SUBJECT.

Reporting that one Murugesam Pillai of No 19 Regmt M I has evaded the Plague Regulations

P.Asst
Have been seen
previously
Vide 2 P
21/9/98

This is the second case of the
kind reported to me from
Pattukottai where persons have
left the camp without obtaining
the usual certificate from the
Medical Officer in charge of the
camp and proceeded to Tanjore
without the passes required by
the rules. In the present case
the man has left the camp
without obtaining any certificate
from the Medical Officer in charge
of the camp and proceeded to
Tanjore. He is now in the
Tanjore Hospital under observation
for plague. He came to Tanjore
in a bullock cart. He says he
left the camp because he was
afraid of being detained there
for a long time. He says he
came to Tanjore to consult a
native doctor. He has been
warned not to leave the
Tanjore Hospital without
permission.

No case exactly like this has been reported, but the papers on the limited files show that the passport rules are being evaded. These papers are replies to Memo No 102 P. dt 16-8-98, which is submitted below.
