Budget.

Reviewing the Bellary District Board — for 1898–99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper:—

From T. M. HORSFALL, Esq., Acting Collector and President, District Board, Bellary, to the Secretary to Government, Local and Municipal Department, dated 11th December 1897, Dis. No. 635.

I have the honour to submit, by separate packet, the local boards' consolidated budget estimate of the Bellary district for the official year 1898–99, together with the prescribed statements.

Revised Estimate for 1897–98.

I.—Receipts.

2. The year opened with a deficit balance of Rs. 6,434, or Rs. 6,430 in round figures, as intimated by the Accountant-General. This is Rs. 26,460 less than the budget estimate which was Rs. 20,030, and the decrease is due especially to the short receipts under land-cess owing to the suspensions of the collections of land revenue as explained in the administration report, counterbalanced, however, by the adjustment of Rs. 56,498 made by the Accountant-General to cover deficits.

3. The receipts according to the revised estimate amount to Rs. 2,89,770 against the budget estimate of Rs. 2,23,890. The important variations under the several heads are noted in the subjoined statement and explained further on :—

Items of receipts.	Budget estimate.	Revised estimate.	Difference.
	Rs.	Rs.	Rs.
1. Cess on land	1,32,700	2,14,480	+ 81,780
2. Tolls	28,000	19,120	— 8,880
3. School-fees	7,110	5,450	— 1,660
4. Market rents	6,750	5,800	— 950
5. Ferry rents	8,320	7,130	— 1,190
6. Bungalow fees	1,130	810	— 320
7. Fees and fines	1,480	1,270	— 210
8. Fishery rents	1,460	510	— 950
9. Sundry receipts	2,210	1,200	— 1,010
10. Contributions from private individuals ..	500	..	— 500
11. Refund of expenditure	..	660	+ 660
12. Contributions from Provincial Funds—Education	3,400	2,700	— 700
Total ..	1,93,060	2,59,130	— 66,070

4. *Cess on Land.*—The revised figure has been adopted from the demand, collection and balance statement furnished by the Collector, and the increase is due to the expected collections in the current year of the suspended revenue.

5. *Tolls, Market, Ferry and Fishery Rents.*—The revised figures are the actual amounts for which the markets, &c., have been sold and the decrease is due to the unfavourable character of the season. Many of the fisheries have not been sold for want of bidders.

6. *School Fees, Bungalow Fees, Sundry Receipts and Fees and Fines.*—The revised estimate under these heads has been made with reference to the actuals of the first six months of the year and those of the previous years.

7. *Contribution from Private Individuals.*—The budgeted sum of Rs. 500 has not been retained in the revised estimate as there is no prospect of obtaining any contribution.

8. *Refund of Expenditure.*—The sum of Rs. 660 entered against this head represents the recoveries made from the contractors of Herihalu and Kanekallu chattrams for short work done in previous years.

9. *Contribution from Provincial to Education.*—The revised estimate has been calculated from the sanctions obtained up to date for salary grants and the actual result grants received in previous years.

10. *Contribution from District Funds.*—The amount of contribution to taluk boards entered in the revised estimate consists of the following items :—

	Rs.
(i) Made to the Adóni Taluk Board for the improvement of water-supply	1,000
(ii) Made to the Hospet Taluk Board for the improvement of water-supply	1,000
(iii) Made to the Hospet Taluk Board for the repairs to the Harpanahalli high school building	1,098
(iv) Made to the Hospet Taluk Board for the sanitation of Ramandrug	80
Total ..	3,178

II.—Charges.

11. The statement below gives the variations between the figures in the budget and the revised estimate :—

Grant.	Budget estimate.	Revised grant.	Revised estimate.	Difference between columns 2 and 3.	Difference between columns 3 and 4.
1	2	3	4	5	6
	Rs.	Rs.	Rs.	Rs.	Rs.
Grant 1	1,08,490	1,11,620	1,11,470	+ 3,130	— 150
„ 2	34,330	34,330	33,640	..	— 690
„ 3	52,300	56,320	55,570	+ 4,020	— 750
„ 4	5,070	5,940	5,660	+ 870	— 280
„ 5	15,890	15,890	16,690	..	+ 800
Total ..	2,16,080	2,24,100	2,23,030	+ 8,020	— 1,070

The revised grant exceeds the budget estimate mainly under Grants 1 and 3. The allotments made for the completion of certain market sheds under the Hospet Taluk Board and for the repairs of the Alúr travellers' bungalow account for the increase under the former, while that under the latter is due to the provision made for the improvement of water-supply during the scarcity that prevailed in the early part of the year.

12. *Communications*—(1) *New Works.*—The revised grant is made up of the original allotment of Rs. 1,100, and the marginally-noted transfers made from the maintenance grant for the year. The whole of this amount is expected to be spent within the year.

	Rs.
(1) Constructing a 3-vent culvert at 16th mile 3rd furlong of road from Mysore frontier *viâ* Belaguppu to Kudair	250
(2) Constructing culverts on road from Bellary to Siruguppa	500
(3) Constructing five culverts on the 31st to 32nd mile of the Bellary-Siruguppa road	1,960
(4) Constructing a 4-vent culvert at 33rd mile 4th furlong of road from junction of Kudair road near Rayadrug towards Kalyandrug ..	500
(5) Constructing one culvert on road from Bellary *viâ* Bommanahal to Kalyandrug frontier	750
Total ..	3,960

(2) *Repairs.*—The original allotment of Rs. 81,360 has been reduced by the transfers noted above and by Rs. 80 contributed to the Hospet Taluk Board for the sanitation of Ramandrug.

13. *Civil Buildings*—(1) *New Works.*—The original allotment of Rs. 1,000 will be spent. The sum of Rs. 390 subsequently granted by the Hospet Taluk Board for the construction of a cook-room to the Kúdligi travellers' bungalow will not be expended as the work is not likely to be taken up this year.

(2) *Repairs.*—The increase over the original allotment is due to Rs. 680 sanctioned for repairing the travellers' bungalow at Alúr.

14. *Miscellaneous Public Improvements*—(1) *New Works.*—The revised grant of Rs. 2,140 made for completing the market sheds under the Hospet Taluk Board begun last year, but left incomplete, is expected to be fully spent.

(2) *Repairs.*—There will be a short expenditure of Rs. 300 under this head, as the repairs to the wells at Siddarampuram budgeted for will not be carried out as the inhabitants failed to make the contribution promised by them.

15. *Tools and Plant.*—There is an increase of Rs. 300, as the Local Fund Engineer is in urgent need of some tools and expects to exceed the allotment by that sum.

16. *Grant 3, Medicines and Surgical Instruments.*—The probable expenditure under this head is Rs. 450 more than the allotment and this is on account of the provision for the Hospet hospital being quite insufficient for the purpose.

17. *Cholera and Epidemic Charges.*—The revised estimate exceeds the budget by Rs. 1,000. Part of this sum has already been spent by the Adóni Taluk Board under cholera charges. The rest will be expended by the Hospet Taluk Board under plague charges.

18. *Improvement of Water-supply.*—The increase in the revised estimate is due to the sinking of new wells and repairs to some of the old ones during the late famine.

19. The other variations under Grants 2, 3, 4 and 5 are small, and wherever necessary they have been explained in Statement No. IX.

20. The total expenditure according to the revised estimate is Rs. 2,23,030 and the probable closing balance of the year is Rs. 60,310 as shown below :—

	Rs.
Opening balance	— 6,430
Receipts	2,89,770
Total ..	2,83,340
Expenditure	2,23,030
Closing balance ..	60,310

Budget Estimate for 1898–99.

I.—Revenue and Receipts.

21. The expected closing balance of Rs. 60,310 has been adopted as the opening balance. The receipts of the year are estimated at Rs. 2,22,380 as against the budget estimate of Rs. 2,23,800 for the current year and the revised estimate of Rs. 2,89,770.

9. Bungalow fees	744	1,130	810	930	—	200

11. Fishery rents	1,862	1,460	510	1,600	+	140
12. Sundry receipts	882	2,210	1,200	140	—	2,070
13. Public works—Sale of old materials	..	100	100	500	+	400
14. Contribution from Provincial Funds—Education.	1,879	3,400	2,700	2,840	—	560

16. " Private Individuals	699	500	..	..	—	500

22. *Cess on Land.*—The figure for this item of revenue has been adopted from the demand, collection and balance statement furnished by the Collector.

23. *Tolls, School Fees, Market Rents, Ferry Rents and Fishery Rents.*—The estimates under these heads have been made after taking into consideration the actuals of the past year and the probables of the current year and allowing a fair margin for the increase in revenue that may be expected from the favourable character of the next season.

24. *Sanitation—Miscellaneous and Sundry Receipts.*—The estimated revenue from the sale of sweepings has been transferred to the former head under Government memorandum, No. 983, dated 29th September 1897. Hence the increase under the former and the decrease under the latter. The total estimate under both the heads falls short of the budget for 1897–98 under "Sundry receipts", as the figures have been fixed with reference to the actuals of the previous year.

25. *Bungalow Fees.*—The actuals of 1896–97 and the first six months of the current year have not been favourable. Hence a reduction of Rs. 200 in the budget estimate compared with that of the current year.

26. *Fees and Fines.*—The private scavenging service has been introduced in the Rayadrug union and the estimate for 1898–99 has therefore been increased by Rs. 200.

27. *Public Works—Sale of Old Materials.*—The increase of Rs. 400 represents the amount expected to be realised by the sale of old materials of the Harpanahalli high school building proposed to be repaired during the year.

28. *Contribution from Private Individuals.*—No amount is expected under this head as there have been no offers of any kind up to date.

29. *Contribution from Provincial Funds—Education.*—The decrease under this head is due to the estimate for 1897–98 having been too high.

30. *Public Works.*—The increase of Rs. 1,800 is the grant still due from Provincial funds on account of the Harpanahalli high school building which, it is hoped, will be recovered within 1898–99.

II.—Charges.

The estimated expenditure for 1898–99 is Rs. 2,37,790.

31. *Grant 1, Public Works—Communications—New Works.*—The following works are proposed to be carried out during the year :—

	Rs.
(i) Laying out a road from Bellary municipal limits to Honnahalli.	400
(ii) " " from the village of Namakallu to Anjanayaswami temple	1,000
(iii) Constructing a road from the village of Gudikallu to the Yemmiganúru market	4,000

The Taluk Board, Bellary, has found the first two roads necessary as the places referred to are much resorted to by pilgrims and has provided funds for them. The cost of the third work is to be met from the Yemmiganúru market funds.

32. *Repairs.*—Under this head Rs. 82,460 have been provided against Rupees 81,360 in the current year. The allotments have been revised to a certain extent by reducing the grant for the roads which have been repaired by famine labour and increasing that of others. A sum of Rs. 4,750 has been provided for the Hospet-Kampli road against Rs. 1,900 in the current year, as the Engineer reported that it is in very bad order and that a special grant is necessary for re-forming it. The allotment for the Kúdligi-Gudicota road has been doubled under the same circumstances. The total allotment under "New works" and "Repairs" more nearly approximates the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, than in the current year.

33. *Civil Buildings—New Works.*—Rs. 2,900 have been provided for the following works :—

	Rs.
(i) Completing the chattram at Kanekallu	1,000
(ii) " " at Herihalu	1,000
(iii) Cónstructing a school-house at Yemmiganúru	900
Total ..	2,900

The first two works were originally under the supervision of the Chairmen of the respective unions. These gentlemen not only did the work very slowly, but made certain excess payments. The works have now been transferred to the Local Fund Engineer. Revised estimates are under preparation. The excess payments have now been recovered and the works will in all probability be completed next year.

Work No. (iii).—This work was considered absolutely necessary and provided for in the current year's budget, but it was struck out by Government so that more funds may be made available for famine purposes. It is proposed to be carried out next year.

34. *Repairs.*—The allotment under this head has been increased by Rs. 4,500 on account of the following works:—

		Rs.
(1)	Repairing the roof of the Local Fund middle schcol building, Hospet	200
(2)	Repairing the Harpanahalli high school building	4,300
	Total ..	4,500

As the roof of the Hospet school building is in a very leaky condition and the school had to be closed during the last rainy season for a week, a special provision for its repairs has been found necessary. Before the last instalment, viz., Rs. 2,802, of the Provincial grant for constructing the Harpanahalli high school building was drawn, the Executive Engineer was asked by the Director of Public Instruction to countersign the completion report, and he found during his inspection that the work was not done in accordance with the estimate. The grant was therefore refused. The Local Fund Engineer having died in the meanwhile, it was not possible to take action against him. In order to obtain the grant it was found necessary to repair the building, and an estimate for Rs. 4,300 for its repairs has been sanctioned. Rs. 1,000 of the grant were paid last year after some correspondence with the Director. The district board has made a contribution of Rs. 1,098 to the Hospet Taluk Board in the current year towards the cost of repairs and Rs. 400 are expected from the sale of old materials. Thus it will be seen that the taluk board does not in reality incur any charge towards the repairs.

35. *Miscellaneous Public Improvements—New Works.*—The works proposed to be carried out are the following:—

		Rs.
(i)	Constructing a kunta at Sollapuram	1,200
(ii)	„ „ at Hanumapuram	1,250
(iii)	„ a market shed at Kosgi	600
(iv)	„ „ at Kowtalam	600

The villagers of Sollapuram and Hanumapuram have contributed towards the first two works in the previous years Rs. 314 and 870, respectively. The first of the two is proposed to be carried out from Dasabandam funds and the second by the taluk board. For want of funds, the full amount of the estimate has not been provided for in either case and only half the work is proposed to be done. The cost of the last two works is to be met from market funds.

36. *Repairs.*—The allotment for avenues has been increased by Rs. 300 under the district board. The necessity for improving the avenues in this district needs no comment.

37. *Local Fund Engineering Establishment.*—The provision under this head is Rs. 20,500 against Rs. 20,020 in the current year. The increase is due to the Local Fund Engineer and Supervisor having been required to travel more than they were hitherto doing.

38. *Tools and Plant.*—The increase of Rs. 600 in the allotment is due to provision having been made for some cast iron-rollers for the consolidation of metal on roads.

39. *Contingencies.*—There is an increase of Rs. 500 in the estimate for 1898–99 which has been fixed with reference to the actuals of 1896–97. Moreover, it is under

consideration to print all estimates for circulation among some of the members so that the work of the subordinate Engineering staff may be properly supervised.

40. *Grant 2.*—The total allotment for education is Rs. 35,430 against Rupees 34,330 in the current year.

41. *Inspection—Sessional Schools and Secondary Schools.*—The provisions under these heads have been repeated.

42. *Elementary Schools—Salary System.*—A sweeper on Re. 1 a month is proposed to be sanctioned for the Harpanahalli primary school, and a saving of Rs. 6 will be effected under "Miscellaneous" as the rent of the school has been reduced from Rs. 4 to Rs. 3½. At the request of the Sub-Assistant Inspector of Schools of Hospet, it is proposed to raise the pay of the 4th master, primary school, Hadagalli, from Rs. 5 to 6 as the present pay is quite inadequate to secure proper men.

43. *Salary-result System—Salaries of Masters, Fixed.*—The increase is due to the following additions made to the establishment:—

(i) The pay of the Molugavalli schoolmaster is proposed to be raised from Rs. 9 to Rs. 12 as it has been found difficult to get a man to stay there owing to the scarcity of water in the village.

(ii) Two panchama schools are proposed to be opened at Ujjini and Hirehadagalli in the Hospet division and each school is to be allowed a teacher on Rs. 6.

44. *Results.*—The increased provision under this head has been made in accordance with the recommendation of the Educational authorities.

45. *Miscellaneous.*—Under this head there is a net increase of Rs. 40 under furniture, maps, books, &c., which have to be supplied to the panchama schools which are to be newly opened.

46. *Grants-in-aid—Result Grants.*—Here also an increase of Rs. 300 has been made in the provision under the Adóni Taluk Board as proposed by the Educational authorities.

47. *Building Grants.*—The Educational authorities have recommended an allotment of Rs. 750 under this head. For want of funds, Rs. 100 only have been provided under the Adóni Taluk Board, which alone is in a position to meet the charge.

48. *Purchase of Books.*—The allotment for 1897–98, viz., Rs. 250, has been repeated, though the Director has recommended a provision of Rs. 500. The district board is not in a position to make a larger provision for want of funds. Moreover the books purchased during the current year will not, it is expected, all be sold this year. If, however, all the books are sold, funds can be provided in the course of the year.

49. *Grant 3, Medical Services.*—The total allotment under this head is Rs. 56,110 against Rs. 52,300 of the current year.

50. *Hospitals and Dispensaries—Medical Subordinates.*—The allotment under this head is Rs. 12,590 against Rs. 11,680 of the previous year. The increase is due to the periodical promotions to be given to the Rayadrug apothecary and the Helalagundi and Kúdligi hospital assistants and to the provision of 2nd-class hospital assistants for all the dispensaries in the district in accordance with the orders of Government. Some savings may be effected under this head if the number of 1st-class apothecaries in the district can be reduced. There will be four 1st-class apothecaries and one 2nd-class apothecary next year under the board.

51. *Clerks and Servants.*—Provision is made for the periodical increase of pay to the compounders attached to the Kanekallu dispensary and Hospet hospital. Hence an increase of Rs. 40 in the provision under this head.

52. *Medicines and Surgical Apparatus.*—Under this head the allotment has been increased from Rs. 3,300 to Rs. 3,800 in accordance with the recommendation of the Surgeon-General with the Government of Madras as the usual provision for the Hospet hospital, viz., Rs. 300, has always been inadequate. The actuals for the past three years have been nearly Rs. 800.

53. *Medical Pupils.*—The provision has been reduced from Rs. 700 to Rs. 240, as only one female student is undergoing training for the apothecary grade on a stipend of Rs. 20 per mensem. No more hospital assistants will be trained by the board as third-class men cannot hold independent charge of dispensaries.

54. *District Medical and Sanitary Officer's Establishment.*—The pay of the head clerk is proposed to be raised from Rs. 25 to Rs. 30 and to be raised afterwards by annual increments of Rs. $2\frac{1}{2}$ to a maximum of Rs. 35 and that of the 2nd clerk from Rs. 15 to Rs. 20. The present pay of the head clerk was fixed fourteen years ago, and since then the work in the office and the responsibilities of the incumbent have considerably increased. Moreover a pensionary contribution of Rs. $2\frac{1}{2}$ is deducted from his pay. The 2nd clerk's pay, after deducting the pensionary contribution, is too low to attract any efficient hand for the post. There have been constant changes lately in the 2nd clerk's place on this account. The District Medical and Sanitary Officer, under the circumstances, strongly recommends the increase of pay to both of his clerks, so that intelligent and efficient men may remain in the appointments for sometime, and I agree with him.

55. *House-rent to Hospital Assistants.*—As all the Local Fund 3rd-class hospital assistants have been transferred to Provincial establishment, provision has been made for house-rent allowance to Provincial hospital assistants, who will be posted in their stead.

56. *Vaccination—Establishment.*—It is proposed to increase the pay of the three probationary vaccinators in the district from Rs. 5 to Rs. 7, as men cannot be obtained for the exceedingly low pay of Rs. 5 in this district. For this reason these men are constantly resigning and their places have to remain unfilled for some time before they can be filled up. Hence an increase of Rs. 70 under this head.

57. The allotment under "Contingencies" has been increased by Rs. 730 for the provision hitherto made for lymph, viz., Rs. 800, is quite insufficient. Lymph has to be obtained for nearly 30,000 cases a year at 9 pies a case.

58. *Sanitation.*—The provision under all the heads of sanitation amounts to Rs. 17,090 against Rs. 15,380 of the current year. The allotment for the improvement of water-supply has been increased by Rs. 270, which sum has been provided for sinking a well at Herihalu at a cost of Rs. 260 and for increase of pay of Re. 1 to the channel watcher at Siruguppa.

59. *Scavenging Establishment.*—The pay of scavengers in Kampli and Harpanahalli unions has been increased from Rs. 6 to Rs. 7 and Rs. 8, respectively, as they refused to work on the reduced pay of Rs. 6. The following additions are proposed to be made to the present establishment :—

Kowtalam union	.. ..	1 sweeper on Rs. 4.
Kosgi union	.. ..	2 scavengers on „ 7.
Holalagundi union	.. ..	1 scavenger on „ 7.
Hospet union	.. ..	1 „ on „ 6
		and 1 sweeper on „ 4.

A dust cart has been provided for the Harpanahalli union at a cost of Rs. 10 a month. These alterations and additions account for the increase of Rs. 700 under "Scavenging establishment."

60. Under "Other sanitary outlay", additional provision has been made for purchasing five hand dust-carts, repairing the hand and night-soil carts and constructing a shed for storing dry earth in the Rayadrug union and for constructing two latrines and urinals in the Alúr and Holalagundi unions at a cost of Rs. 250 each.

61. *Contributions to Provincial Services and Municipalities.*—The provision of 1897–98 has been repeated.

62. *Grant 4, Markets.*—The provision is the same as in the current year.

63. *Choultries.*—The provision has been reduced by Rs. 12, as the service of the chattram sweeper at Mannarmusalwada have been found unnecessary.

64. *Public Bungalows.*—Provision has been made for the entertainment of a sweeper on Rs. 3 for the Parmadenanahalli travellers' bungalow, and the contingent charges of the Alúr travellers' bungalow have been increased from Rs. 2 to Rs. 12. Hence an increase of Rs. 40 under this head.

65. *Dasabandum Inams.*—An increase of Rs. 90 has been made in the lump sum allotment for water sheds, &c., in the inams under the Adóni Taluk Board. New inams have been transferred to the board since last year.

66. *Grant 5, Supervision and Management.*—The allotment for 1897–98 for the controlling establishment at the Presidency has been repeated in the absence of the usual special instructions.

67. *Local Board's Office Establishment.*—The pay of the taluk board clerks, Bellary and Adóni, and of the head clerk, Taluk Board office, Hospet, is proposed to be increased by Rs. 5 each. The reasons for increasing the pay of the head clerk of the District Medical and Sanitary Officer hold good here also. It is also proposed to raise the pay of the Kampli union clerk from Rs. 7 to Rs. 8. The pay of Rs. 7 was fixed nearly twelve years ago and the clerk of Yemmiganúru—a place of similar but slightly greater importance—gets Rs. 10.

68. *Pensions.*—The provision under "Pensions" has been removed as the pensioned supervisor is now dead.

69. The budget closes with a balance of Rs. 44,900 inclusive of Rs. 15,390 and Rs. 7,000 under Union and Endowment funds. The net balance available for general purposes is therefore Rs. 22,510 of which Rs. 51,080 appertain to the district board, the taluk boards closing with a deficit of Rs. 28,570. It is not proposed to make any contribution from the district board to cover this deficit unless it is known how much of the sum of Rs. 56,498 adjusted by the Accountant-General to cover deficits last year has to be repaid.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 18th January 1898, No. 379.

With reference to the educational portion of the budget estimates of the Bellary District Board for 1898–99, I have the honour to state that I approve of the proposals made therein. The net expenditure proposed under Grant 2 is Rs. 26,150 (35,430 — 9,280), which is about 19 per cent. of the estimated income from land-cess.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated 28th January 1898, No. 92.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the District Board, Bellary, for the maintenance of the hospitals and dispensaries for the year 1898–99 is adequate.

2. It is suggested that the Board may be called upon to make provision to meet the following recommendations of the District Medical and Sanitary Officer :—

(1) *Hadagali Dispensary*—(*a*) Repairs to the gate; (*b*) New doors to the office and compounding rooms, the present ones not being sufficiently strong; (*c*) A dressing room for females.

(2) *Yemmiganúru Hospital.*—Provision for the supply of one set of midwifery instruments and of weather boards to the doors and windows on the northern side of the hospital.

(3) *Harpanahalli Hospital.*—Addition of a store-room to the back of the main building in continuation with the surgery and conversion of the verandah into two rooms for examining and dressing males and females separately.

Order—No. 275 L., dated 15th February 1898.

The estimated Local fund receipts and charges of the Bellary district for 1898–99, as passed by Government, are compared below with the budget and revised estimates for 1897–98 and the actuals of 1896–97 :—

Revised Estimate for 1897–98.

2. The receipts and charges for the current year are now estimated at Rupees 2,89,770 and Rs. 2,23,030, respectively, against Rs. 2,23,800 and Rs. 2,16,080 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, being partly counterbalanced by a decrease under tolls, school-fees, ferry rents and sundry receipts, while the increase in the charges appears mainly under Grants 1 and 3. The entertainment, for the current year, of the temporary toll-gate establishment, referred to in Statement IX and shown in the proposition statement, to which, however, reference should have been made in the President's letter, is sanctioned. Under Grant 1 a sum of Rs. 7,780 will be provided as contribution to Provincial funds, with reference to G.O., No. 226 L., dated 8th February 1898. The balance to be carried forward to the ensuing year's budget will then be Rs. 52,530—Rs. 44,230 under the district, and Rs. 8,300 under taluk, funds.

Budget Estimate for 1898–99.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,22,380 against Rs. 2,89,770 in the revised estimate, the decrease which occurs chiefly under land-cess being partly counterbalanced by an increase under tolls and contributions from Provincial funds for public works. From Statement VIII it appears that the Taluk Board of Adóni has contributed a sum of Rs. 400 to the Alúr union in excess of the lighting charges proposed to be incurred in it and Rs. 100 to the Kautalam union, although no such charges are to be incurred there. Every endeavour should be made to restrict these general contributions by reducing the expenditure of the unions, so that the amount which has now to be contributed from taluk funds may be available for expenditure for general purposes.

4. *Charges.*—(1) The estimated charges are put down at Rs. 2,37,790 against Rs. 2,23,030 in the revised estimate, the increase appearing chiefly under Grant 1.

(2) *Grant 1.*—None of the new works provided for in the budget should be undertaken until the plans and estimates for them are sanctioned by competent authority. The allotment for communications is less than the prescribed minimum by 5 per cent.,

while the proportion of the cost of the Local Fund Engineering establishment to the expenditure on public works is slightly in excess of the limit of 20 per cent. prescribed by Government. It is hoped that this will not be the case when additional allotments for works shall have been sanctioned in the course of the year.

(3) *Grant 2.*—The provision made for the two Panchama schools at Ujjni and Hiremandalam, referred to in paragraph 43 (ii) of the President's letter, will be retained; but for want of funds the remaining additions to, and alterations in, the educational establishments, referred to in paragraphs 42 and 43 (i) of the President's letter, cannot be sanctioned, the amounts provided in excess of the current year's budget allotments for "elementary schools on the salary-result system" and "grants-in-aid" will be struck out, and the provision for the purchase of books and commission on their sale will be reduced by Rs. 200.

(4) *Grant 3.*—The proposal to raise the pay of the clerks in the office of the District Medical and Sanitary Officer cannot be approved, as the Government is not satisfied of its necessity. The attention of the local boards concerned is drawn to the recommendations of that officer referred to in paragraph 2 of the Surgeon-General's letter read above. The allotments for vaccination and sanitation will be allowed to stand pending the remarks of the Sanitary Commissioner. Under contributions to Provincial funds on account of the Medical College, sanitary inspection and medical reserve staff, the actuals of 1896-97 will be repeated, with reference to G.O., No. 641 L., dated 2nd April 1887.

(5) *Grant 4.*—The alterations in the choultry and bungalow establishments, proposed in paragraphs 63 and 64, are sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the contribution for the controlling establishments at the Presidency will be reduced from Rs. 2,100 to Rs. 1,260. For want of funds and in the absence of sufficient grounds, the increase in the salaries of the clerks of the Taluk Boards' offices, proposed in paragraph 67, cannot be approved.

5. *Allotments and Balance.*—An allotment of Rs. 27,500 will be made to Taluk funds to avoid the deficit with which they are expected to close the year, and a sum of Rs. 7,800 will be provided for repayment of a portion of the amount adjusted from Provincial funds in 1896-97, pending settlement of the adjustments ordered in paragraph 4 of G.O., No. 731, Financial, dated 8th September 1897, recorded in G.O., No. 1982 L., dated 13th October 1897. The budget, as revised by Government, closes with a balance of Rs. 31,810, of which Rs. 15,390 appertain to unions and Rs. 7,000 to endowed institutions, leaving Rs. 9,420 or 5 per cent. of the estimated receipts, available for general purposes.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From T. M. HORSFALL, Esq., Acting Collector and President, District Board, Bellary, to the Secretary to Government, Local and Municipal Department, dated 11th December 1897, Dis. No. 635.

I have the honour to submit, by separate packet, the local boards' consolidated budget estimate of the Bellary district for the official year 1898–99, together with the prescribed statements.

REVISED ESTIMATE FOR 1897–98.

I.—Receipts.

2. The year opened with a deficit balance of Rs. 6,434, or Rs. 6,430 in round figures, as intimated by the Accountant-General. This is Rs. 26,460 less than the budget estimate which was Rs. 20,030, and the decrease is due especially to the short receipts under land-cess owing to the suspensions of the collections of land revenue as explained in the administration report, counterbalanced, however, by the adjustment of Rs. 56,498 made by the Accountant-General to cover deficits.

3. The receipts according to the revised estimate amount to Rs. 2,89,770 against the budget estimate of Rs. 2,23,890. The important variations under the several heads are noted in the subjoined statement and explained further on :—

Items of receipts.	Budget estimate.	Revised estimate.	Difference.
	Rs.	Rs.	Rs.
1. Cess on land	1,32,700	2,14,480	+ 81,780
2. Tolls	28,000	19,120	— 8,880
3. School-fees	7,110	5,450	— 1,660
4. Market rents	6,750	5,800	— 950
5. Ferry rents	8,320	7,130	— 1,190
6. Bungalow fees	1,130	810	— 320
7. Fees and fines	1,480	1,270	— 210
8. Fishery rents	1,460	510	— 950
9. Sundry receipts	2,210	1,200	— 1,010
10. Contributions from private individuals ..	500	..	— 500
11. Refund of expenditure	..	660	+ 660
12. Contributions from Provincial Funds—Education	3,400	2,700	— 700
Total ..	1,93,060	2,59,130	— 66,070

4. *Cess on Land.*—The revised figure has been adopted from the demand, collection and balance statement furnished by the Collector, and the increase is due to the expected collections in the current year of the suspended revenue.

5. *Tolls, Market, Ferry and Fishery Rents.*—The revised figures are the actual amounts for which the markets, &c., have been sold and the decrease is due to the unfavourable character of the season. Many of the fisheries have not been sold for want of bidders.

6. *School Fees, Bungalow Fees, Sundry Receipts and Fees and Fines.*—The revised estimate under these heads has been made with reference to the actuals of the first six months of the year and those of the previous years.

7. *Contribution from Private Individuals.*—The budgeted sum of Rs. 500 has not been retained in the revised estimate as there is no prospect of obtaining any contribution.

8. *Refund of Expenditure.*—The sum of Rs. 660 entered against this head represents the recoveries made from the contractors of Herihalu and Kanekal chattrams for short work done in previous years.

9. *Contribution from Provincial to Education.*—The revised estimate has been calculated from the sanctions obtained up to date for salary grants and the actual result grants received in previous years.

10. *Contribution from District Funds.*—The amount of contribution to taluk boards entered in the revised estimate consists of the following items :—

	Rs.
(i) Made to the Adóni Taluk Board for the improvement of water-supply	1,000
(ii) Made to the Hospet Taluk Board for the improvement of water-supply	1,000
(iii) Made to the Hospet Taluk Board for the repairs to the Harpanahalli high school building	1,098
(iv) Made to the Hospet Taluk Board for the sanitation of Ramandrug	80
Total ..	3,178

II.—Charges.

11. The statement below gives the variations between the figures in the budget and the revised estimate :—

Grant.	Budget estimate.	Revised grant.	Revised estimate.	Difference between columns 2 and 3.	Difference between columns 3 and 4.
1	2	3	4	5	6
	Rs.	Rs.	Rs.	Rs.	Rs.
Grant 1	1,08,490	1,11,620	1,11,470	+ 3,130	— 150
„ 2	34,330	34,330	33,640	..	— 690
„ 3	52,300	56,320	55,570	+ 4,020	— 750
„ 4	5,070	5,940	5,660	+ 870	— 280
„ 5	15,890	15,890	16,690	..	+ 800
Total ..	2,16,080	2,24,100	2,23,030	+ 8,020	— 1,070

The revised grant exceeds the budget estimate mainly under Grants 1 and 3. The allotments made for the completion of certain market sheds under the Hospet Taluk Board and for the repairs of the Alúr travellers' bungalow account for the increase under the former, while that under the latter is due to the provision made for the improvement of water-supply during the scarcity that prevailed in the early part of the year.

12. *Communications*—(1) *New Works.*—The revised grant is made up of the original allotment of Rs. 1,100, and the marginally-noted transfers made from the maintenance grant for the year. The whole of this amount is expected to be spent within the year.

	Rs.
(1) Constructing a 3-vent culvert at 16th mile 3rd furlong of road from Mysore frontier *viâ* Belaguppu to Kudair	250
(2) Constructing culverts on road from Bellary to Siruguppa	500
(3) Constructing five culverts on the 31st to 32nd mile of the Bellary-Siruguppa road	1,960
(4) Constructing a 4-vent culvert at 33rd mile 4th furlong of road from junction of Kudair road near Rayadrug towards Kalyandrug ..	500
(5) Constructing one culvert on road from Bellary *viâ* Bommanahal to Kalyandrug frontier	750
Total ..	3,960

(2) *Repairs.*—The original allotment of Rs. 81,360 has been reduced by the transfers noted above and by Rs. 80 contributed to the Hospet Taluk Board for the sanitation of Ramandrug.

13. *Civil Buildings*—(1) *New Works.*—The original allotment of Rs. 1,000 will be spent. The sum of Rs. 390 subsequently granted by the Hospet Taluk Board for the construction of a cook-room to the Kúdligi travellers' bungalow will not be expended as the work is not likely to be taken up this year.

(2) *Repairs.*—The increase over the original allotment is due to Rs. 680 sanctioned for repairing the travellers' bungalow at Alúr.

14. *Miscellaneous Public Improvements*—(1) *New Works.*—The revised grant of Rs. 2,140 made for completing the market sheds under the Hospet Taluk Board begun last year, but left incomplete, is expected to be fully spent.

(2) *Repairs.*—There will be a short expenditure of Rs. 300 under this head, as the repairs to the wells at Siddarampuram budgeted for will not be carried out as the inhabitants failed to make the contribution promised by them.

15. *Tools and Plant.*—There is an increase of Rs. 300, as the Local Fund Engineer is in urgent need of some of tools and expects to exceed the allotment by that sum.

16. *Grant 3, Medicines and Surgical Instruments.*—The probable expenditure under this head is Rs. 450 more than the allotment and this is on account of the provision for the Hospet hospital being quite insufficient for the purpose.

17. *Cholera and Epidemic Charges.*—The revised estimate exceeds the budget by Rs. 1,000. Part of this sum has already been spent by the Adóni Taluk Board under cholera charges. The rest will be expended by the Hospet Taluk Board under plague charges.

18. *Improvement of Water-supply.*—The increase in the revised estimate is due to the sinking of new wells and repairs to some of the old ones during the late famine.

19. The other variations under Grants 2, 3, 4 and 5 are small, and wherever necessary they have been explained in Statement No. IX.

20. The total expenditure according to the revised estimate is Rs. 2,23,030 and the probable closing balance of the year is Rs. 60,310 as shown below :—

		RS.
Opening balance	..	— 6,430
Receipts	..	2,89,770

Budget Estimate for 1898–99.

I.—Revenue and Receipts.

21. The expected closing balance of Rs. 60,310 has been adopted as the opening balance. The receipts of the year are estimated at Rs. 2,22,380 as against the budget estimate of Rs. 2,23,800 for the current year and the revised estimate of Rs. 2,89,770.

16. „ Private Individuals	699	500	..	..	— 500

22. *Cess on Land.*—The figure for this item of revenue has been adopted from the demand, collection and balance statement furnished by the Collector.

23. *Tolls, School Fees, Market Rents, Ferry Rents and Fishery Rents.*—The estimates under these heads have been made after taking into consideration the actuals of the past year and the probables of the current year and allowing a fair margin for the increase in revenue that may be expected from the favourable character of the next season.

24. *Sanitation—Miscellaneous and Sundry Receipts.*—The estimated revenue from the sale of sweepings has been transferred to the former head under Government memorandum, No. 983, dated 29th September 1897. Hence the increase under the former and the decrease under the latter. The total estimate under both the heads falls short of the budget for 1897–98 under "Sundry receipts", as the figures have been fixed with reference to the actuals of the previous year.

25. *Bungalow Fees.*—The actuals of 1896–97 and the first six months of the current year have not been favourable. Hence a reduction of Rs. 200 in the budget estimate compared with that of the current year.

26. *Fees and Fines.*—The private scavenging service has been introduced in the Rayadrug union and the estimate for 1898–99 has therefore been increased by Rs. 200.

27. *Public Works—Sale of Old Materials.*—The increase of Rs. 400 represents the amount expected to be realised by the sale of old materials of the Harpanahalli high school building proposed to be repaired during the year.

28. *Contribution from Private Individuals.*—No amount is expected under this head as there have been no offers of any kind up to date.

29. *Contribution from Provincial Funds—Education.*—The decrease under this head is due to the estimate for 1897–98 having been too high.

30. *Public Works.*—The increase of Rs. 1,800 is the grant still due from Provincial funds on account of the Harpanahalli high school building which, it is hoped, will be recovered within 1898–99.

II.—Charges.

The estimated expenditure for 1898–99 is Rs. 2,37,790.

31. *Grant 1, Public Works—Communications—New Works.*—The following works are proposed to be carried out during the year :—

	RS.
(i) Laying out a road from Bellary municipal limits to Honnahalli.	400
(ii) „ „ from the village of Nemakullu to Anjanayaswami temple	1,000
(iii) Constructing a road from the village of Gudikallu to the Yemmiganúru market	4,000

The Taluk Board, Bellary, has found the first two roads necessary as the places referred to are much resorted to by pilgrims and has provided funds for them. The cost of the third work is to be met from the Yemmiganúru market funds.

32. *Repairs.*—Under this head Rs. 82,460 have been provided for against Rupees 81,360 in the current year. The allotments have been revised to a certain extent by reducing the grant for the roads which have been repaired by famine labour and increasing that of others. A sum of Rs. 4,750 has been provided for the Hospet-Kampli road against Rs. 1,900 in the current year, as the Engineer reported that it is in very bad order and that a special grant is necessary for re-forming it. The allotment for the Kúdligi-Gudekota road has been doubled under the same circumstances. The total allotment under "New works" and "Repairs" more nearly approximates the minimum prescribed in G.O., No. 1686 L., dated 14th September 1895, than in the current year.

33. *Civil Buildings—New Works.*—Rs. 2,900 have been provided for the following works :—

	RS.
(i) Completing the chattram at Kanekal	1,000
(ii) „ „ at Herihalu	1,000
(iii) Constructing a school-house at Yemmiganúru	900
Total ..	2,900

The first two works were originally under the supervision of the Chairmen of the respective unions. These gentlemen not only did the work very slowly, but made certain excess payments. The works have now been transferred to the Local Fund Engineer. Revised estimates are under preparation. The excess payments have now been recovered and the works will in all probability be completed next year.

Work No. (iii).—This work was considered absolutely necessary and provided for in the current year's budget, but it was struck out by Government so that more funds may be made available for famine purposes. It is proposed to be carried out next year.

34. *Repairs.*—The allotment under this head has been increased by Rs. 4,500 on account of the following works:—

		Rs.
(1)	Repairing the roof of the Local Fund middle school building, Hospet	200
(2)	Repairing the Harpanahalli high school building	4,300
	Total ..	4,500

As the roof of the Hospet school building is in a very leaky condition and the school had to be closed during the last rainy season for a week, a special provision for its repairs has been found necessary. Before the last instalment, viz., Rs. 2,802, of the Provincial grant for constructing the Harpanahalli high school building was drawn, the Executive Engineer was asked by the Director of Public Instruction to countersign the completion report, and he found during his inspection that the work was not done in accordance with the estimate. The grant was therefore refused. The Local Fund Engineer having died in the meanwhile, it was not possible to take action against him. In order to obtain the grant it was found necessary to repair the building, and an estimate for Rs. 4,300 for its repairs has been sanctioned. Rs. 1,000 of the grant were paid last year after some correspondence with the Director. The district board has made a contribution of Rs. 1,098 to the Hospet Taluk Board in the current year towards the cost of repairs and Rs. 400 are expected from the sale of old materials. Thus it will be seen that the taluk board does not in reality incur any charge towards the repairs.

35. *Miscellaneous Public Improvements—New Works.*—The works proposed to be carried out are the following:—

		Rs.
(i)	Constructing a kunta at Sollapuram	1,200
(ii)	„ „ at Hanumapuram	1,250
(iii)	„ a market shed at Kosgi	600
(iv)	„ „ at Kowtalam	600

The villagers of Sollapuram and Hanumapuram have contributed towards the first two works in the previous years Rs. 314 and 870, respectively. The first of the two is proposed to be carried out from Dasabandam funds and the second by the taluk board. For want of funds, the full amount of the estimate has not been provided for in either case and only half the work is proposed to be done. The cost of the last two works is to be met from market funds.

36. *Repairs.*—The allotment for avenues has been increased by Rs. 300 under the district board. The necessity for improving the avenues in this district needs no comment.

37. *Local Fund Engineering Establishment.*—The provision under this head is Rs. 20,500 against Rs. 20,020 in the current year. The increase is due to the Local Fund Engineer and Supervisor having been required to travel more than they were hitherto doing.

38. *Tools and Plant.*—The increase of Rs. 600 in the allotment is due to provision having been made for some cast iron-rollers for the consolidation of metal on roads.

39. *Contingencies.*—There is an increase of Rs. 500 in the estimate for 1898–99 which has been fixed with reference to the actuals of 1896–97. Moreover, it is under

consideration to print all estimates for circulation among some of the members so that the work of the subordinate Engineering staff may be properly supervised.

40. *Grant 2.*—The total allotment for education is Rs. 35,430 against Rupees 34,330 in the current year.

41. *Inspection—Sessional Schools and Secondary Schools.*—The provisions under these heads have been repeated.

42. *Elementary Schools—Salary System.*—A sweeper on Re. 1 a month is proposed to be sanctioned for the Harpanahalli primary school, and a saving of Rs. 6 will be effected under "Miscellaneous" as the rent of the school has been reduced from Rs. 4 to Rs. 3½. At the request of the Sub-Assistant Inspector of Schools of Hospet, it is proposed to raise the pay of the 4th master, primary school, Hadagalli, from Rs. 5 to 6 as the present pay is quite inadequate to secure proper men.

43. *Salary-result System—Salaries of Masters, Fixed.*—The increase is due to the following additions made to the establishment:—

(i) The pay of the Molugavalli schoolmaster is proposed to be raised from Rs. 9 to Rs. 12 as it has been found difficult to get a man to stay there owing to the scarcity of water in the village.

(ii) Two panchama schools are proposed to be opened at Ujjini and Hirehadagalli in the Hospet division and each school is to be allowed a teacher on Rs. 6.

44. *Results.*—The increased provision under this head has been made in accordance with the recommendation of the Educational authorities.

45. *Miscellaneous.*—Under this head there is a net increase of Rs. 40 under furniture, maps, books, &c., which have to be supplied to the panchama schools which are to be newly opened.

46. *Grants-in-aid—Result Grants.*—Here also an increase of Rs. 300 has been made in the provision under the Adóni Taluk Board as proposed by the Educational authorities.

47. *Building Grants.*—The Educational authorities have recommended an allotment of Rs. 750 under this head. For want of funds, Rs. 100 only have been provided under the Adóni Taluk Board, which alone is in a position to meet the charge.

48. *Purchase of Books.*—The allotment for 1897–98, viz., Rs. 250, has been repeated, though the Director has recommended a provision of Rs. 500. The district board is not in a position to make a larger provision for want of funds. Moreover the books purchased during the current year will not, it is expected, all be sold this year. If, however, all the books are sold, funds can be provided in the course of the year.

49. *Grant 3, Medical Service.*—The total allotment under this head is Rs. 56,110 against Rs. 52,300 of the current year.

50. *Hospitals and Dispensaries—Medical Subordinates.*—The allotment under this head is Rs. 12,590 against Rs. 11,680 of the previous year. The increase is due to the periodical promotions to be given to the Rayadrug apothecary and the Holalagundi and Kúdligi hospital assistants and to the provision of 2nd-class hospital assistants for all the dispensaries in the district in accordance with the orders of Government. Some savings may be effected under this head if the number of 1st-class apothecaries in the district can be reduced. There will be four 1st-class apothecaries and one 2nd-class apothecary next year under the board.

51. *Clerks and Servants.*—Provision is made for the periodical increase of pay to the compounders attached to the Kanekal dispensary and Hospet hospital. Hence an increase of Rs. 40 in the provision under this head.

52. *Medicines and Surgical Apparatus.*—Under this head the allotment has been increased from Rs. 3,300 to Rs. 3,800 in accordance with the recommendation of the Surgeon-General with the Government of Madras as the usual provision for the Hospet hospital, viz., Rs. 300, has always been inadequate. The actuals for the past three years have been nearly Rs. 800.

53. *Medical Pupils.*—The provision has been reduced from Rs. 700 to Rs. 240, as only one female student is undergoing training for the apothecary grade on a stipend of Rs. 20 per mensem. No more hospital assistants will be trained by the board as third-class men cannot hold independent charge of dispensaries.

54. *District Medical and Sanitary Officer's Establishment.*—The pay of the head clerk is proposed to be raised from Rs. 25 to Rs. 30 and to be raised afterwards by annual increments of Rs. 2½ to a maximum of Rs. 35 and that of the 2nd clerk from Rs. 15 to Rs. 20. The present pay of the head clerk was fixed fourteen years ago, and since then the work in the office and the responsibilities of the incumbent have considerably increased. Moreover a pensionary contribution of Rs. 2½ is deducted from his pay. The 2nd clerk's pay, after deducting the pensionary contribution, is too low to attract any efficient hand for the post. There have been constant changes lately in the 2nd clerk's place on this account. The District Medical and Sanitary Officer, under the circumstances, strongly recommends the increase of pay to both of his clerks, so that intelligent and efficient men may remain in the appointments for sometime, and I agree with him.

55. *House-rent to Hospital Assistants.*—As all the Local Fund 3rd-class hospital assistants have been transferred to Provincial establishment, provision has been made for house-rent allowance to Provincial hospital assistants, who will be posted in their stead.

56. *Vaccination—Establishment.*—It is proposed to increase the pay of the three probationary vaccinators in the district from Rs. 5 to Rs. 7, as men cannot be obtained for the exceedingly low pay of Rs. 5 in this district. For this reason these men are constantly resigning and their places have to remain unfilled for some time before they can be filled up. Hence an increase of Rs. 70 under this head.

57. The allotment under "Contingencies" has been increased by Rs. 730 for the provision hitherto made for lymph, viz., Rs. 800, is quite insufficient. Lymph has to be obtained for nearly 30,000 cases a year at 9 pies a case.

58. *Sanitation.*—The provision under all the heads of sanitation amounts to Rs. 17,090 against Rs. 15,380 of the current year. The allotment for the improvement of water-supply has been increased by Rs. 270, which sum has been provided for sinking a well at Herihalu at a cost of Rs. 260 and for increase of pay of Re. 1 to the channel watcher at Siruguppa.

59. *Scavenging Establishment.*—The pay of scavengers in Kampli and Harpanahalli unions has been increased from Rs. 6 to Rs. 7 and Rs. 8, respectively, as they refused to work on the reduced pay of Rs. 6. The following additions are proposed to be made to the present establishment :—

Kowtalam union	..	1 sweeper on Rs. 4.
Kosgi union	..	2 scavengers on „ 7.
Holalagundi union	..	1 scavenger on „ 7.
Hospet union	..	1 „ on „ 6
		and 1 sweeper on „ 4.

A dust cart has been provided for the Harpanahalli union at a cost of Rs. 10 a month. These alterations and additions account for the increase of Rs. 700 under "Scavenging establishment."

60. Under "Other sanitary outlay", additional provision has been made for purchasing five hand dust-carts, repairing the hand and night-soil carts and constructing a shed for storing dry earth in the Rayadrug union and for constructing two latrines and urinals in the Alúr and Holalagundi unions at a cost of Rs. 250 each.

61. *Contributions to Provincial Services and Municipalities.*—The provision of 1897–98 has been repeated.

62. *Grant 4, Markets.*—The provision is the same as in the current year.

63. *Choultries.*—The provision has been reduced by Rs. 12, as the service of the chattram sweeper at Mannermusalwada have been found unnecessary.

64. *Public Bungalows.*—Provision has been made for the entertainment of a sweeper on Rs. 3 for the Parmadenanahalli travellers' bungalow, and the contingent charges of the Alúr travellers' bungalow have been increased from Rs. 2 to Rs. 12. Hence an increase of Rs. 40 under this head.

65. *Dasabandum Inams.*—An increase of Rs. 90 has been made in the lump sum allotment for water sheds, &c., in the inams under the Adóni Taluk Board. New inams have been transferred to the board since last year.

66. *Grant 5. Supervision and Management.*—The allotment for the controlling establishment at the Presidency has been repeated in the absence of the usual special instructions.

67. *Local Board's Office Establishment.*—The pay of the taluk board clerks, Bellary and Adóni, and of the head clerk, Taluk Board office, Hospet, is proposed to be increased by Rs. 5 each. The reasons for increasing the pay of the head clerk of the District Medical and Sanitary Officer hold good here also. It is also proposed to raise the pay of the Kampli union clerk from Rs. 7 to Rs. 8. The pay of Rs. 7 was fixed nearly twelve years ago and the clerk of Yemmiganúru—a place of similar but slightly greater importance—gets Rs. 10.

68. *Pensions.*—The provision under "Pensions" has been removed as the pensioned supervisor is now dead.

69. The budget closes with a balance of Rs 44,900 inclusive of Rs. 15,390 and Rs. 7,000 under Union and Endowment funds. The net balance available for general purposes is therefore Rs. 22,510 of which Rs. 51,080 appertain to the district board, the taluk boards closing with a deficit of Rs. 28,570. It is not proposed to make any contribution from the district board to cover this deficit unless it is known how much of the sum of Rs. 56,498 adjusted by the Accountant-General to cover deficits last year has to be repaid.

Revised estimate for 1897-98.

2. The receipts and charges for the current year are now estimated at Rs. 289770, and Rs. 223030 respectively against Rs. 223800 and Rs. 216080 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, being partly counterbalanced by a decrease under tolls, school fees, ferry rents and sundry receipts, while the increase appears mainly under in the charges under Grants 1 and 3. The entertainment for the current year, of the temporary toll gate establishment referred to in statement IX and shown in the proposition statement, to which however reference should have been made in the President's letter, is sanctioned.

Budget estimate for 1898-99

3. Receipts. The receipts for the ensuing year are placed at Rs. 222380 against Rs. 289770 in the revised estimate, the decrease which occurs, chiefly under land-cess being partly

~~poor~~ partly counterbalanced by an increase under tolls and public works contributions from provincial funds for works. From statement VIII it appears that the taluk Board of Adoni has contributed a sum of Rs. 400 to the Alur union in excess of the lighting charges proposed to be incurred in it and ~~of~~ Rs 100 to the Kautalam union although no such charges are ~~to~~ to be incurred there. Every endeavour should be made to restrict these general contributions, by reducing the expenditure of the unions, so that the amount which has now to be contributed from taluk funds may be available for expenditure for general purposes.

4. Charges.— (1).- The estimated charges are put down at Rs. 2,37,790 against Rs. 2,23,030 in the revised estimate, the increase appearing chiefly under Grant 1.

(2) Grant 1.— None of the new works provided for in the budget should be undertaken until

Note
For a precedent please see para 3 of G.O. No 2882 dt 13-2-96 (Hy B)

until the plans and estimate for them are sanctioned by competent authority. The allotment for communications is less than the prescribed minimum by 5 per cent, while the ~~proportion~~ of the cost of the Local Fund Engineering establishment to the expenditure on public works is slightly in excess of the limit of 20 per cent. prescribed by Government. ~~It~~ Government hopes that steps will be taken in the course of the year to reach the required ~~limit~~.

k It is hoped that this will not be the case when additional allotments for works shall have been sanctioned in the course of the year.

(3) Grant 2.— k ~~As funds are not available, the proposed~~ additions to and alterations in the educational establishments referred to in paras. 42 and 43 (i) of the President's letter cannot be sanctioned; ~~and~~ the amount provided in excess of the current year's budget allotments, ~~in the case of~~ for "elementary schools on the Salary Result System" and "Grants-in-aid" will be struck

k The provision made for the two panchama schools at Elüru and Kirumandalam referred to in para. 43 (ii) of the President's letter will be retained, but for want of funds the remaining

k and the provision for the purchase of books and commission on their sale will be reduced by Rs. 200.

(4)

(4) Grant 3.— The allotments for ~~vaccination~~ vaccination and sanitation will be allowed to stand pending the remarks of ~~the Surgeon General~~ the Sanitary Commissioner. Under contributions to Provincial funds on account of the Medical College, Sanitary inspection and medical reserve staff, the actuals of 1896-97 will be ~~retained~~ repeated, with reference to G.O. No. 641 L, dated 23rd April 1887.

(5) Grant 4.— The alterations proposed in the choultry and bungalow establishments ~~proposed~~ in paras. 63 and 64 are sanctioned.

(6) Grant 5.— With reference to G.O. No. 2473 L, dated 22nd December 1897, the contribution for the controlling establishments at the Presidency will be reduced from Rs. 2,100 to Rs. 1260. For want of funds and in the absence of sufficient grounds, the ~~proposed~~ increase in the salaries of the clerks of the taluk boards' offices, ~~proposed~~ referred to in para. 67 cannot be sanctioned.

5. Allotments and Balance.

An allotment of Rs. 27,500 will be made to the taluk funds to avoid the deficit with which they are expected to close the year and a sum of Rs. ~~25,000~~ 15580 will be provided for the repayment of a portion of the amount adjusted from Provincial funds in 1896-97. The budget, as revised by Government, will then close with a balance of Rs. ~~22,390~~ 31810, of which Rs. 15,390 appertain to unions and Rs. 7000 to endowed institutions, leaving Rs 94 20 or 5 per cent of the estimated receipts nothing available for general purposes.
