NOTE FOR THE

to C. M. 19/10

Dear Batten

With reference to your letter of 9th Oct I have already written & telegraphed to Talapet to have a much more careful observation kept upon all suspicious persons coming from Bangalore. I am afraid it is very likely that there is good deal of misbehaviour among the subordinate officials. I will however, warn the Collector of Salem about what you say & tell him to do all in his power to improve matters here.
