Statement of Dyuti Mallik of Nadur
 dated 27.9.87, made before the
 Dy. District Officer, Nadur.

I don't clearly know the exact extent
 of land for which I hold patta for
 field 20861 (Village site) in the village of
 Nadur but it will be nearly more than
 5 Cents. of this extent 22 yards in length
 & 15 yards in breadth were encroached
 for the construction of the latrine. This
 extent maybe one cent. I did not claim
 compensation for the total extent of 5
 Cents but only to one cent which was taken
 for latrine. I request that one cent of
 land originally taken maybe given back
 to me. If this be not done I request that
 I maybe given Rs 60 as the cost of the land.
 There are two tamarind trees and one
 Ranitree at a short distance from the latrine.
 As the produce of these trees will naturally
 fall in the place occupied by the latrine,
 I therefore request that compensation
 may also be paid to the trees. I claimed
 Rs 60 as compensation for the
 trees as well as for one cent of land.
 If less is offered I would not like to take
 it. I have not sh patta with me for the land.

at present and I cannot produce the same
now. I got claim to the land as it was purchased
by my grand father in Court sale. I have produced
the Court's decree. It is the decision in No 343
1875
on the file of the District Magistrate Court Nandyal.
The details of the land is not given in it. The place
is only mentioned in it as each to each 41 yards
4 north to south 40 yards. The place is called K. 40
and two 20. I have no other documents except
the above. I have produced the decision.
