GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From M.R.Ry. R. SUNDARESA MUDALIYAR Avargal, B.A., President, Taluk Board, Tirukkóyilúr, to the President, District Board, South Arcot, dated 15th August 1897, Dis. Regr. No. 209.

In submitting herewith a copy of the resolution of this taluk board, No. 14-A, dated 30th July 1897, I have the honour to request that you will be good enough to obtain the sanction of Government for the constitution of Tyagadrug into a union and for the levy of house-tax therein at the maximum schedule rates from 1st November 1897.

2. Tyagadrug is a hamlet of the revenue village of Periamambat, but it, being more important than the mother village in point of population and commerce, is more widely known than Periamambat. It is proposed to constitute into a union the revenue villages of Periamambat and Pukkulam at a distance of 6 furlongs from one another and to designate it as the Tyagadrug union.

3. The proposed union comprising the two revenue villages has 940 houses with a population of 4,405 and will be a minor union with seven members.

4. Tyagadrug is a town of considerable commercial importance on the Salem frontier road with a large number of bazaars, godowns and well-built houses owned by wealthy merchants and is noted for its traffic with Salem, Panruti, Tiruvannámalai and other distant parts. It is about 8 miles from Kallakurichi, 14 miles from Ulundurpet and 19 miles from Tirukkóyilúr. It is the halting place for numerous carts from distant commercial centres, so much so that the probable receipts by way of cart-stand fees alone may be taken as Rs. 180 a year. There are at present a post office, a police station, a first-class local fund primary school, a local fund choultry, together with an inspection shed used as a travellers' bungalow, in the town of Tyagadrug. A scavenging staff consisting of three sweepers at a cost of Rs. 150 per annum is now maintained there at the expense of the taluk board. There was also until recently a maistry on Rs. 96 a year, but his service has been dispensed with. The staff now at work is found quite inadequate for the requirements of the important town, and the taluk board in its present financial condition is unable to increase the staff and ensure better supervision. It is therefore considered by the taluk board that, in the interests of better sanitation and health of the inhabitants, Tyagadrug should have the special advantages of a union at no distant date and that the board will thereby be relieved of the cost of maintaining the existing staff of scavengers in view to its being utilized in the improvement of roads and communications which demands special attention.

5. The union will be a self-supporting one, the probable receipts being Rs. 965 against the estimated ordinary charges of Rs. 566, and the large savings may be spent in improving the sanitation of the town, the source of drinking-water supply and in providing the town with half a dozen lights. It is proposed to spend Rs. 300 in the first year on such special improvements.

6. Statements showing the probable receipts, expenditure, population and area, together with a map, are herewith submitted.

ENCLOSURES.

Read proposals for the formation of a union at Tyagadrug.

Resolution No. 14-A.—The taluk board strongly recommends the constitution of Tyagadrug into a union comprising the revenue villages of Periamambat and Pukkulam and proposes to levy house-tax at the maximum schedule rates. The union will be a self-supporting institution, and relieve the taluk board of the expenditure now being incurred for the maintenance of a scavenging staff there. The district board will be addressed on the subject and requested to take steps for the introduction of the union from 1st November 1897.

Read letter from the President, Taluk Board, Tirukkóyilúr, dated 15th instant, No. 209, submitting proposals for constituting Tyagadrug into a union.

Resolution No. 10.—The district board approves of the proposal and recommends that Tyagadrug be constituted a minor union and that maximum rates be levied with effect from 1st November 1897. It considers, however, that Pukkulam should be excluded from the union and that the pay of the clerk would be fixed at Rs. 8.

EXTRACT from the Proceedings of the Taluk Board, Tirukkóyilúr, passed at a meeting held at Tirukkóyilúr on the 15th November 1897.

Read letter from the President, District Board, South Arcot, Ref. on Govt. No. 150-D.B., dated 13th November 1897, requesting to communicate the opinion of the taluk board on the district board's resolution, No. 13, dated 30th October 1897, excluding the village of Pukkulam from the proposed Tyagadrug union.

Resolution No. 2.—Pukkulam is a village of some importance within 6 furlongs from Tyagadrug, and it is brought to notice that a good number of merchants carrying on trade at Tyagadrug live at Pukkulam. The residents of the latter village have frequently to visit Tyagadrug for effecting purchases and on other business. It is proposed to connect the two villages by a substantial road and provide for a few lanterns for the convenience of the people. The estimated receipts in Pukkulam village will amply cover the additional charges to be incurred by taking in Pukkulam in the proposed union. As for the pay of a clerk for the panchayat it was fixed at Rs. 10 per mensem in consideration of the fact that he has to attend to the collection of house-tax, &c., and furnish security as required in G.O., No. 1335 L., dated 20th July 1894. It is not easy to secure a candidate with the required qualifications if the pay is not sufficiently attractive. Hence the taluk board is unanimously of opinion that it is very desirable to include the village of Pukkulam in the proposed union and to fix the pay of the clerk at Rs. 10 per mensem as originally recommended.

SIR,

In submitting herewith a copy of the resolution of this Taluq Board No 14 A dated 30th July 1897, I have the honour to request that you will be good enough to obtain the sanction of Government for the constitution of Tyagadrug into a Union and for the levy of House Tax therein at the Maximum Schedule rates from 1st November 1897.

2. Tyagadrug is a hamlet of the Revenue Village of Periamambat, but it being more important than the mother Village in point of population and commerce, is more widely known than Periamambat. It is proposed to constitute into a Union the Revenue Villages of Periamambat and Putkulam at a distance of 6 furlongs from one another and to designate it as the Tyagadrug Union.

3. The proposed Union comprising the two Revenue Villages has 940 houses with a population of 4405 and will be a Minor Union with 7 Members.

4. Tyagadrug is a town of considerable commercial importance on the Salem Frontier Road with a large number of bazaars, godowns and well built houses owned by wealthy merchants and is noted for its traffic with Salem, Punrutty, Tirunamalai and other distant parts. It is about 8 miles from Kallakurchi, 14 miles from Ulundurpet and 19 miles from Trikoilur. It is the halting place for numerous carts from distant commercial centres, so much so that the probable receipts by way of Cart stand fees alone may be taken as Rs 180 a year. There are at present a Post office, a Police Station, a first class Local fund Primary School, a L. F. Choultry together with an inspection shed used as a travellers' Bungalow, in the town of Tyagadrug. A Scavenging staff consisting of three sweepers at a cost of Rs 150 per annum is now maintained there, at the expense of the Taluq Board.

According to Statt. VI of the budget for 97-98. Page 53 of G.O. No 506 (L) 13.3.97

There was also until recently a maistry on Rs 96 a year, but his services has been dispensed with. The staff now at work is found quite inadequate for the requirements of the important town, and the Taluq Board in its present financial condition is unable to increase the staff and ensure better supervision.

Para 4(a) of G.O. No 506 (L) 13.3.97

It is therefore considered by the Taluq Board that in the interests of better sanitation and health of the inhabitants Tyagadrug should have the special advantages of a Union at no distant date and that the

Board will thereby be relieved of the cost of maintaining the existing staff of scavengers in view to its being utilized in the improvement of roads and communications which demands special attention.

5. The Union will be a self supporting one, the probable receipts being Rs 865 against the estimated ordinary charges of Rs 566, and the large savings may be spent in improving the sanitation of the town, the source of drinking water supply and ~~improving~~ in providing the town with half a dozen lights. It is proposed to spend Rs 300 in the first year on such special improvements.

6. Statements showing the probable receipts, expenditure, population and area together with a map are herewith submitted.

2. Read letter from the President, District Board, South Arcot, Ref on Govt No. $\frac{150}{DB}$ of '97 dated 13-11-97 requesting to communicate the opinion of the Taluk Board on the

2/3331/98

the District Board's Resolution No 13/30.10.97 excluding the village of Pukkulam from the proposed Tyagadroog Union

---

Pukkulam is a village of some importance within 6 furlongs from Tyagadroog, and it is brought to notice that a good number of merchants carrying on trade at Tyagadroog live at Pukkulam. The residents of the latter village have frequently to visit Tyagadroog for effecting purchases and on other business. It is proposed to connect the two villages by a substantial road and provide for a few lanterns for the convenience of the people. The estimated receipts in Pukkulam village will amply cover the additional charges to be incurred by taking in Pukkulam in the proposed Union. As for the pay for a clerk for the Punchayat it was fixed at Rs10 per mensem in consideration of the fact that he has to attend to the collection of House-taxes and furnish security as required in G.O No. 1335L/20.7.94. It is not easy to secure a candidate with the required qualifications if the pay is not sufficiently attractive. Hence the Taluk Board is unanimously of opinion that it is very desirable to include the village of Pukkulam in the proposed union and to fix the pay of the clerk at Rs10 p.m as originally recommended
