Order. 1.2.98

Recorded with the following

remarks:-

(1) The Chairman is requested to report through the Collector when and on what principle the District Board's share of tolls in Bimilipatam was fixed at one-fourth, and the grounds on which the request of the Municipal Council is based.

(2) The delay of nearly four months in the submission of this explanation is unsatisfactory and should have been explained.

From

Chairman Municipal Council,

To

The Secretary to Government,
Local and Municipal Department,
Fort. St. George Madras.

Sir,
With reference to your Reminder No. 1252 dated 4th Instant, I have the honor to submit the explanation for G.O. No. 1734 M. dated 7th August 94 para 3 (3 & 4) which runs as follows:—

- (1) Although the Municipal Council tried its utmost to create a demand for manure, still its efforts were not crowned with success in as much as the demand was very little for want of cultivated grounds in the surroundings and of the appreciation of the manure for fields. Consequently the receipts from the sale of sweepings did not show an appreciable advance.
- (2) The year under review being one of the Famine, no keener competition was held for trade which consequently was in the decline throughout the year. One necessary result of this was that there was a decline in the income from tolls.
- (3) As for the Municipal Council's request for the reduction of the District Board's share of tolls, I beg to submit, that it was, after having had its full share of discussion with the District Board, brought to the notice of the Government with the request that it would take necessary steps in that direction as the District Board did not seem necessary to take cognisance of the requests of the Council.
- (4) As the bulk of the townsmen is generally very poor, it cannot afford to have private latrines and require the services of the private scavenging agency of the Municipality; and consequently it avails itself of the public latrines of the Municipality. I therefore beg to state that that service was to be worked at a loss of Rs 96. to the Municipal Council. However the Council

Council fully trusts that this loss can be made up for ere long in as much as it has been ^{existing subject to} existing its utmost in that direction.

(5) As for the number of prosecutions under sections 221 & 222 of the District Municipalities Act, I beg to state that, those prosecutions being of very rare occurrence in this Municipality, the Council might not have hitherto provided the Government with satisfactory information regarding such prosecutions; and that since the Government insists on being well informed on that point, the Council would, hereafter, take the necessary precautions in that direction.

I have the honor to be,

Swi,

Your most obedient servant

Mr. Kilachavan
Chairman M.P.
