the construction of another stall and
a partition wall in the market
at a cost of Rs 230 - owing to the
insufficiency of stalls for occupation,
and the work is under progress.

These two additions are made in
accordance with the plan approved
by the Sanitary Commissioner.

2. I am glad to mention that
the market is rapidly improving
and about eight annas are
collected every day by means of
market rents, though its existence is
threatened at times by disorders and
vexatious contributions are still raised before
the magistrates by one of the ill advised
Mohamedan fishman to fail the
market, notwithstanding repeated

convictions for opening his shop without
a licence.

I have the honor to be

Sir,

Yours to obedient servant
