 5. The Tinnevelly Taluk Board has appointed an additional teacher on Rs. 9 to the Sivagiri school.

18. *Grant 3, Medical Services, Vaccination and Sanitation.*—The total deficiency of Rs. 530 under the revised estimate of the district board is due to the reduction in the amount of contributions payable to provincial services, with reference to the actuals of 1896–97 and to the decrease under the vaccine establishment in consequence of temporary vacancies. A sum of Rs. 170 is provided for the stipends of four midwifery pupils—*vide* G.O., Mis. No. 1995 L., dated 11th October 1897, and G.O., Mis. No. 2293 L., dated 26th November 1897. There is an increase of Rs. 2,760 over the budget estimate under taluk boards, the increase occurring chiefly under sanitation. For want of trained candidates, the dispensaries of Sivagiri and Melaviraraghavapuram were not provided with midwives as proposed in the budget. The Tuticorin Taluk Board provides a sum of Rs. 50 for house-rent compensation to the hospital assistant at Ottappidáram, pending completion of certain improvements to the quarters recently constructed. The Srívilliputtúr board raises the allotment under contribution to the Srívilliputtúr Municipality for medical services by Rs. 71, the percentage of contribution having been raised from a fourth to a third under G.O., Mis. No. 876 L., dated 10th May 1897. The Tinnevelly Taluk Board withdraws the contribution of Rs. 200 to the aided dispensary at Mélappálaiyam, Tinnevelly taluk, dealt with in G.O., memorandum No. 1240, dated 2nd December 1897. There is a net increase of Rs. 2,710 under sanitation, which is made up of the undermentioned items :—

	Rs.
(*a*) Water-supply	1,890
(*b*) Village-sites	640
(*c*) Scavenging establishment	110
(*d*) Fairs and festivals	240
(*e*) Other sanitary outlay	170
Total ..	2,710

The Tinnevelly Taluk Board entertained an additional maistry on Rs. 7 for Kilaviraraghavapuram Union, raised the pay of six sweepers one from Rs. 5 to Rs. 5½, one from Rs. 4 to Rs. 5, one from Rs. 3 to 5 and two from Rs. 2½ to Rs. 5 and abolished one on Rs. 2½—all in Sankaranayinárkóyil Union.

The causes of variations under other union items are shown in statement No. IX.

19. *Grant 4, Public and Charitable Institutions.*—The budget provision under this grant is raised by Rs. 660. The Tinnevelly Taluk Board allots Rs. 20 for the entertainment of two coolies for rearing trees on the site at Sivalapperi in which an annual cattle fair is held, while the Tuticorin Taluk Board provides Rs. 50 for employment of coolies for planting trees in the new market at Vallanad and payment of arrear salary to the cooly in the Srívaikuntam market. The last-mentioned taluk board has provided Rs. 250 for the survey of Komaneri village attached to Alwartirunagari Govindappaiyan chattram and Rs. 80 as an additional allotment for feeding charges in the Srívaikuntam Teppakulam chattram which was visited by a larger number of travellers than anticipated. The Tinneveily Taluk Board raises by Rs. 50 each the charges for lighting the union of Sankaranayinárkóyil and the road between Palamcottah and Tinnevelly. The Tuticorin board proposes to establish a temporary water-pandal for two months in the Deputy Tahsildar's office at Kulaśekarapatnam and to extend the period of a similar institution in the taluk cutcherry at Ottapidáram from four to seven months. The total cost on this account is estimated at Rs. 35.

20. *Grant 5, Supervision and Management.*—The revised estimate of the district board under this grant falls short of the budget by Rs. 530 and that of the taluk boards is Rs. 160 higher than the budget. The Tuticorin Taluk Board makes a provision of Rs. 30 for the entertainment of a temporary bill-collector in each of the unions of Tiruchendúr and Káyalpatnam where there is a large arrears of house-tax to be collected and the Sérmádévi board reduces the establishment charges by Rs. 300 in consequence of the establishment of the new unions of Kalakádu, Tirukkurungudi and Eruvadi having been entertained only in October last. The Tuticorin board raises the grant under law charges by Rs. 250 owing to increased expenditure in connection with the suit regarding the market at Arumuganeri. The taluk board has preferred a second appeal to the High Court against the decision of the District Court in the matter. The fluctuations under other items are explained in Statement No. IX.

21. The revised estimate closes with the undermentioned balance :—

—	District.	Taluk.	Union.	Total.

BUDGET ESTIMATE FOR 1898–99.

Receipts.

22. Excluding the opening balance, debt heads and allotments from one fund to another, the total receipts of the district for 1898–99 are estimated at Rs. 4,80,640 against Rs. 4,93,320, the revised estimate for 1897–98, and Rs. 5,01,017, the actuals of 1896–97.

23. The figures of the revised estimate are closely followed in all the items, except those explained below :—

(*a*) *Cess on Land.*—The figures furnished by the Treasury Deputy Collector are adopted.

(*b*) *Tolls.*—The average of the past five years is entered as the probable receipts from this source.

(*c*) *House-tax.*—The estimate is reduced by Rs. 1,130. In the revised estimate of 1897–98 the collection of large arrears had to be taken credit for, which is not the case now.

(*d*) *School Fees.*—The estimate is raised by Rs. 240 in anticipation of improvement in the strength of the existing schools.

(*e*) *Sale of Books.*—No income is estimated under this head. The board proposes to abolish the depôt from 1st April 1898, as it is found to be of little use, several private book depôts having been opened in several places, four of them existing at the district head-quarters.

(*f*) *Medical Contribution from Private Individuals.*—The actual amount promised is entered. In the revised estimate the collection of arrears was also included.

(*g*) *Market Rents.*—The Srívilliputtúr Taluk Board proposes to levy fees in the market at Solapuram, Srívilliputtúr taluk, and estimates the income at Rs. 40.

(*h*) *Fishery Rents.*—The estimate falls short of the revised estimate by Rupees 1,320. This is a fluctuating item depending on the character of the season.

(*i*) *Avenues.*—The estimate is based on the actuals of 1896–97.

(*j*) *Public Works—Contribution from Private Individuals.*—The increase of Rs. 1,290 under the taluk board is due to the contribution of Rs. 2,000 promised by the zamindar of Sivagiri towards the construction of a dispensary building at Sivagiri. The contribution of the moiety of the estimated amount for the construction of the Ettiyapuram-Vilatikulam road having been paid by the zamindar of Ettiyapuram, no credit is taken under the district board funds for any amount under this head.

(*k*) *Allotment from District Fund.*—A sum of Rs. 1,400 is provided under this head, Rs. 1,000 to the Tinnevelly and Rs. 400 to the Srívilliputtúr Taluk Boards to meet their deficit balances.

(*l*) *Sale of Government Promissory Notes.*—Rs. 3,000 are taken credit for under the head with a view to sell the notes standing in the name of Tenkási dispensary for the construction of a building for which necessary provision is made under Grant I—*vide* G.O., Mis. No. 109 L., dated 18th January 1897.

Charges.

24. *Grant 1, Public Works Charges.*—The total estimate under this grant amounts to Rs. 2,41,660 against Rs. 2,83,870 of the revised estimate and Rupees 2,53,628, the actuals of 1896–97. The details of works are shown in statements III-A — III-B.

25. *Original Works—Communications.*—A sum of Rs. 21,830 is provided under this head on account of the undermentioned works :—

	Rs.
(1) Construction of a road from Ettiyapuram to Vilatikulam	4,300
(2) „ „ between Sankaranayinárkóyil-Chintamani including masonry works	2,700
(3) Construction of a road between Vagaikulam and Minakshipati ..	4,000
(4) Road from road No. VI to the Tambraparni river *viâ* Melaseval ..	600
(5) Construction of culverts in lieu of road dams on road No. XXVI.	1,000
(6) Gravelling of streets in unions	9,230
Total ..	21,830

Civil Buildings.—A sum of Rs. 6,750 is provided for the local fund office building. The taluk boards have estimated the expenditure under this head at Rupees 9,550—Rs. 6,600 for the construction and improvements of dispensary buildings, Rs. 2,500 for the improvements of chattram buildings and Rs. 450 for the erection of school houses.

Miscellaneous Public Improvements.—The estimate of Rs. 2,420 is proposed to be spent—Rs. 1,870 on improvements of markets, Rs. 200 for the construction of a bathing-ghaut and Rs. 350 on the erection of a masonry latrine.

26. *Repairs—Communications.*—The expenditure under this head is estimated at Rs. 1,49,460—Rs 1,39,045 for the annual upkeep of the roads and Rs. 10,415 for the execution of important renewals on seven miles of the district board roads and seven miles of the taluk board roads. The Tuticorin Taluk Board has allotted a lump sum of Rs. 330 for the repairs of village roads. The Srívilliputtúr and Sérmádévi Taluk Boards propose to repair one country track each not transferred to the Revenue

Department. A sum of Rs. 1,180 is provided for the re-gravelling of streets in unions. It is proposed to spend a total sum of Rs. 1,60,880 both on original works and repairs of communications. The net income from tolls is estimated at Rs. 57,360. The remainder, Rs. 1,03,520, represents the amount appropriated from land-cess, which is 81·8 per cent. of the prescribed minimum (half the land-cess) against 75·4 per cent. in the budget for 1897–98. The percentage of the minimum attained by each local board is shown below :—

	1897–98.	1898–99.
District Board	66·7	81·2
Tinnevelly Taluk Board	81·7	91·1
Tuticorin „	110·2	95·1
Sérmádévi „	66·1	65·8
Srívilliputtúr „	70·3	78·

Civil Buildings.—The provision of Rs. 1,060 under this head is for the white-washing of nineteen buildings (chattrams, schools and medical institutions), repairs of a school-house, two hospitals and three chattrams.

Miscellaneous Public Improvements.—The estimate of Rs. 6,700 under this head is proposed to be spent—Rs. 5,600 on the maintenance of avenues, Rs. 100 on the repairs of a bathing-ghaut and Rs. 1,000 for the repairs of the irrigation tank attached to the Alwartirunagari Govindappaiyan chattram.

27. *Establishment.*—A sum of Rs. 180 is provided for the annual increment of salary of the Local Fund Engineer, who will complete his second year of service in June 1898, and Rs. 180 for the tentage of the same officer sanctioned in G.O., Mis. No. 2287 L., dated 25th November 1897.

28. *Contribution.*—A provision of Rs. 60 is made towards the contribution payable to the Madura District Board for the maintenance and the charges connected with the upkeep of avenues of the portion of the Aruppukóttai-Virudupatti road lying within the limits of this district.

29. *Unforeseen charges.*—A total sum of Rs. 2,600—Rs. 2,000 under district board and Rs. 600 under taluk boards—is estimated for unforeseen charges connected with roads, such as flood-damages, &c.

30. In other respects the budget follows the revised estimate.

31. *Grant 2, Education—Inspection.*—There is no change under this head.

32. *Training Schools.*—In view of securing the services of a drawing master with higher technical qualifications, the salary of that post is proposed to be raised from Rs. 20 to Rs. 30. In the industrial branch of the board technical institute, the services of a store-keeper is found absolutely necessary. But for want of funds, the board has decided to make one of the two peons of the institution attend as a temporary measure to the duty of store-keeper in addition to his own, and to remunerate him by raising his pay from Rs. 6 to Rs. 8.

33. *Sessional Schools.*—The three sessional schools opened in the three ranges of the Sub-Assistant Inspectors of schools are now conducted for three months each by temporary teachers on Rs. 25 entertained at the time of opening them. The inspector of schools recommends the employment of a permanent teacher to these schools to work in rotation all the year round, and states that the system is found to work well in districts where it has been introduced. The district board accordingly proposes to employ a permanent teacher on Rs. 20. The change involves an additional expenditure of Rs. 15 per annum.

34. The Sérmádévi Taluk Board proposes to entertain an additional teacher on Rs. 15 for the lower secondary school at Nángunéri. The Srívilliputtúr Taluk Board has estimated for the opening of a Panchama school with a teacher on Rs. 7 and abolished the schools at Erichanattam and Vembakóttai. The school at Thuppakkudi under the Sérmádévi Taluk Board is also proposed to be abolished.

35. The total expenditure under this grant is placed at Rs. 56,680, while the receipts are estimated at Rs. 9,390, leaving a net cost to local boards of Rs. 47,290, or 18·7 of land-cess, against 18·5 in the budget of 1897–98.

36. *Result Grants.*—The figures of the revised estimate have been adopted.

37. *Grant 3, Medical Services—Vaccination and Sanitation.*—The total estimate under this grant amounts to Rs. 1,17,370 against Rs. 1,17,020 in the revised estimate.

38. Under medical institutions, there is a net increase of Rs. 510 over the revised estimate, chiefly in consequence of the graded promotion to the medical subordinate at Tiruchendúr and to the compounders of Tenkási and Ettiyapuram dispensaries. The provision for the midwife in Melaviraraghavapuram dispensary has been omitted, as there are midwives readily available in the hospitals of Tinnevelly and Palamcottah Municipalities, which are close to Melaviraraghavapuram, while the pay of the Sivagiri midwife is proposed to be raised from Rs. 11 to Rs. 14. Provision is made under district board for the entertainment of a sweeper on Re. 1 for the Lady Dufferin female dispensary and to raise by As. 8 the pay of the water-woman of that institution. The estimate for medicines and surgical instruments is raised by Rupees 450 over the revised estimate.

39. *Vaccination.*—The work of the vaccine establishment under the present batch system has been found to be unsatisfactory. With the concurrence of the opinion of the District Medical and Sanitary Officer and the Inspector of vaccination, the district board proposes to abolish the batch system and put each vaccinator in independent charge of a division. Under this arrangement, the number of vaccinators has to be raised from 37 to 43. To make up the extra number, it is proposed to entertain two first-class vaccinators on Rs. 15 each and four probationary vaccinators on Rs. 7 each with a fixed travelling allowance of Rs. 3 each. Vaccine lymph will be obtained from the Bangalore depôt of the Mysore Darbar, as sanctioned in G.O., Nos. 1905, 1905-A L., dated 5th October 1897, so that the services of calf peons and the hiring of calves for inoculation will be no longer necessary. The expenditure under the present and the proposed arrangements is compared below :—

The proposed system, besides resulting in a saving of Rs. 934 as shown above, will, it is believed, work more satisfactorily.

40. *Sanitation.*—The estimate under water-supply works is reduced by Rupees 1,960 below the revised estimate as scarcity of water is not anticipated, and that under village-site by Rs. 740 in consequence of the establishment of unions in important villages. The Srívilliputtúr Taluk Board has abolished the system of itinerating gangs in both the taluks of Srívilliputtúr and Sáttúr as the system proved a failure. The allotment under scavengering establishment is raised by Rs. 1,840 over the revised estimate. The Tinnevelly Taluk Board proposes the entertainment of an additional maistry on Rs. 6 to the Union of Sivagiri, provides for three additional sweepers, two on Rs. 5 and one on Rs. 4–8–0, for three unions and abolishes a sanitary peon on Rs. 5 in one of those unions. The Tuticorin Taluk Board proposes the entertainment of a maistry on Rs. 7, a sanitary peon on Rs. 5 and three sweepers on Rs. 4 each, and the raising of the pay of two maistries, one from Rs. 6 to Rs. 7 and the other from Rs. 7 to Rs. 8 and of four sweepers from Rs. 4 to Rs. 5 each in four unions. The Sérmádévi Taluk Board increases the pay of two maistries, one

from Rs. 7 to Rs. 9 and the other from Rs. 6 to Rs. 7, and of a scavenger from Rs. 5 to Rs. 6. It also provides for the entertainment of four additional sweepers on Rs. 5 each. The pay of two scavengers is reduced from Rs. 6 to Rs. 5 and a sweeper on Rs. 5 is removed. These changes are proposed in connection with seven unions. The same board recommends the entertainment of an additional sweeper on Rs. 5 to each of the non-union villages of Valliyur and Panagudi and three sweepers on Rs. 5 each for the first time to three similar villages (1) Vadakkankulam, (2) Mulaikaraipatti and (3) Vijianarayanam, all the five villages belonging to the Nángunéri taluk. Under the Srívilliputtúr Taluk Board the pay of two maistries is proposed to be raised, one from Rs. 6 to Rs. 6–8–0 and the other from Rs. 6 to Rs. 7, that of three sanitary peons from Rs. 5–8–0 to Rs. 6, and that of twelve sweepers, two from Rs. 4–8–0 to Rs. 5 and ten from Rs. 4–4–0 to Rs. 4–8–0. The entertainment of seven scavengers, five on Rs. 4 each and two on Rs. 4–8–0 each, and of two sweepers on Rs. 5 each is also recommended as additional establishments. One sweeper on Rs. 4–8–0 is removed. These changes are proposed in connection with five unions. The same taluk board proposes to bring under conservancy the non-union villages of (1) Mangalam, (2) Rajakularaman, (3) Sivandipatti, (4) Samsikapuram in the taluk of Srívilliputtúr by appointing a sweeper to each of the villages except Sivandipatti for which two sweepers are recommended.

41. *Contributions to Private Individuals.*—Rs. 100 is provided under the Tinnevelly Taluk Board towards the grant to the aided dispensary at Melapalayam—*vide* Government memorandum No. 1240, dated 2nd December 1897, subject to the approval of the taluk board.

42. The Tinnevelly and Srívilliputtúr Taluk Boards have provided Rs. 200 each under unforeseen charges on account of epidemics, &c.

43. The last-mentioned board has also estimated Rs. 120 for a consolidated monthly travelling allowance of Rs. 5 to each of the two sanitary maistries in its employ.

44. The sweepers employed for removing rubbish from streets and lanes remove also fæcal matter. No separate establishment is employed for the latter purpose and the establishments are supervised by the chairmen in unions and in non-union villages by the taluk revenue officials.

45. *Grant 4, Market establishment.*—There is an increase of Rs. 30 due to the retention of the gardener of Satankulam throughout the year instead of six months in 1897–98. A sum of Rs. 500 is allotted by the Tinnevelly Taluk Board from the surplus of the Sankaranayinárkóyil, &c., markets for a feeder road between Sankaranayinárkóyil and Chintamani in course of construction; and Rs. 400 by the Tuticorin Taluk Board from the surplus of the Kayatar market towards the upkeep of the Kayatar-Kadambur road, Ottapidáram taluk.

46. *Choultries.*—The increase of Rs. 30 under establishment is owing to the provision for a toti on Rs. 2 for the chattram at Gengaikondan and to the increase of 8 annas in the salary of tandalgar of the Alwartirunagari Govindappaiyan chattram.

47. *Lighting Charges.*—The Tuticorin Taluk Board raises the revised estimate by Rs. 50 on account of increased provision made far the Kulasékarapatnam Union.

48. *Grant 5.*—The Tinnevelly Taluk Board provides for a taluk gumasta for the Tinnevelly taluk on Rs. 15 with a pensionary contribution. The Tuticorin board raises the pay of the union clerk of Kulasékarapatnam from Rs. 10 to Rs. 12, the rate prevailing in most of the unions and the Srívilliputtúr board proposes an increment of Re. 1 from Rs. 9 to Rs. 10 in the pay of the clerks of the unions of Sáttúr and Watrap.

49. The estimate under other items, such as law charges, subscriptions to usual periodicals, &c., closely follow the revised estimate, except that the district board proposes to subscribe newly for the periodical Vivekachintamani for the use of the board technical institute.

50. *Loans and Interests.*—Provision is made for the repayment of the tenth and the last instalment with interest to the Ettiyapuram estate.

Provident Fund.—Bonus and interest are calculated as usual on the subscriptions and the principal of the preceding year respectively.

51. *Allotment from district funds.*—A sum of Rs. 1,400 is provided to meet the deficit balances of the Tinnevelly and Srívilliputtúr Taluk Boards, Rs. 1,000 for the former and Rs. 400 for the latter.

52. *Recommendations of the Surgeon-General regarding medical service—Lady Dufferin female dispensary.*—Steps are being taken for the acquisition of a site between Palamcottah and Tinnevelly for the erection of a suitable building.

The recommendations regarding the institutions under the taluk boards have been attended to as far as practicable, but the local boards not having yet reached the minimum fixed by Government for expenditure on communications, it is not possible to carry out the recommendations at once.

53. The budget closes with the following balance :—

The district board's resolution sanctioning the budget and the revised estimates and the proposition statement together with the map of the district are enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 7th January 1898, No. 127.

With reference to the educational portion of the budget estimate of the Tinnevelly District Board for 1898–99, I have the honour to state that the provision made therein under the several heads, except that under result grants, is sufficient and may be accepted. As the net expenditure on education proposed by the board is Rupees 47,290 (56,680—9,390), which is 18·7 per cent. of the estimated income from land-cess, the allotment under result grants should be increased to Rs. 22,000, with reference to the actuals of 1896–97.

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 14th January 1898, No. 29.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the District Board, Tinnevelly, for the maintenance of the dispensaries for the year 1898–99, is adequate.

2. The proposal of the board (1) to entertain a sweeper on Re. 1 per mensem for the Lady Dufferin dispensary, (2) to increase the pay of the water-woman of that institution by As. 8, and (3) to omit the provision for the midwife in Melaviraraghavapuram dispensary meets with my approval.

3. A sum of Rs. 6,850 is provided to meet the recommendations of the District Medical and Sanitary Officer. Of this amount, Rs. 4,000 are proposed to be spent for the construction of new dispensaries at Sivagiri and Tenkási, Rs. 1,000 for the construction of quarters to the hospital assistant of Trichendur, and the remaining amount for the improvement and repairs of hospitals and dispensaries. His other suggestions regarding the construction of new buildings for the Lady Dufferin Female dispensary, Palamcottah, Melaviraraghavapuram and Virakeralampudur dispensaries and the additions, alterations and equipment for the institutions at Ettiyapuram, Srivaikuntam and Tirukurangudi remain uncomplied with and should be taken in hand as soon as funds permit.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 3rd February 1898, No. 246-S.

I have the honour to state that the Tinnevelly District Board estimates its expenditure on vaccination and sanitation during 1898–99 at Rs. 10,090 and Rupees 63,410, respectively, against Rs. 11,180 and Rs. 60,360 provided in the current year's budget. The decrease under the former head occurs principally under contingencies, and is due to the board having resolved to take its supply of lymph from the Bangalore Vaccine Institute. The sanitary outlay is about 13 per cent. of the estimated current receipts. There is but a single Sanitary Inspector in the employ of the district board. In view of the constant outbreaks of cholera which mark this district, I would advise the employment of one for each revenue taluk.

2. Under Grant 3, no sum is provided for combating cholera or plague. I would advise that a due proportion of the revenue be set apart for this purpose.

ORDER—No. 255 L., dated 11th February 1898.

Revised Estimate for 1897-98.

2. The current receipts and charges are now estimated at Rs. 5,04,360 and Rs. 5,45,330, respectively, against Rs. 4,94,190 and Rs. 4,93,030 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under house-tax, medical contributions from private individuals and miscellaneous debt accounts and that in the charges under Grants 1 and 3 and miscellaneous debt accounts. The additions to the educational, market and water-pandal establishments, referred to in paragraphs 17 and 19 of the President's letter, are sanctioned. Under contribution to Provincial services for the medical college, sanitary inspection and medical reserve staff, the current year's budget estimates should have been repeated instead of the actuals of 1896-97. The establishment of the markets at Sivalapperi and Vallanad, referred to in paragraph 19, is approved. The closing balance to be carried forward to the ensuing year's budget will be Rs. 96,330—Rs. 36,940 under the District and Rs. 59,390 under Taluk Funds.

Budget Estimate for 1898-99.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 4,88,250 against Rs. 5,04,360 in the revised estimate, the decrease being chiefly under land-cess, tolls, medical contributions from private individuals and miscellaneous debt accounts. The proposal of the Srívilliputtúr Taluk Board to establish a market at Solapuram and to levy fees therein is approved.

4. *Charges.*—(1) The probable charges are put down at Rs. 4,97,260 against Rs. 5,45,750 in the revised estimate, the decrease appearing mainly under Grant 1 and miscellaneous debt accounts.

(2) *Grant 1.*—The total allotment for communications is 93 per cent. of the minimum prescribed by Government against 88 per cent. in the current year. Every endeavour should be made to increase this further. With reference to G.O., No. 38 L., dated 6th January 1898, a sum of Rs. 1,150 will be provided as contribution to the Public Works department for the scrutiny of Local Fund plans and estimates.

(3) *Grant 2.*—The additions to and alterations in the educational establishments, referred to in paragraphs 32 to 34 of the President's letter, are sanctioned. The Director's suggestion to raise the allotment for result grants will be referred to the local boards for consideration.

(4) *Grant 3.*—The additions to and alterations in the medical, vaccination and conservancy establishments, proposed in paragraphs 38, 39 and 40, respectively, are sanctioned. The attention of the taluk boards is drawn to the recommendations of the Sanitary Commissioner in paragraphs 1 and 2 of his letter read above.

(5) *Grant 4.*—The addition to and alteration in the market and choultry establishments, referred to in paragraphs 45 and 46, are sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the contribution for controlling establishments at the Presidency will be reduced from Rs. 4,570 to Rs. 4,290. The proposal of the Tinnevelly Taluk Board to entertain a gumastah on Rs. 15, with the usual pensionary contribution, in the taluk office at Tinnevelly, is approved. The necessary orders for his entertainment will be passed in the Revenue department.

5. *Balance.*—The budget as revised by Government closes with a balance of Rs. 86,450. Of this sum, however, Rs. 1,290 appertain to Ferry funds, Rs. 16,820 to the Provident fund, Rs. 8,850 to Union funds, Rs. 32,050 to endowed institutions and Rs. 8,870 to deposits, leaving Rs. 18,570 or 5 per cent. of the receipts available for general purposes. The President is requested to state why no proposals have been submitted for investing the large balance in favour of the Provident fund, as required in paragraph 5 of G.O., No. 294 L., dated 13th February 1897.

Budget.

Reviewing the Tinnevelly District Board — for 1898-99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From R. B. CLEGG, Esq., President, District Board, Tinnevelly, to the Secretary to Government, Local and Municipal Department, dated 8th December 1897, No.

I have the honour to submit, for the sanction of Government, the consolidated Local fund budget for 1898–99, together with the prescribed subsidiary statements and the revised estimate for 1897–98.

REVISED ESTIMATE OF 1897–98.

Receipts.

2. Including the opening balance, the total receipts amount to Rs. 6,42,080 against the budget estimate of Rs. 5,78,300, the increase of Rs. 63,780 occurring chiefly under the heads of (1) opening balance, (2) house-tax, (3) contributions from private individuals for medical institutions, (4) fees and fines, (5) fishery rents and (6) avenues. The causes of the variations are explained under the respective heads.

3. *Opening balance.*—There is an increase of Rs. 53,610 over the budget estimate which is owing to short expenditure in the preceding year, chiefly under public works, 46,278 and sanitation, 5,841, as explained in paragraphs 19 and 38 of the administration report of that year reviewed in G.O., No. 1947 L., dated 8th October 1897.

4. *Tolls.*—The decrease of Rs. 2,810 is due to want of competition.

5. *House-tax.*—The revised estimate exceeds the budget by Rs. 2,790, owing to the general revision of the tax in the majority of unions, and the collection of large arrears in Tiruchendúr and Káyalpatnam unions.

6. *Education Contribution from Municipalities.*—The Srívilliputtúr Taluk Board takes credit for a sum of Rs. 30 on account of the services of the circle gymnastic instructor lent for the schools in the Srívilliputtúr Municipality.

7. *Medical Contributions from Private Individuals.*—The collection from the estates of Uttumalai and Sivagiri, of arrears of contributions towards the upkeep of the medical institutions at Virakeralampudur and Sivagiri, accounts for the increase of Rs. 3,400 under this head.

8. *Bungalow Fees.*—The income from this source is shown under "Public works receipts—miscellaneous", as required by the Accountant-General in his circular No. 8, dated 6th November 1897.

9. *Fees and Fines.*—The budget estimate is raised by Rs. 970 owing to larger collections chiefly in the annual fairs at Sankaranayinárkóyil and Sivalaperi under the Tinnevelly Taluk Board.

10. *Fishery Rents.*—The increase of Rs. 1,400 under this head is attributed to the favourable character of the season.

11. *Avenues.*—The Sérmádévi Taluk Board has raised the estimate by Rs. 1,300 with reference to the receipts of the previous year and the actuals of the first six months of the current year.

12. *Public Works Contributions by Private Individuals.*—The contribution of Rs. 2,000 expected from the Sivagiri estate for the construction of the dispensary building will not be realized during the year, as the work is not likely to be put in hand now. A sum of Rs. 860 not taken credit for in the budget was, however, collected, Rs. 695 for the erection of two salary-result schools and Rs. 165 for a culvert on the Ambúr-Pápanásam road for irrigation purposes.

13. *Education Contribution from Provincial funds.*—A half-grant was anticipated for the whole year in favour of the Superintendent of the industrial class (Mr. E. Newman), of the Board Technical Institute, but he left in February 1897. A similar grant was estimated for the purchase of certain implements for the industrial class, but these are not likely to be purchased within the year. Hence the budget estimate is reduced by Rs. 540.

14. The other fluctuations which are of a trifling nature are explained in the remarks column of statement No. IX.

Charges.

15. *Grant 1, Public Works.*—Out of the total budget grant for public works, a sum of Rs. 5,000 was surrendered by the Engineer from the provision of Rs. 14,000 for the construction of the Local fund office and the remainder was enhanced by Rs. 47,670 by subsequent allotments from the balance on account of incomplete and uncommenced works of the preceding year and the works sanctioned during the year.

Original Works—Communications.—The increased provision of Rs. 13,250 under this head is chiefly made up of the allotments sanctioned for the construction of masonry works connected with roads and toll-sheds (Rs. 6,930), two village roads (Rs. 1,094) and the gravelling of streets in unions (Rs. 5,038).

Civil Buildings.—The subsequent allotments include the sum of Rs. 1,331 provided for improvements in the dispensaries at Ottappidáram and Tiruchendúr, for the erection of additional rooms in the rest-house at Vagaikulam, Rs. 715, and for union offices at Kalladakurichi and Sivakási, Rs. 2,284.

Miscellaneous Public Improvements.—The budget grant was raised by Rs. 7,560 by subsequent allotments for the improvement of certain markets, chattram irrigation works and a drinking-water tank, and the erection of a bathing ghaut.

Repairs—Communications.—The revised estimate is higher than the budget by Rs. 19,120, Rs. 6,300 under taluk boards and Rs. 12,820 under district board. The former includes the allotment of Rs. 5,310 for the repairs of damages caused by the flood of December 1895, and Rs. 475, the grant sanctioned for the upkeep of the completed portion of the Sankaranayinárkóyil-Chintamani road and the new road constructed between the Virudupatti railway station and Kanniseri, while the latter is made up of the sum of Rs. 1,125 provided under additional maintenance grant, Rs. 2,739 for the repairs of flood damages Rs. 7,686 on account of renewals of roads, both under incomplete works of the preceding year and the works sanctioned during the year, and Rs. 589 the arrears due to contractors and mile coolies for works executed in the previous year (1896–97). The Tuticorin Taluk Board does not consider it necessary to maintain the undermentioned village roads in the year: —

		Miles.	Maintenance grant.
Srívaikuntam taluk—			RS.
(1) Road from	Arumugamangalam to Maramangalam ..	1	30
(2) Do.	road No. XXIII *c* to Valavallam	1½	60
(3) Do.	Srívaikuntam to Vagaikulam	3	150
(4) Do.	Korkai to Palayakayal *viâ* Korangani ..	2¼	90

A sum of Rs. 845 is provided under district board for unforeseen expenditure on account of floods, &c.

Civil Buildings.—The increase of Rs. 2,150 under this head is due to subsequent allotments for repairs of chattrams and dispensary buildings.

Miscellaneous Public Improvements.—The Sérmádévi Taluk Board has raised the budget estimate by Rs. 1,610 for the repairs of chattram irrigation tanks and drinking-water ponds.

Staging Bungalows.—The charges connected with the establishments of these institutions are shown under this grant instead of under Grant 4 as required in the Accountant-General's circular quoted in paragraph 8 *supra*.

Contributions.—The Tuticorin Taluk Board has provided a sum of Rs. 1,000 for payment of the balance of contribution promised to the Ettiyapuram estate for the erection of the dispensary building at Ettayapuram. A sum of Rs. 470 is shown under district board for payment to the District Board of Madura on account of the planting and maintenance of avenues, &c., on the portion of the Aruppukkóttai-Virudupatti road lying within the limits of this district.

16. Of the total estimate of Rs. 2,40,940 for expenditure on public works, Rupees 2,29,600 relate to works under the control of the local fund Engineer and Rupees 11,340 to works under the supervision of miscellaneous agencies. The outlay on the former works up to the end of September 1897 amounted to Rs. 77,000 or 33·5 per cent. of the total allotment against 34·5 per cent. in the corresponding period of 1896–97.

17. *Grant 2, Education.*—The revised estimate under the district board is Rs. 450 less than the budget and that of the taluk boards Rs. 540 more. The former is due chiefly to the temporary vacancy of the office of carpentry Superintendent in the Technical Institute as explained in paragraph 13 above and to the appointment of a substitute on a lower rate of pay. The latter is spread over several items. The Tuticorin Taluk Board has opened a salary-result school at Eppoduvendram village in Ottappidáram taluk, and estimates the expenditure on that account at Rs. 270. Three teachers have been appointed, one on Rs. 9, one on Rs. 7 and the other on Rs. 5. The Tinnevelly Taluk Board has appointed an additional teacher on Rs. 9 to the Sivagiri school.

18. *Grant 3, Medical Services, Vaccination and Sanitation.*—The total deficiency of Rs. 530 under the revised estimate of the district board is due to the reduction in the amount of contributions payable to provincial services, with reference to the actuals of 1896–97 and to the decrease under the vaccine establishment in consequence of temporary vacancies. A sum of Rs. 170 is provided for the stipends of four midwifery pupils—*vide* G.O., Mis. No. 1995 L., dated 11th October 1897, and G.O., Mis. No. 2293 L., dated 26th November 1897. There is an increase of Rs. 2,760 over the budget estimate under taluk boards, the increase occurring chiefly under sanitation. For want of trained candidates, the dispensaries of Sivagiri and Melaviraraghavapuram were not provided with midwives as proposed in the budget. The Tuticorin Taluk Board provides a sum of Rs. 50 for house-rent compensation to the hospital assistant at Ottappidáram, pending completion of certain improvements to the quarters recently constructed. The Srívilliputtúr board raises the allotment under contribution to the Srívilliputtúr Municipality for medical services by Rs. 71, the percentage of contribution having been raised from a fourth to a third under G.O., Mis. No. 876 L., dated 10th May 1897. The Tinnevelly Taluk Board withdraws the contribution of Rs. 200 to the aided dispensary at Mélappálaiyam, Tinnevelly taluk, dealt with in G.O., memorandum No. 1240, dated 2nd December 1897. There is a net increase of Rs. 2,710 under sanitation, which is made up of the undermentioned items :—

	Rs.
(*a*) Water-supply	1,890
(*b*) Village-sites	640
(*c*) Scavenging establishment	110
(*d*) Fairs and festivals	240
(*e*) Other sanitary outlay	170
Total	2,710

The Tinnevelly Taluk Board entertained an additional maistry on Rs. 7 for Kilaviraraghavapuram Union, raised the pay of six sweepers one from Rs. 5 to Rs. 5½, one from Rs. 4 to Rs. 5, one from Rs. 3 to 5 and two from Rs. 2½ to Rs. 5 and abolished one on Rs. 2½—all in Sankaranayinárkóyil Union.

The causes of variations under other union items are shown in statement No. IX.

19. *Grant 4, Public and Charitable Institutions.*—The budget provision under this grant is raised by Rs. 660. The Tinnevelly Taluk Board allots Rs. 20 for the entertainment of two coolies for rearing trees on the site at Sivalapperi in which an annual cattle fair is held, while the Tuticorin Taluk Board provides Rs. 50 for employment of coolies for planting trees in the new market at Vallanad and payment of arrear salary to the cooly in the Srívaikuntam market. The last-mentioned taluk board has provided Rs. 250 for the survey of Komaneri village attached to Alwartirunagari Govindappaiyan chattram and Rs. 80 as an additional allotment for feeding charges in the Srívaikuntam Teppakulam chattram which was visited by a larger number of travellers than anticipated. The Tinnevelly Taluk Board raises by Rs. 50 each the charges for lighting the union of Sankaranayinárkóyil and the road between Palamcottah and Tinnevelly. The Tuticorin board proposes to establish a temporary water-pandal for two months in the Deputy Tahsildar's office at Kulasékarapatnam and to extend the period of a similar institution in the taluk cutcherry at Ottappidáram from four to seven months. The total cost on this account is estimated at Rs. 35.

20. *Grant 5, Supervision and Management.*—The revised estimate of the district board under this grant falls short of the budget by Rs. 530 and that of the taluk boards is Rs. 160 higher than the budget. The Tuticorin Taluk Board makes a provision of Rs. 30 for the entertainment of a temporary bill-collector in each of the unions of Tiruchendúr and Káyalpatnam where there is a large arrears of house-tax to be collected and the Sérmádévi board reduces the establishment charges by Rs. 300 in consequence of the establishment of the new unions of Kalakádu, Tirukkurungudi and Eruvadi having been entertained only in October last. The Tuticorin board raises the grant under law charges by Rs. 250 owing to increased expenditure in connection with the suit regarding the market at Arumuganeri. The taluk board has preferred a second appeal to the High Court against the decision of the District Court in the matter. The fluctuations under other items are explained in Statement No. IX.

21. The revised estimate closes with the undermentioned balance :—

—	District.	Taluk.	Union.	Total.

BUDGET ESTIMATE FOR 1898–99.

Receipts.

22. Excluding the opening balance, debt heads and allotments from one fund to another, the total receipts of the district for 1898–99 are estimated at Rs. 4,80,640 against Rs. 4,93,320, the revised estimate for 1897–98, and Rs. 5,01,017, the actuals of 1896–97.

23. The figures of the revised estimate are closely followed in all the items, except those explained below :—

(*a*) *Cess on Land.*—The figures furnished by the Treasury Deputy Collector are adopted.

(*b*) *Tolls.*—The average of the past five years is entered as the probable receipts from this source.

(*c*) *House-tax.*—The estimate is reduced by Rs. 1,130. In the revised estimate of 1897–98 the collection of large arrears had to be taken credit for, which is not the case now.

(*d*) *School Fees.*—The estimate is raised by Rs. 240 in anticipation of improvement in the strength of the existing schools.

Staging Bungalows.—The charges connected with the establishments of these institutions are shown under this grant instead of under Grant 4 as required in the Accountant-General's circular quoted in paragraph 8 *supra*.

Contributions.—The Tuticorin Taluk Board has provided a sum of Rs. 1,000 for payment of the balance of contribution promised to the Ettiyapuram estate for the erection of the dispensary building at Ettayapuram. A sum of Rs. 470 is shown under district board for payment to the District Board of Madura on account of the planting and maintenance of avenues, &c., on the portion of the Aruppukkóttai-Virudupatti road lying within the limits of this district.

16. Of the total estimate of Rs. 2,40,940 for expenditure on public works, Rupees 2,29,600 relate to works under the control of the local fund Engineer and Rupees 11,340 to works under the supervision of miscellaneous agencies. The outlay on the former works up to the end of September 1897 amounted to Rs. 77,000 or 33·5 per cent. of the total allotment against 34·5 per cent. in the corresponding period of 1896–97.

17. *Grant 2, Education.*—The revised estimate under the district board is Rs. 450 less than the budget and that of the taluk boards Rs. 540 more. The former is due chiefly to the temporary vacancy of the office of carpentry Superintendent in the Technical Institute as explained in paragraph 13 above and to the appointment of a substitute on a lower rate of pay. The latter is spread over several items. The Tuticorin Taluk Board has opened a salary-result school at Eppoduvendram village in Ottappidáram taluk, and estimates the expenditure on that account at Rs. 270. Three teachers have been appointed, one on Rs. 9, one on Rs. 7 and the other on Rs. 5. The Tinnevelly Taluk Board has appointed an additional teacher on Rs. 9 to the Sivagiri school.

18. *Grant 3, Medical Services, Vaccination and Sanitation.*—The total deficiency of Rs. 530 under the revised estimate of the district board is due to the reduction in the amount of contributions payable to provincial services, with reference to the actuals of 1896–97 and to the decrease under the vaccine establishment in consequence of temporary vacancies. A sum of Rs. 170 is provided for the stipends of four midwifery pupils—*vide* G.O., Mis. No. 1995 L., dated 11th October 1897, and G.O., Mis. No. 2293 L., dated 26th November 1897. There is an increase of Rs. 2,760 over the budget estimate under taluk boards, the increase occurring chiefly under sanitation. For want of trained candidates, the dispensaries of Sivagiri and Melaviraraghavapuram were not provided with midwives as proposed in the budget. The Tuticorin Taluk Board provides a sum of Rs. 50 for house-rent compensation to the hospital assistant at Ottappidáram, pending completion of certain improvements to the quarters recently constructed. The Srívilliputtúr board raises the allotment under contribution to the Srívilliputtúr Municipality for medical services by Rs. 71, the percentage of contribution having been raised from a fourth to a third under G.O., Mis. No. 876 L., dated 10th May 1897. The Tinnevelly Taluk Board withdraws the contribution of Rs. 200 to the aided dispensary at Mélappálaiyam, Tinnevelly taluk, dealt with in G.O., memorandum No. 1240, dated 2nd December 1897. There is a net increase of Rs. 2,710 under sanitation, which is made up of the undermentioned items :—

	Rs.
(*a*) Water-supply	1,890
(*b*) Village-sites	640
(*c*) Scavenging establishment	110
(*d*) Fairs and festivals	240
(*e*) Other sanitary outlay	170
Total ..	2,710

The Tinnevelly Taluk Board entertained an additional maistry on Rs. 7 for Kilaviraraghavapuram Union, raised the pay of six sweepers one from Rs. 5 to Rs. 5½, one from Rs. 4 to Rs. 5, one from Rs. 3 to 5 and two from Rs. 2½ to Rs. 5 and abolished one on Rs. 2½—all in Sankaranayinárkóyil Union.

The causes of variations under other union items are shown in statement No. IX.

19. *Grant 4, Public and Charitable Institutions.*—The budget provision under this grant is raised by Rs. 660. The Tinnevelly Taluk Board allots Rs. 20 for the entertainment of two coolies for rearing trees on the site at Sivalapperi in which an annual cattle fair is held, while the Tuticorin Taluk Board provides Rs. 50 for employment of coolies for planting trees in the new market at Vallanad and payment of arrear salary to the cooly in the Srívaikuntam market. The last-mentioned taluk board has provided Rs. 250 for the survey of Komaneri village attached to Alwartirunagari Govindappaiyan chattram and Rs. 80 as an additional allotment for feeding charges in the Srívaikuntam Teppakulam chattram which was visited by a larger number of travellers than anticipated. The Tinneveily Taluk Board raises by Rs. 50 each the charges for lighting the union of Sankaranayinárkóyil and the road between Palamcottah and Tinnevelly. The Tuticorin board proposes to establish a temporary water-pandal for two months in the Deputy Tahsildar's office at Kulasékarapatnam and to extend the period of a similar institution in the taluk cutcherry at Ottapidáram from four to seven months. The total cost on this account is estimated at Rs. 35.

20. *Grant 5, Supervision and Management.*—The revised estimate of the district board under this grant falls short of the budget by Rs. 530 and that of the taluk boards is Rs. 160 higher than the budget. The Tuticorin Taluk Board makes a provision of Rs. 30 for the entertainment of a temporary bill-collector in each of the unions of Tiruchendúr and Káyalpatnam where there is a large arrears of house-tax to be collected and the Sérmádévi board reduces the establishment charges by Rs. 300 in consequence of the establishment of the new unions of Kalakádu, Tirukkurungudi and Eruvadi having been entertained only in October last. The Tuticorin board raises the grant under law charges by Rs. 250 owing to increased expenditure in connection with the suit regarding the market at Arumuganeri. The taluk board has preferred a second appeal to the High Court against the decision of the District Court in the matter. The fluctuations under other items are explained in Statement No. IX.

21. The revised estimate closes with the undermentioned balance :—

Budget Estimate for 1898–99.

Receipts.

22. Excluding the opening balance, debt heads and allotments from one fund to another, the total receipts of the district for 1898–99 are estimated at Rs. 4,93,320, against Rs. 4,80,640 the revised estimate for 1897–98, and Rs. 5,01,017, the actuals of 1896–97.

23. The figures of the revised estimate are closely followed in all the items, except those explained below :—

(*a*) *Cess on Land.*—The figures furnished by the Treasury Deputy Collector are adopted.

(*b*) *Tolls.*—The average of the past five years is entered as the probable receipts from this source.

(*c*) *House-tax.*—The estimate is reduced by Rs. 1,130. In the revised estimate of 1897–98 the collection of large arrears had to be taken credit for, which is not the case now.

(*d*) *School Fees.*—The estimate is raised by Rs. 240 in anticipation of improvement in the strength of the existing schools.

(*e*) *Sale of Books.*—No income is estimated under this head. The board proposes to abolish the depôt from 1st April 1898, as it is found to be of little use, several private book depôts having been opened in several places, four of them existing at the district head-quarters.

(*f*) *Medical Contribution from Private Individuals.*—The actual amount promised is entered. In the revised estimate the collection of arrears was also included.

(*g*) *Market Rents.*—The Srívilliputtúr Taluk Board proposes to levy fees in the market at Solapuram, Srívilliputtúr taluk, and estimates the income at Rs. 40.

(*h*) *Fishery Rents.*—The estimate falls short of the revised estimate by Rupees 1,320. This is a fluctuating item depending on the character of the season.

(*i*) *Avenues.*—The estimate is based on the actuals of 1896–97.

(*j*) *Public Works—Contribution from Private Individuals.*—The increase of Rs. 1,290 under the taluk board is due to the contribution of Rs. 2,000 promised by the zamindar of Sivagiri towards the construction of a dispensary building at Sivagiri. The contribution of the moiety of the estimated amount for the construction of the Ettiyapuram-Vilatikulam road having been paid by the zamindar of Ettiyapuram, no credit is taken under the district board funds for any amount under this head.

(*k*) *Allotment from District Fund.*—A sum of Rs. 1,400 is provided under this head, Rs. 1,000 to the Tinnevelly and Rs. 400 to the Srívilliputtúr Taluk Boards to meet their deficit balances.

(*l*) *Sale of Government Promissory Notes.*—Rs. 3,000 are taken credit for under the head with a view to sell the notes standing in the name of Tenkási dispensary for the construction of a building for which necessary provision is made under Grant I—*vide* G.O., Mis. No. 109 L., dated 18th January 1897.

Charges.

24. *Grant 1, Public Works Charges.*—The total estimate under this grant amounts to Rs. 2,41,660 against Rs. 2,83,870 of the revised estimate and Rupees 2,53,628, the actuals of 1896–97. The details of works are shown in statements III-A — III-B.

25. *Original Works—Communications.*—A sum of Rs. 21,830 is provided under this head on account of the undermentioned works :—

		Rs.
(1)	Construction of a road from Ettiyapuram to Vilatikulam	4,300
(2)	„ „ between Sankaranayinárkóyil-Chintamani including masonry works	2,700

The taluk boards have estimated the expenditure under this head at Rupees 9,550—Rs. 6,000 for the construction and improvements of dispensary buildings, Rs. 2,500 for the improvements of chattram buildings and Rs. 450 for the erection of school houses.

Miscellaneous Public Improvements.—The estimate of Rs. 2,420 is proposed to be spent—Rs. 1,870 on improvements of markets, Rs. 200 for the construction of a bathing-ghaut and Rs. 350 on the erection of a masonry latrine.

26. *Repairs—Communications.*—The expenditure under this head is estimated at Rs. 1,49,460—Rs 1,39,045 for the annual upkeep of the roads and Rs. 10,415 for the execution of important renewals on seven miles of the district board roads and seven miles of the taluk board roads. The Tuticorin Taluk Board has allotted a lump sum of Rs. 330 for the repairs of village roads. The Srívilliputtúr and Sérmádévi Taluk Boards propose to repair one country track each not transferred to the Revenue

Department. A sum of Rs. 1,180 is provided for the re-gravelling of streets in unions. It is proposed to spend a total sum of Rs. 1,60,880 both on original works and repairs of communications. The net income from tolls is estimated at Rs. 57,360. The remainder, Rs. 1,03,520, represents the amount appropriated from land-cess, which is 81·8 per cent. of the prescribed minimum (half the land-cess) against 75·4 per cent. in the budget for 1897–98. The percentage of the minimum attained by each local board is shown below :—

	1897-98.	1898-99.
District Board	66·7	81·2
Tinnevelly Taluk Board	81·7	91·1
Tuticorin „	110·2	95·1
Sérmádévi „	66·1	65·8
Srívilliputtúr „	70·3	78·

Civil Buildings.—The provision of Rs. 1,060 under this head is for the white-washing of nineteen buildings (chattrams, schools and medical institutions), repairs of a school-house, two hospitals and three chattrams.

Miscellaneous Public Improvements.—The estimate of Rs. 6,700 under this head is proposed to be spent—Rs. 5,600 on the maintenance of avenues, Rs. 100 on the repairs of a bathing-ghaut and Rs. 1,000 for the repairs of the irrigation tank attached to the Alwartirunagari Govindappaiyan chattram.

27. *Establishment.*—A sum of Rs. 180 is provided for the annual increment of salary of the Local Fund Engineer, who will complete his second year of service in June 1898, and Rs. 180 for the tentage of the same officer sanctioned in G.O., Mis. No. 2287 L., dated 25th November 1897.

28. *Contribution.*—A provision of Rs. 60 is made towards the contribution payable to the Madura District Board for the maintenance and the charges connected with the upkeep of avenues of the portion of the Aruppukóttai-Virudupatti road lying within the limits of this district.

29. *Unforeseen charges.*—A total sum of Rs. 2,600—Rs. 2,000 under district board and Rs. 600 under taluk boards—is estimated for unforeseen charges connected with roads, such as flood-damages, &c.

30. In other respects the budget follows the revised estimate.

31. *Grant 2, Education—Inspection.*—There is no change under this head.

32. *Training Schools.*—In view of securing the services of a drawing master with higher technical qualifications, the salary of that post is proposed to be raised from Rs. 20 to Rs. 30. In the industrial branch of the board technical institute, the services of a store-keeper is found absolutely necessary. But for want of funds, the board has decided to make one of the two peons of the institution attend as a temporary measure to the duty of store-keeper in addition to his own, and to remunerate him by raising his pay from Rs. 6 to Rs. 8.

33. *Sessional Schools.*—The three sessional schools opened in the three ranges of the Sub-Assistant Inspectors of schools are now conducted for three months each by temporary teachers on Rs. 25 entertained at the time of opening them. The inspector of schools recommends the employment of a permanent teacher to these schools to work in rotation all the year round, and states that the system is found to work well in districts where it has been introduced. The district board accordingly proposes to employ a permanent teacher on Rs. 20. The change involves an additional expenditure of Rs. 15 per annum.

34. The Sérmádévi Taluk Board proposes to entertain an additional teacher on Rs. 15 for the lower secondary school at Nángunéri. The Srívilliputtúr Taluk Board has estimated for the opening of a Panchama school with a teacher on Rs. 7 and abolished the schools at Erichanattam and Vembakóttai. The school at Thuppakkudi under the Sérmádévi Taluk Board is also proposed to be abolished.

35. The total expenditure under this grant is placed at Rs. 56,680, while the receipts are estimated at Rs. 9,390, leaving a net cost to local boards of Rs. 47,290, or 18·7 of land-cess, against 18·5 in the budget of 1897–98.

36. *Result Grants.*—The figures of the revised estimate have been adopted.

37. *Grant 3, Medical Services—Vaccination and Sanitation.*—The total estimate under this grant amounts to Rs. 1,17,370 against Rs. 1,17,020 in the revised estimate.

38. Under medical institutions, there is a net increase of Rs. 510 over the revised estimate, chiefly in consequence of the graded promotion to the medical subordinate at Tiruchendúr and to the compounders of Tenkási and Ettiyapuram dispensaries. The provision for the midwife in Melaviraraghavapuram dispensary has been omitted, as there are midwives readily available in the hospitals of Tinnevelly and Palamcottah Municipalities, which are close to Melaviraraghavapuram, while the pay of the Sivagiri midwife is proposed to be raised from Rs. 11 to Rs. 14. Provision is made under district board for the entertainment of a sweeper on Re. 1 for the Lady Dufferin female dispensary and to raise by As. 8 the pay of the water-woman of that institution. The estimate for medicines and surgical instruments is raised by Rupees 450 over the revised estimate.

39. *Vaccination.*—The work of the vaccine establishment under the present batch system has been found to be unsatisfactory. With the concurrence of the opinion of the District Medical and Sanitary Officer and the Inspector of vaccination, the district board proposes to abolish the batch system and put each vaccinator in independent charge of a division. Under this arrangement, the number of vaccinators has to be raised from 37 to 43. To make up the extra number, it is proposed to entertain two first-class vaccinators on Rs. 15 each and four probationary vaccinators on Rs. 7 each with a fixed travelling allowance of Rs. 3 each. Vaccine lymph will be obtained from the Bangalore depôt of the Mysore Darbar, as sanctioned in G.O., Nos. 1905, 1905-A L., dated 5th October 1897, so that the services of calf peons and the hiring of calves for inoculation will be no longer necessary. The expenditure under the present and the proposed arrangements is compared below :—

Present.	Rs.
3 first-class vaccinators on Rs. 18 each.	
4 „ „ on „ 15 „	
15 second-class „ on „ 10 „

The proposed system, besides resulting in a saving of Rs. 934 as shown above, will, it is believed, work more satisfactorily.

40. *Sanitation.*—The estimate under water-supply works is reduced by Rupees 1,960 below the revised estimate as scarcity of water is not anticipated, and that under village-site by Rs. 740 in consequence of the establishment of unions in important villages. The Srívilliputtúr Taluk Board has abolished the system of itinerating gangs in both the taluks of Srívilliputtúr and Sáttúr as the system proved a failure. The allotment under scavengering establishment is raised by Rs. 1,840 over the revised estimate. The Tinnevelly Taluk Board proposes the entertainment of an additional maistry on Rs. 6 to the Union of Sivagiri, provides for three additional sweepers, two on Rs. 5 and one on Rs. 4-8-0, for three unions and abolishes a sanitary peon on Rs. 5 in one of those unions. The Tuticorin Taluk Board proposes the entertainment of a maistry on Rs. 7, a sanitary peon on Rs. 5 and three sweepers on Rs. 4 each, and the raising of the pay of two maistries, one from Rs. 6 to Rs. 7 and the other from Rs. 7 to Rs. 8 and of four sweepers from Rs. 4 to Rs. 5 each in four unions. The Sérmádévi Taluk Board increases the pay of two maistries, one

from Rs. 7 to Rs. 9 and the other from Rs. 6 to Rs. 7, and of a scavenger from Rs. 5 to Rs. 6. It also provides for the entertainment of four additional sweepers on Rs. 5 each. The pay of two scavengers is reduced from Rs. 6 to Rs. 5 and a sweeper on Rs. 5 is removed. These changes are proposed in connection with seven unions. The same board recommends the entertainment of an additional sweeper on Rs. 5 to each of the non-union villages of Valliyur and Panagudi and three sweepers on Rs. 5 each for the first time to three similar villages (1) Vadakkankulam, (2) Mulaikaraipatti and (3) Vijianarayanam, all the five villages belonging to the Nángunéri taluk. Under the Srívilliputtúr Taluk Board the pay of two maistries is proposed to be raised, one from Rs. 6 to Rs. 6-8-0 and the other from Rs. 6 to Rs. 7, that of three sanitary peons from Rs. 5-8-0 to Rs. 6, and that of twelve sweepers, two from Rs. 4-8-0 to Rs. 5 and ten from Rs. 4-4-0 to Rs. 4-8-0. The entertainment of seven scavengers, five on Rs. 4 each and two on Rs. 4-8-0 each, and of two sweepers on Rs. 5 each is also recommended as additional establishments. One sweeper on Rs. 4-8-0 is removed. These changes are proposed in connection with five unions. The same taluk board proposes to bring under conservancy the non-union villages of (1) Mangalam, (2) Rajakularaman, (3) Sivandipatti, (4) Samsikapuram in the taluk of Srívilliputtúr by appointing a sweeper to each of the villages except Sivandipatti for which two sweepers are recommended.

41. *Contributions to Private Individuals.*—Rs. 100 is provided under the Tinnevelly Taluk Board towards the grant to the aided dispensary at Melapalayam—*vide* Government memorandum No. 1240, dated 2nd December 1897, subject to the approval of the taluk board.

42. The Tinnevelly and Srívilliputtúr Taluk Boards have provided Rs. 200 each under unforeseen charges on account of epidemics, &c.

43. The last-mentioned board has also estimated Rs. 120 for a consolidated monthly travelling allowance of Rs. 5 to each of the two sanitary maistries in its employ.

44. The sweepers employed for removing rubbish from streets and lanes remove also fæcal matter. No separate establishment is employed for the latter purpose and the establishments are supervised by the chairmen in unions and in non-union villages by the taluk revenue officials.

45. *Grant 4, Market establishment.*—There is an increase of Rs. 30 due to the retention of the gardener of Satankulam throughout the year instead of six months in 1897-98. A sum of Rs. 500 is allotted by the Tinnevelly Taluk Board from the surplus of the Sankaranayinárkóyil, &c., markets for a feeder road between Sankaranayinárkóyil and Chintamani in course of construction; and Rs. 400 by the Tuticorin Taluk Board from the surplus of the Kayatar market towards the upkeep of the Kayatar-Kadambur road, Ottapidáram taluk.

46. *Choultries.*—The increase of Rs. 30 under establishment is owing to the provision for a toti on Rs. 2 for the chattram at Gengaikondan and to the increase of 8 annas in the salary of tandalgar of the Alwartirunagari Govindappaiyan chattram.

47. *Lighting Charges.*—The Tuticorin Taluk Board raises the revised estimate by Rs. 50 on account of increased provision made far the Kulasékarapatnam Union.

48. *Grant 5.*—The Tinnevelly Taluk Board provides for a taluk gumasta for the Tinnevelly taluk on Rs. 15 with a pensionary contribution. The Tuticorin board raises the pay of the union clerk of Kulasékarapatnam from Rs. 10 to Rs. 12, the rate prevailing in most of the unions and the Srívilliputtúr board proposes an increment of Re. 1 from Rs. 9 to Rs. 10 in the pay of the clerks of the unions of Sáttúr and Watrap.

49. The estimate under other items, such as law charges, subscriptions to usual periodicals, &c., closely follow the revised estimate, except that the district board proposes to subscribe newly for the periodical Vivekachintamani for the use of the board technical institute.

50. *Loans and Interests.*—Provision is made for the repayment of the tenth and the last instalment with interest to the Ettiyapuram estate.

Provident Fund.—Bonus and interest are calculated as usual on the subscriptions and the principal of the preceding year respectively.

51. *Allotment from district funds.*—A sum of Rs. 1,400 is provided to meet the deficit balances of the Tinnevelly and Srívilliputtúr Taluk Boards, Rs. 1,000 for the former and Rs. 400 for the latter.

52. *Recommendations of the Surgeon-General regarding medical service—Lady Dufferin female dispensary.*—Steps are being taken for the acquisition of a site between Palamcottah and Tinnevelly for the erection of a suitable building.

The recommendations regarding the institutions under the taluk boards have been attended to as far as practicable, but the local boards not having yet reached the minimum fixed by Government for expenditure on communications, it is not possible to carry out the recommendations at once.

53. The budget closes with the following balance :—

The district board's resolution sanctioning the budget and the revised estimates and the proposition statement together with the map of the district are enclosed.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 7th January 1898, No. 127.

With reference to the educational portion of the budget estimate of the Tinnevelly District Board for 1898–99, I have the honour to state that the provision made therein under the several heads, except that under result grants, is sufficient and may be accepted. As the net expenditure on education proposed by the board is Rupees 47,290 (56,680—9,390), which is 18·7 per cent. of the estimated income from land-cess, the allotment under result grants should be increased to Rs. 22,000, with reference to the actuals of 1896–97.

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 14th January 1898, No. 29.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the District Board, Tinnevelly, for the maintenance of the dispensaries for the year 1898–99, is adequate.

2. The proposal of the board (1) to entertain a sweeper on Re. 1 per mensem for the Lady Dufferin dispensary, (2) to increase the pay of the water-woman of that institution by As. 8, and (3) to omit the provision for the midwife in Melaviraraghavapuram dispensary meets with my approval.

3. A sum of Rs. 6,850 is provided to meet the recommendations of the District Medical and Sanitary Officer. Of this amount, Rs. 4,000 are proposed to be spent for the construction of new dispensaries at Sivagiri and Tenkási, Rs. 1,000 for the construction of quarters to the hospital assistant of Trichendur, and the remaining amount for the improvement and repairs of hospitals and dispensaries. His other suggestions regarding the construction of new buildings for the Lady Dufferin Female dispensary, Palamcottah, Melaviraraghavapuram and Veerakeralampudur dispensaries and the additions, alterations and equipment for the institutions at Ettiyapuram, Srivaikuntham and Tirukurangudi remain uncomplied with and should be taken in hand as soon as funds permit.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government. Local and Municipal Department, dated Fort St. George, 3rd February 1898, No. 246-S.

I have the honour to state that the Tinnevelly District Board estimates its expenditure on vaccination and sanitation during 1898–99 at Rs. 10,090 and Rupees 63,410, respectively, against Rs. 11,180 and Rs. 60,360 provided in the current year's budget. The decrease under the former head occurs principally under contingencies, and is due to the board having resolved to take its supply of lymph from the Bangalore Vaccine Institute. The sanitary outlay is about 13 per cent. of the estimated current receipts. There is but a single Sanitary Inspector in the employ of the district board. In view of the constant outbreaks of cholera which mark this district, I would advise the employment of one for each revenue taluk.

2. Under Grant 3, no sum is provided for combating cholera or plague. I would advise that a due proportion of the revenue be set apart for this purpose.

ORDER—No. 255 L., dated 11th February 1898.

The estimated local fund receipts and charges of the Tinnevelly district for 1898–99, as passed by Government, are compared below with the budget and revised estimates for the year 1897–98 and the actuals of 1896–97 :—

Revised Estimate for 1897–98.

2. The current receipts and charges are now estimated at Rs. 5,04,360 and Rs. 5,45,330, respectively, against Rs. 4,94,190 and Rs. 4,93,030 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under house tax, medical contributions from private individuals and miscellaneous debt accounts and that in the charges under Grants 1 and 3 and miscellaneous debt accounts. The additions to the educational, market and water-pandal establishments, referred to in paragraphs 17 and 19 of the President's letter, are sanctioned. Under contribution to Provincial services for the medical college, sanitary inspection and medical reserve staff, the current year's budget estimates should have been repeated instead of the actuals of 1896–97. The establishment of the markets at Sivalapperi and Vallanad, referred to in paragraph 19, is approved. The closing balance to be carried forward to the ensuing year's budget will be Rs. 96,330—Rs. 36,940 under District and Rs. 59,390 under Taluk Funds.

Budget Estimate for 1898–99.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 4,88,250 against Rs. 5,04,360 in the revised estimate, the decrease being chiefly under land-cess, tolls, medical contributions from private individuals and miscellaneous debt accounts. The proposal of the Srívilliputtúr Taluk Board to establish a market at Solapuram and to levy fees therein is approved.

4. *Charges.*—(1) The probable charges are put down at Rs. 4,97,260 against Rs. 5,45,750 in the revised estimate, the decrease appearing mainly under Grant 1 and miscellaneous debt accounts.

(2) *Grant 1.*—The total allotment for communications is 93 per cent. of the minimum prescribed by Government against 88 per cent. in the current year. Every endeavour should be made to increase this further. With reference to G.O., No. 38 L., dated 6th January 1898, a sum of Rs. 1,150 will be provided as contribution to the Public Works department for the scrutiny of Local Fund plans and estimates.

(3) *Grant 2.*—The additions to and alterations in the educational establishments referred to in paragraphs 32 to 34 of the President's letter, are sanctioned. The Director's suggestion to raise the allotment for result grants will be referred to the local boards for consideration.

(4) *Grant 3.*—The addition to and alterations in the medical establishments, proposed in paragraph 33, are sanctioned. The additions to and alterations in the vaccination and conservancy establishments proposed in paragraphs 39 and 40, respectively, are sanctioned. The attention of the taluk boards is drawn to the recommendations of the Sanitary Commissioner in paragraphs 1 and 2 of his letter read above.

(5) *Grant 4.*—The addition to and alteration in the market and choultry establishments, referred to in paragraphs 45 and 46, are sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the contribution for controlling establishments at the Presidency will be reduced from Rs. 4,570 to Rs. 4,290. The proposal of the Tinnevelly Taluk Board to entertain a gumastah on Rs. 15, with the usual pensionary contribution, in the taluk office at Tinnevelly, is approved. The necessary orders for his entertainment will be passed in the Revenue department.

5. *Balance.*—The budget as revised by Government closes with a balance of Rs. 86,450. Of this sum, however, Rs. 1,290 appertain to Ferry funds, Rs. 16,820 to the Provident fund, Rs. 8,850 to Union funds, Rs. 32,050 to endowed institutions and Rs. 8,870 to deposits, leaving Rs. 18,570 or 5 per cent. of the receipts available for general purposes. The President is requested to state why no proposals have been submitted for investing the large balance in favour of the Provident fund as required in paragraph 5 of G.O., No. 294 L., dated 13th February 1897.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From R. B. CLEGG, Esq., President, District Board, Tinnevelly, to the Secretary to Government, Local and Municipal Department, dated 8th December 1897, No .

I have the honour to submit, for the sanction of Government, the consolidated Local fund budget for 1898–99, together with the prescribed subsidiary statements and the revised estimate for 1897–98.

REVISED ESTIMATE OF 1897–98.

Receipts.

2. Including the opening balance, the total receipts amount to Rs. 6,42,080 against the budget estimate of Rs. 5,78,300, the increase of Rs. 63,780 occurring chiefly under the heads of (1) opening balance, (2) house-tax, (3) contributions from private individuals for medical institutions, (4) fees and fines, (5) fishery rents and (6) avenues. The causes of the variations are explained under the respective heads.

3. *Opening balance.*—There is an increase of Rs. 53,610 over the budget estimate which is owing to short expenditure in the preceding year, chiefly under public works, 46,278 and sanitation 5,841 as explained in paragraphs 19 and 38 of the administration report of that year reviewed in G.O., No. 1947 L., dated 8th October 1897.

4. *Tolls.*—The decrease of Rs. 2,810 is due to want of competition.

5. *House-tax.*—The revised estimate exceeds the budget by Rs. 2,790, owing to the general revision of the tax in the majority of unions, and the collection of large arrears in Tiruchendúr and Káyalpatnam unions.

6. *Education Contribution from Municipalities.*—The Srívilliputtúr Taluk Board takes credit for a sum of Rs. 30 on account of the services of the circle gymnastic instructor lent for the schools in the Srívilliputtúr Municipality.

7. *Medical Contributions from Private Individuals.*—The collection from the estates of Uttumalai and Sivagiri, of arrears of contributions towards the upkeep of the medical institutions at Virakeralampudur and Sivagiri, accounts for the increase of Rs. 3,400 under this head.

8. *Bungalow Fees.*—The income from this source is shown under "Public works receipts—miscellaneous" as required by the Accountant-General in his circular No. 8, dated 6th November 1897.

9. *Fees and Fines.*—The budget estimate is raised by Rs. 970 owing to larger collections chiefly in the annual fairs at Sankaranayinárkóyil and Sivalaperi under the Tinnevelly Taluk Board.

10. *Fishery Rents.*—The increase of Rs. 1,400 under this head is attributed to the favourable character of the season.

11. *Avenues.*—The Sérmádévi Taluk Board has raised the estimate by Rs. 1,300 with reference to the receipts of the previous year and the actuals of the first six months of the current year.

12. *Public Works Contributions by Private Individuals.*—The contribution of Rs. 2,000 expected from the Sivagiri estate for the construction of the dispensary building will not be realized during the year, as the work is not likely to be put in hand now. A sum of Rs. 860 not taken credit for in the budget was, however, collected, Rs. 695 for the erection of two salary-result schools and Rs. 165 for a culvert on the Ambúr-Pápanásam road for irrigation purposes.

13. *Education contribution from Provincial funds.*—A half-grant was anticipated for the whole year in favour of the Superintendent of the industrial class (Mr. E. Newman), of the Board Technical Institute, but he left in February 1897. A similar grant was estimated for the purchase of certain implements for the industrial class but these are not likely to be purchased within the year. Hence the budget estimate is reduced by Rs. 540.

14. The other fluctuations which are of a trifling nature are explained in the remarks column of statement No. IX.

Charges.

15. *Grant 1, Public Works.*—Out of the total budget grant for public works, a sum of Rs. 5,000 was surrendered by the Engineer from the provision of Rs. 14,000 for the construction of the Local fund office and the remainder was enhanced by Rs. 47,670 by subsequent allotments from the balance on account of incomplete and uncommenced works of the preceding year and the works sanctioned during the year.

Original Works—Communications.—The increased provision of Rs. 13,250 under this head is chiefly made up of the allotments sanctioned for the construction of masonry works connected with roads and toll-sheds (Rs. 6,930), two village roads (Rs. 1,094) and the gravelling of streets in unions (Rs. 5,038).

Civil Buildings.—The subsequent allotments include the sum of Rs. 1,331 provided for improvements in the dispensaries at Ottappidáram and Tiruchendúr, for the erection of additional rooms in the rest-house at Vagaikulam Rs. 715 and for union offices at Kalladakurichi and Sivakási Rs. 2,284.

Miscellaneous Public Improvements.—The budget grant was raised by Rs. 7,560 by subsequent allotments for the improvement of certain markets, chattram irrigation works and a drinking-water tank, and the erection of a bathing ghaut.

Repairs—Communications.—The revised estimate is higher than the budget by Rs. 19,120, Rs. 6,300 under taluk boards and Rs. 12,820 under district board. The former includes the allotment of Rs. 5,310 for the repairs of damages caused by the flood of December 1895, and Rs. 475 the grant sanctioned for the upkeep of the completed portion of the Sankaranayinárkóyil-Chintamani road and the new road constructed between the Virudupatti railway station and Kanniseri, while the latter is made up of the sum of Rs. 1,125 provided under additional maintenance grant, Rs. 2,739 for the repairs of flood damages Rs. 7 686 on account of renewals of roads, both under incomplete works of the preceding year and the works sanctioned during the year, and Rs. 589 the arrears due to contractors and mile coolies for works executed in the previous year (1896–97). The Tuticorin Taluk Board does not consider it necessary to maintain the undermentioned village roads in the year: —

		Miles.	Maintenance grant.
Srívaikuntam taluk—			Rs.
(1) Road from Arumugamangalam to Maramangalam ..		1	30
(2) Do. road No. XXIII *c* to Valavallam		1½	60
(3) Do. Srívaikuntam to Vagaikulam		3	150
(4) Do. Korkai to Palayakayal *viâ* Korangani ..		2¼	90

A sum of Rs. 845 is provided under district board for unforeseen expenditure on account of floods, &c.

Civil Buildings.—The increase of Rs. 2,150 under this head is due to subsequent allotments for repairs of chattrams and dispensary buildings.

Miscellaneous Public Improvements.—The Sérmádévi Taluk Board has raised the budget estimate by Rs. 1,610 for the repairs of chattram irrigation tanks and drinking-water ponds.

Staging Bungalows.—The charges connected with the establishments of these institutions are shown under this grant instead of under Grant IV as required in the Accountant-General's circular quoted in paragraph 8 *supra*.

Contributions.—The Tuticorin Taluk Board has provided a sum of Rs. 1,000 for payment of the balance of contribution promised to the Ettiyapuram estate for the erection of the dispensary building at Ettayapuram. A sum of Rs. 470 is shown under district board for payment to the District Board of Madura on account of the planting and maintenance of avenues, &c., on the portion of the Aruppukkóttai-Virudupatti road lying within the limits of this district.

16. Of the total estimate of Rs. 2,40,940 for expenditure on public works, Rupees 2,29,600 relate to works under the control of the local fund Engineer and Rupees 11,340 to works under the supervision of miscellaneous agencies. The outlay on the former works up to the end of September 1897 amounted to Rs. 77,000 or 33·5 per cent. of the total allotment against 34·5 per cent. in the corresponding period of 1896–97.

17. *Grant 2, Education.*—The revised estimate under the district board is Rs. 450 less than the budget and that of the taluk boards Rs. 540 more. The former is due chiefly to the temporary vacancy of the office of carpentry Superintendent in the Technical Institute as explained in paragraph 13 above and to the appointment of a substitute on a lower rate of pay. The latter is spread over several items. The Tuticorin Taluk Board has opened a salary-result school at Eppoduvendram village in Ottappidáram taluk, and estimates the expenditure on that account at Rs. 270. Three teachers have been appointed, one on Rs. 9, one on Rs. 7 and the other on Rs. 5. The Tinnevelly Taluk Board has appointed an additional teacher on Rs. 9 to the Sivagiri school.

18. *Grant 3, Medical Services, Vaccination and Sanitation.*—The total deficiency of Rs. 530 under the revised estimate of the district board is due to the reduction in the amount of contributions payable to provincial services, with reference to the actuals of 1896–97 and to the decrease under the vaccine establishment in consequence of temporary vacancies. A sum of Rs. 170 is provided for the stipends of four midwifery pupils—*vide* G.O., Mis. No. 1995 L., dated 11th October 1897, and G.O., Mis. No. 2293 L., dated 26th November 1897. There is an increase of Rs. 2,760 over the budget estimate under taluk boards, the increase occurring chiefly under sanitation. For want of trained candidates, the dispensaries of Sivagiri and Melaviraraghavapuram were not provided with midwives as proposed in the budget. The Tuticorin Taluk Board provides a sum of Rs. 50 for house-rent compensation to the hospital assistant at Ottappidáram, pending completion of certain improvements to the quarters recently constructed. The Srívilliputtúr board raises the allotment under contribution to the Srívilliputtúr Municipality for medical services by Rs. 71, the percentage of contribution having been raised from a fourth to a third under G.O., Mis. No. 876 L., dated 10th May 1897. The Tinnevelly Taluk Board withdraws the contribution of Rs. 200 to the aided dispensary at Mélappálaiyam, Tinnevelly taluk, dealt with in G.O., memorandum No. 1240, dated 2nd December 1897. There is a net increase of Rs. 2,710 under sanitation, which is made up of the undermentioned items:—

	Rs.
(*a*) Water-supply	1,890
(*b*) Village-sites	640
(*c*) Scavenging establishment	110
(*d*) Fairs and festivals	240
(*e*) Other sanitary outlay	170
Total	2,710

The Tinnevelly Taluk Board entertained an additional maistry on Rs. 7 for Kilaveraraghavapuram Union, raised the pay of six sweepers one from Rs. 5 to Rs. 5½, one from Rs. 4 to Rs. 5, one from Rs. 3 to 5 and two from Rs. 2½ to Rs. 5 and abolished one on Rs. 2½—all in Sankaranayinárkóyil union.

The causes of variations under other union items are shown in statement No. IX.

19. *Grant 4, Public and Charitable Institutions.*—The budget provision under this grant is raised by Rs. 660. The Tinnevelly Taluk Board allots Rs. 20 for the entertainment of two coolies for rearing trees on the site at Sivalapperi in which an annual cattle fair is held, while the Tuticorin Taluk Board provides Rs. 50 for employment of coolies for planting trees in the new market at Vallanad and payment of arrear salary to the cooly in the Srívaikuntam market. The last-mentioned taluk board has provided Rs. 250 for the survey of Komaneri village attached to Alwartirunagari Govindappaiyan chattram and Rs. 80 as an additional allotment for feeding charges in the Srivaikuntam Teppakulam chattram which was visited by a larger number of travellers than anticipated. The Tinnevelly Taluk Board raises by Rs. 50 each the charges for lighting the union of Sankaranayinárkóyil and the road between Palamcottah and Tinnevelly. The Tuticorin board proposes to establish a temporary water-pandal for two months in the Deputy Tahsildar's office at Kulasékarapatnam and to extend the period of a similar institution in the taluk cutcherry at Ottápidaram from four to seven months. The total cost on this account is estimated at Rs. 35.

20. *Grant 5, Supervision and Management.*—The revised estimate of the district board under this grant falls short of the budget by Rs. 530 and that of the taluk boards is Rs. 160 higher than the budget. The Tuticorin Taluk Board makes a provision of Rs. 30 for the entertainment of a temporary bill-collector in each of the unions of Tiruchendúr and Káyalpatnam where there is a large arrears of house-tax to be collected and the Sérmádévi board reduces the establishment charges by Rs. 300 in consequence of the establishment of the new unions of Kalakádu, Tirukkurungudi and Eruvadi having been entertained only in October last. The Tuticorin board raises the grant under law charges by Rs. 250 owing to increased expenditure in connection with the suit regarding the market at Arumuganeri. The taluk board has preferred a second appeal to the High Court against the decision of the District Court in the matter. The fluctuations under other items are explained in Statement No. IX.

21. The revised estimate closes with the undermentioned balance:—

Budget Estimate for 1898–99.

Receipts.

22. Excluding the opening balance, debt heads and allotments from one fund to another, the total receipts of the district for 1898–99 are estimated at Rs. 4,80,640 against Rs. 4,93,320, the revised estimate for 1897–98, and Rs. 5,01,017, the actuals of 1896–97.

23. The figures of the revised estimate are closely followed in all the items, except those explained below:—

(*a*) *Cess on Land.*—The figures furnished by the Treasury Deputy Collector are adopted.

(*b*) *Tolls.*—The average of the past five years is entered as the probable receipts from this source.

(*c*) *House-tax.*—The estimate is reduced by Rs. 1,130. In the revised estimate of 1897–98 the collection of large arrears had to be taken credit for, which is not the case now.

(*d*) *School Fees.*—The estimate is raised by Rs. 240 in anticipation of improvement in the strength of the existing schools.

(*e*) *Sale of Books.*—No income is estimated under this head. The board proposes to abolish the depôt from 1st April 1898, as it is found to be of little use, several private book depôts having been opened in several places, four of them existing at the district head-quarters.

(*f*) *Medical Contribution from Private Individuals.*—The actual amount promised is entered. In the revised estimate the collection of arrears was also included.

(*g*) *Market Rents.*—The Srívilliputtúr Taluk Board proposes to levy fees in the market at Solapuram, Srívilliputtúr taluk, and estimates the income at Rs. 40.

(*h*) *Fishery Rents.*—The estimate falls short of the revised estimate by Rupees 1,320. This is a fluctuating item depending on the character of the season.

(*i*) *Avenues.*—The estimate is based on the actuals of 1896–97.

(*j*) *Public Works—Contribution from Private Individuals.*—The increase of Rs. 1,290 under the taluk board is due to the contribution of Rs. 2,000 promised by the zamindar of Sivagiri towards the construction of a dispensary building at Sivagiri. The contribution of the moiety of the estimated amount for the construction of the Ettiyapuram-Vilatikulam road having been paid by the zamindar of Ettiyapuram, no credit is taken under the district board funds for any amount under this head.

(*k*) *Allotment from District Fund.*—A sum of Rs. 1,400 is provided under this head, Rs. 1,000 to the Tinnevelly and Rs. 400 to the Srívilliputtúr Taluk Boards to meet their deficit balances.

(*l*) *Sale of Government Promissory Notes.*—Rs. 3,000 are taken credit for under the head with a view to sell the notes standing in the name of Tenkási dispensary for the construction of a building for which necessary provision is made under Grant 1—*vide* G.O., Mis. No. 109 L., dated 18th January 1897.

Charges.

24. *Grant 1, Public Works Charges.*—The total estimate under this grant amounts to Rs. 2,41,660 against Rs. 2,83,870 of the revised estimate and Rupees 2,53,628, the actuals of 1896–97. The details of works are shown in statements III-A — III-B.

Miscellaneous Public Improvements.—The estimate of Rs. 2,420 is proposed to be spent—Rs. 1,870 on improvements of markets, Rs. 200 for the construction of a bathing-ghaut and Rs. 350 on the erection of a masonry latrine.

26. *Repairs—Communications.*—The expenditure under this head is estimated at Rs. 1,49,460—Rs 1,39,045 for the annual upkeep of the roads and Rs. 10,415 for the execution of important renewals on seven miles of the district board roads and seven miles of the taluk board roads. The Tuticorin Taluk Board has allotted a lump sum of Rs. 330 for the repairs of village roads. The Srívilliputtúr and Sérmádévi Taluk Boards propose to repair one country track each not transferred to the Revenue

Department. A sum of Rs. 1,180 is provided for the re-gravelling of streets in unions. It is proposed to spend a total sum of Rs. 1,60,880 both on original works and repairs of communications. The net income from tolls is estimated at Rs. 57,360. The remainder, Rs. 1,03,520, represents the amount appropriated from land-cess, which is 81·8 per cent. of the prescribed minimum (half the land-cess) against 75·4 per cent. in the budget for 1897–98. The percentage of the minimum attained by each local board is shown below :—

Srívilliputtúr „	70·3	78·

Civil Buildings.—The provision of Rs. 1,060 under this head is for the white-washing of nineteen buildings (chattrams, schools and medical institutions), repairs of a school-house, two hospitals and three chattrams.

Miscellaneous Public Improvements.—The estimate of Rs. 6,700 under this head is proposed to be spent—Rs. 5,600 on the maintenance of avenues, Rs. 100 on the repairs of a bathing-ghaut and Rs. 1,000 for the repairs of the irrigation tank attached to the Alwartirunagari Govindappaiyan chattram.

27. *Establishment.*—A sum of Rs. 180 is provided for the annual increment of salary of the Local Fund Engineer, who will complete his second year of service in June 1898, and Rs. 180 for the tentage of the same officer sanctioned in G.O., Mis. No. 2287 L., dated 25th November 1897.

28. *Contribution.*—A provision of Rs. 60 is made towards the contribution payable to the Madura District Board for the maintenance and the charges connected with the upkeep of avenues of the portion of the Aruppukóttai-Virudupatti road lying within the limits of this district.

29. *Unforeseen charges.*—A total sum of Rs. 2,600—Rs. 2,000 under district board and Rs. 600 under taluk boards—is estimated for unforeseen charges connected with roads, such as flood-damages, &c.

30. In other respects, the budget follows the revised estimate.

31. *Grant 2, Education—Inspection.*—There is no change under this head.

32. *Training Schools.*—In view of securing the services of a drawing master with higher technical qualifications, the salary of that post is proposed to be raised from Rs. 20 to Rs. 30. In the industrial branch of the board technical institute, the services of a store-keeper is found absolutely necessary. But for want of funds, the board has decided to make one of the two peons of the institution attend as a temporary measure to the duty of store-keeper in addition to his own, and to remunerate him by raising his pay from Rs. 6 to Rs. 8.

33. *Sessional Schools.*—The three sessional schools opened in the three ranges of the Sub-Assistant Inspectors of schools are now conducted for three months each by temporary teachers on Rs. 25 entertained at the time of opening them. The inspector of schools recommends the employment of a permanent teacher to these schools to work in rotation all the year round, and states that the system is found to work well in districts where it has been introduced. The district board accordingly proposes to employ a permanent teacher on Rs. 20. The change involves an additional expenditure of Rs. 15 per annum.

34. The Sérmádévi Taluk Board proposes to entertain an additional teacher on Rs. 15 for the lower secondary school at Nángunéri. The Srívilliputtúr Taluk Board has estimated for the opening of a Panchama school with a teacher on Rs. 7 and abolished the schools at Érichanattam and Vembakóttai. The school at Thuppakkudi under the Sérmádévi Taluk Board is also proposed to be abolished.

35. The total expenditure under this grant is placed at Rs. 56,680, while the receipts are estimated at Rs. 9,390, leaving a net cost to local boards of Rs. 47,290, or 18·7 of land-cess, against 18·5 in the budget of 1897–98.

36. *Results Grants.*—The figures of the revised estimate have been adopted.

37. *Grant 3, Medical Services—Vaccination and Sanitation.*—The total estimate under this grant amounts to Rs. 1,17,370 against Rs. 1,17,020 in the revised estimate.

38. Under medical institutions, there is a net increase of Rs. 510 over the revised estimate, chiefly in consequence of the graded promotion to the medical subordinate at Tiruchendúr and to the compounders of Tenkási and Ettiyapuram dispensaries. The provision for the midwife in Melaviraraghavapuram dispensary has been omitted, as there are midwives readily available in the hospitals of Tinnevelly and Palamcottah Municipalities, which are close to Melaviraraghavapuram, while the pay of the Sivagiri midwife is proposed to be raised from Rs. 11 to Rs. 14. Provision is made under district board for the entertainment of a sweeper on Re. 1 for the Lady Dufferin female dispensary and to raise by As. 8 the pay of the water-woman of that institution. The estimate for medicines and surgical instruments is raised by Rupees 450 over the revised estimate.

39. *Vaccination.*—The work of the vaccine establishment under the present batch system has been found to be unsatisfactory. With the concurrence of the opinion of the District Medical and Sanitary Officer and the Inspector of vaccination, the district board proposes to abolish the batch system and put each vaccinator in independent charge of a division. Under this arrangement, the number of vaccinators has to be raised from 37 to 43. To make up the extra number, it is proposed to entertain two first-class vaccinators on Rs. 15 each and four probationary vaccinators on Rs. 7 each with a fixed travelling allowance of Rs. 3 each. Vaccine lymph will be obtained from the Bangalore depôt of the Mysore Darbar, as sanctioned in G.O., Nos. 1905, 1905-A L., dated 5th October 1897, so that the services of calf peons and the hiring of calves for inoculation will be no longer necessary. The expenditure under the present and the proposed arrangements is compared below :—

Present.

The proposed system, besides resulting in a saving of Rs. 934 as shown above, will, it is believed, work more satisfactorily.

40. *Sanitation.*—The estimate under water-supply works is reduced by Rupees 1,960 below the revised estimate as scarcity of water is not anticipated, and that under village-site by Rs. 740 in consequence of the establishment of unions in important villages. The Srívilliputtúr Taluk Board has abolished the system of itinerating gangs in both the taluks of Srívilliputtúr and Sáttúr as the system proved a failure. The allotment under scavengering establishment is raised by Rs. 1,840 over the revised estimate. The Tinnevelly Taluk Board proposes the entertainment of an additional maistry on Rs. 6 to the union of Sivagiri, provides for three additional sweepers, two on Rs. 5 and one on Rs. 4-8-0, for three unions and abolishes a sanitary peon on Rs. 5 in one of those unions. The Tuticorin Taluk Board proposes the entertainment of a maistry on Rs. 7, a sanitary peon on Rs. 5 and three sweepers on Rs. 4 each, and the raising of the pay of two maistries, one from Rs. 6 to Rs. 7 and the other from Rs. 7 to Rs. 8 and of four sweepers from Rs. 4 to Rs. 5 each in four unions. The Sérmádévi Taluk Board increases the pay of two maistries, one

from Rs. 7 to Rs. 9 and the other from Rs. 6 to Rs. 7, and of a scavenger from Rs. 5 to Rs. 6. It also provides for the entertainment of four additional sweepers on Rs. 5 each. The pay of two scavengers is reduced from Rs. 6 to Rs. 5 and a sweeper on Rs. 5 is removed. These changes are proposed in connection with seven unions. The same board recommends the entertainment of an additional sweeper on Rs. 5 to each of the non-union villages of Valliyur and Panagudi and three sweepers on Rs. 5 each for the first time to three similar villages (1) Vadakkankulam, (2) Mulaikaraipatti and (3) Vijianarayanam, all the five villages belonging to the Nángunéri taluk. Under the Srívilliputtúr Taluk Board the pay of two maistries is proposed to be raised, one from Rs. 6 to Rs. 6-8-0 and the other from Rs. 6 to Rs. 7, that of three sanitary peons from Rs. 5-8-0 to Rs. 6, and that of twelve sweepers, two from Rs. 4-8-0 to Rs. 5 and ten from Rs. 4-4-0 to Rs. 4-8-0. The entertainment of seven scavengers, five on Rs. 4 each and two on Rs. 4-8-0 each, and of two sweepers on Rs. 5 each is also recommended as additional establishments. One sweeper on Rs. 4-8-0 is removed. These changes are proposed in connection with five unions. The same taluk board proposes to bring under conservancy the non-union villages of (1) Mangalam, (2) Rajakularaman, (3) Sivandipatti, (4) Samsikapuram in the taluk of Srívilliputtúr by appointing a sweeper to each of the villages except Sivandipatti for which two sweepers are recommended.

41. *Contributions to Private Individuals.*—Rs. 100 is provided under the Tinnevelly Taluk Board towards the grant to the aided dispensary at Melapalayam—*vide* Government memorandum No. 1240, dated 2nd December 1897, subject to the approval of the taluk board.

42. The Tinnevelly and Srívilliputtúr Taluk Boards have provided Rs. 200 each under unforeseen charges on account of epidemics, &c.

43. The last-mentioned board has also estimated Rs. 120 for a consolidated monthly travelling allowance of Rs. 5 to each of the two sanitary maistries in its employ.

44. The sweepers employed for removing rubbish from streets and lanes remove also fæcal matter. No separate establishment is employed for the latter purpose and the establishments are supervised by the chairmen in unions and in non-union villages by the taluk revenue officials.

45. *Grant 4, Market establishment.*—There is an increase of Rs. 30 due to the retention of the gardener of Satankulam throughout the year instead of six months in 1897-98. A sum of Rs. 500 is allotted by the Tinnevelly Taluk Board from the surplus of the Sankaranayinárkóyil, &c., markets for a feeder road between Sankaranayinárkóyil and Chintamani in course of construction; and Rs. 400 by the Tuticorin Taluk Board from the surplus of the Kayatar market towards the upkeep of the Kayatar-Kadambur road, Ottapidáram taluk.

46. *Choultries.*—The increase of Rs. 30 under establishment is owing to the provision for a toti on Rs. 2 for the chattram at Gengaikondan and to the increase of 8 annas in the salary of tandalgar of the Alwartirunagari Govindappaiyan chattram.

47. *Lighting Charges.*—The Tuticorin Taluk Board raises the revised estimate 50 on account of increased provision made far the Kulasékarapatnam union.
