SIR

I beg to bring to your notice that 3 passengers arrived from the Lufthansa area (ie Bangalore) failed to present themselves to the Customs Field Market as directed by the Passport issuing officer and prosecuted them. These cases were tried by the 1st Court Magistrate ^{yesterday} and I tried Anna & J on the plea that the female confused her mind as having missed her boy of 14 years old and he is not found upto date and also considering poverty and also Madras is not her native place.
