Am for order. It
was seen that these two
- beams & Eurasians used
these tents. Order

The following telegram will
be despatched to the S. A. G.
Madras Command:

"The Government will
be obliged if eleven
plague supervisors in
Bellary and Kurnool
can be supplied with 2 tents
each."

I don't know what size they have.
Halter ask H. J. G. Ordinance - But
had would it not be better to put these
men? Their ranges are so small that
they should be able to get back to H. J. G.
every night. Or they might have tents
with. The former requisition was
for tents required by H. J. G.

Long run up in more places than
16/3/98 on - This wd. be cheaper, I had
say, than to put them tents & knock
about.

Am for orders whether the men get these tents or rely on huts. D.O. No. 45

God plague come they will be useless without tents, & Col. most times can fortunately supply small tents. I suggest 2 Staff Sergeants tents & a servants tent for each man; the Read Cho's 265 P & 364 P. From Servant must have shelter against storm. The Inspector Genl. of Ordnance.
