~~ad-~~
^{mitted.} The Collectors of Anantapur
and Malabar are therefore requested

SUBJECT.

Stating that last pilgrim steamer
must leave Karachi at least
thirty five days before Haj which
is on May 1st.

* this will leave 75 days before the Haj
which will be spent as follows:-

Prov. observation camp	10 days
Voyage from Calicut to Karachi	15
Separation in Sind	10
Voyage from Karachi to Jeddah	35
Total 70 days	
leaving a margin of 5 days.	

Government as soon as they are ready.

If this is approved,

we should also wire

to Pres. Hyderabad
informing him that no
pilgrims should be sent
who cannot reach
Guntakal by 15. Feb.

M.T.

Para 1 assumes that there is
already a med. officer at Mysore.
I did not know there was. I thought Dr
Reeves had only been ordered to be
ready to go there. But perhaps a med.
Subordinate is there. It will be safest
to send to the C.M. to communicate to
the med. officer, unless it is certain
that there is one at Mysore.

As to the dates, 15 days from Calicut
to Karachi seems a long time. I had
thought 10 days or so in which

The Medical officer in charge of observation
camps at Guntakal.

Note

30/1/98

There is no medical officer at Mysore as yet.
Accordingly all Communications are being sent
to the address of the Collector who will hand
them over to Dr Reeves as soon as he takes
charge of the Camp.

Note

This was based on the H. Mis note in G.O.
No 73 M dated 11 January 1898 (Flag C).
It has now been altered to ten days and the
20th February fixed as the latest date for the
pilgrims to get into the Camp.
