Statement of Syahi Halli of Kadur
 dated 27.9.17, before the
 Dy. Commissioner of N. Malabar

I don't clearly know the exact extent
 of land for which I hold patta for
 field 20861 (Village site) in the village of
 Kadur but it will be nearly more than
 5 Cents. of this extent 22 yards in length
 & 15 yards in breadth were encroached
 for the construction of the latrine. This
 extent maybe one cent. I did not claim
 compensation for the total extent of 5
 Cents but only to one cent which was taken
 for latrine. I request that one cent of
 land originally taken maybe given back
 to me. If this be not done I request that
 I maybe given Rs 60 as the cost of the land.
 There are two tamarind trees and one
 Raniche at a short distance from the latrine.
 As the produce of these trees will naturally
 fall in the place occupied by the latrine,
 I therefore request that compensation
 may also be paid to the trees. I claimed
 Rs 60 as compensation for the trees
 as well as for one cent of land.
 If less is offered I would not like to take
 it. I have not got patta with me for the land

3300497

at present and I cannot produce the same
 now. I got claim to the land as it was purchased
 by my grandfather in Court sale. I have produced
 the Court's decree. It is the decision in No 343
 1875
 on the file of the District Magistrate Court, Nandrol.
 The details of the land is not given in it. The place land
 is only mentioned in it as East to West 41 yards
 & North to South 20 yards. The place is No 40
 and No 20. I have no other documents except
 the above. I have produced the decision.
