From P. B. ARBUTHNOT, Esq., District Board Engineer, Vizagapatam district, to the President, District Board, Vizagapatam, dated Camp, Chípurupalli, 24th September 1897, No. 631.

I have the honour to point out that according to G.O., No. 1543 L., dated 13th August 1897, Government, having been unable to grant me the compensation allowance passed by the board, has signified its willingness to grant an increase of pay to those engineers who under the old rules would have been entitled to it. The board having been good enough to pass the compensation allowance as per G.O., No. 86 L., dated 16th January 1897, I have no doubt they will be good enough to grant me an increase of pay as I am not able to draw exchange compensation allowance. I have now served the board since 1892 without any increase of pay, and I trust the Board will consider this application favourably and grant me an increase of Rs. 50 a month with retrospective effect from April 1st, the beginning of the official year.

Submitted to Government for favour of sanction under paragraph 2 of G.O., No. 1543 L., dated the 13th August 1897.

I request that Government will be pleased to decide the amount by which Mr. Arbuthnot's pay may be increased and whether the amount is to be fixed or is to vary with the current rate of exchange compensation allowance.

As observed in para 2 of G.O. No 1543 L dated 13th August 1897, Local Fund Engineers are not entitled to exchange Compensation allowance under the new rules printed in that G.O, which were brought into force with effect from 1st April 1897. Consequently the Government stated in the same paragraph that in the case of Local Fund Engineers who were eligible for exchange Compensation allowance under the rules in force in January 1897, it would be prepared to consider proposals for raising

their pay by a sum not exceeding the average they would have got if the allowance had been granted. The application on behalf of Mr: Arbuthnot having been received with reference to this order, the information now received is sufficient, being all that was required under the old rules, which are summarised in the note in G.O. No 1305 L dated 7th July 1897. G.O. No 13 Financial, dated 6th January 1898, which calls for information required under the new rules, should not therefore be applied to Local Fund Engineers.

From P. B. ARBUTHNOT, Esq., District Board Engineer, Vizagapatam district, to the President, District Board, Vizagapatam, dated Camp, Chipurupalli, 24th September 1897, No. 631.

I have the honour to point out that according to G.O., No. 1543 L., dated 13th August 1897, Government, having been unable to grant me the compensation allowance passed by the board, has signified its willingness to grant an increase of pay to those engineers who under the old rules would have been entitled to it. The board having been good enough to pass the compensation allowance as per G.O., No. 86 L., dated 16th January 1897, I have no doubt they will be good enough to grant me an increase of pay as I am not able to draw exchange compensation allowance. I have now served the board since 1892 without any increase of pay, and I trust the Board will consider this application favourably and grant me an increase of Rs. 50 a month with retrospective effect from April 1st, the beginning of the official year.

Ref. No. 1699-D.B.

Submitted to Government for favour of sanction under paragraph 2 of G.O., No. 1543 L., dated the 13th August 1897.

2. A copy of the resolution of the district board recommending an increase of pay equal to the amount which Mr. Arbuthnot would have got if he had been entitled to exchange compensation, is herein enclosed.

3. Taking into account the rate of exchange compensation allowance for the four quarters of the current year, the average comes to Rs. 49-7-3. I request that Government will be pleased to decide the amount by which Mr. Arbuthnot's pay may be increased and whether the amount is to be fixed or is to vary with the current rate of exchange compensation allowance.

From P. B. ARBUTHNOT, Esq., District Board Engineer, Vizagapatam district, to the President, District Board, Vizagapatam, dated Camp, Chipurupalli, 24th September 1897, No. 631.

I have the honour to point out that according to G.O., No. 1543 L., dated 13th August 1897, Government, having been unable to grant me the compensation allowance passed by the board, has signified its willingness to grant an increase of pay to those engineers who under the old rules would have been entitled to it. The board having been good enough to pass the compensation allowance as per G.O., No. 86 L., dated 16th January 1897, I have no doubt they will be good enough to grant me an increase of pay as I am not able to draw exchange compensation allowance. I have now served the board since 1892 without any increase of pay, and I trust the Board will consider this application favourably and grant me an increase of Rs. 50 a month with retrospective effect from April 1st, the beginning of the official year.

Ref. No. 1699-D.B.

Submitted to Government for favour of sanction under paragraph 2 of G.O., No. 1543 L., dated the 13th August 1897.

2. A copy of the resolution of the district board recommending an increase of pay equal to the amount which Mr. Arbuthnot would have got if he had been entitled to exchange compensation, is herein enclosed.

3. Taking into account the rate of exchange compensation allowance for the four quarters of the current year, the average comes to Rs. 49–7–3. I request that Government will be pleased to decide the amount by which Mr. Arbuthnot's pay may be increased and whether the amount is to be fixed or is to vary with the current rate of exchange compensation allowance.

From P. B. ARBUTHNOT, Esq., District Board Engineer, Vizagapatam district, to the President, District Board, Vizagapatam, dated Camp, Chípurupalli, 24th September 1897, No. 631.

I have the honour to point out that according to G.O., No. 1543 L., dated 13th August 1897, Government, having been unable to grant me the compensation allowance passed by the board, has signified its willingness to grant an increase of pay to those engineers who under the old rules would have been entitled to it. The board having been good enough to pass the compensation allowance as per G.O., No. 86 L., dated 16th January 1897, I have no doubt they will be good enough to grant me an increase of pay as I am not able to draw exchange compensation allowance. I have now served the board since 1892 without any increase of pay, and I trust the Board will consider this application favourably and grant me an increase of Rs. 50 a month with retrospective effect from April 1st, the beginning of the official year.

Ref. No. 1699-D.B.

Submitted to Government for favour of sanction under paragraph 2 of G.O., No. 1543 L., dated the 13th August 1897.

2. A copy of the resolution of the district board recommending an increase of pay equal to the amount which Mr. Arbuthnot would have got if he had been entitled to exchange compensation, is herein enclosed.

3. Taking into account the rate of exchange compensation allowance for the four quarters of the current year, the average comes to Rs. 49–7–3. I request that Government will be pleased to decide the amount by which Mr. Arbuthnot's pay may be increased and whether the amount is to be fixed or is to vary with the current rate of exchange compensation allowance.

Vizagapatam,
22*nd October* 1897.

(Signed) R. GOVINDA RAO,
for *President, District Board.*
