Dear Wt. Remembere

With reference to the G.O. declaring this District to be Under Observation, which I have just received, I beg to bring to notice that there is at present no regular District Medical & Sanitary Officer. Dr. Cama, who has held charge of the Office since Dr. Evans' departure on leave last

autumn, is really the
Doctor of the 9th Madras
Infantry + is prevented
by his military duties from
leaving headquarters.
Government was informed
to the above effect in
connection with the deputation
of a Commissioned Medical
Officer to be present at
the Muyan + Kurumalli
festivals, + thereupon
agreed with the Surgeon-
General that Dr Breira

should attend those festivals
on his way to take charge
of the inspection station at
Hooper. I trust that it
will now be found possible
to post to this District
a Medical Officer who
will be able to devote
his sole attention to
Civil duties.

Yours sincerely,

E. A. Irvine
