N. C No. 1520

Madura District Board Office,

27th January 1898.

From

J. G. D. Partridge Esquire,
President, District Board,
Madura.

To

LOCAL & MUNICIPAL DEPARTMENT No. 262 L
The Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

The District Board Engineer, Madura, reports that out of 52855 cubic feet of kunkar collected and deposited at the side of the 33rd and 34th miles of Road No 38 - Periyakulam to Gudalur in 1895-96, 20383 cubic feet were spread in 1895-96 and 1896-97, and of the balance of 32472 cubic feet, only 24299 cubic feet is actually found at the side of the road now as checkmeasured by the Supervisor, Periyakulam Sub Division. The Engineer recommends that of the deficit of 8173 cubic feet, 5814 cubic feet may be accounted for by probable shrinkage at $5\frac{1}{2}$ percent a year, for the two years, and that the value of the balance of 2359 cubic feet, viz Rs 35-6-2 may be recovered from the overrect responsible. The District Board has, in its resolution No 153, dated 17th January 1898 (enclosed), approved of his recommendation, and I have the honor to request that Government will be pleased to sanction the writing off from the accounts the value of 5814 cubic feet, viz Rs 87-3-5.

I have the honor to be
Sir

Your most obedt servt
Anirasaikan
