THE SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT,

Madras,

SIR,

The Hospital Assistant of Sriperumbudur reported to me that one Murugesan and his wife who had arrived at Sriperumbudur from Bombay on the 4th February last were kept by him under observation with reference to the intimation received from the Medical Officer in charge of the inspection station at Arkonam. He was asked to ascertain and report from what Railway station the last tickets had been taken for going to Sriperumbudur. He reported that they had been taken at Arkonam and that the individuals alighted at Tiruvallur. He obtained and forwarded also a statement

from Mungroan, in which he stated that he took tickets from Bombay direct to Atkonam, that he and his wife stopped a night at Atkonam and that he took tickets for Tiruwallur next morning.

2. The District Medical and Sanitary officer and the Divisional Magistrate were asked to report whether they had received intimation of the arrivals from the Station House officer or the Medical officer in charge of the inspection station at Atkonam. They replied in the negative. The Medical officer was then asked to state whether intimation of the arrivals was given to the Station House officer at Atkonam, as required by the 3rd paragraph of Regulation 17 of the Mufassal Regulations. He reports that it has been the practice to give intimation to the District Medical and Sanitary officer and subordinates in charge of small stations, - Vide copy of his letter enclosed. —

I have the honor to bring the matter to the notice of Government for such orders as they deem fit to pass.

I have the honor to be
Sir
Your most obedient servant,
