Read—again the following Proceedings of the Board of Revenue (Separate Revenue),
Mis. No. 2881, dated 8th July 1897 :—

Read—the following letter from the Deputy Commissioner, Northern Division, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 5th July 1897, No. 1671 :—

5. I desire particularly to draw attention to the last sentence in my office memorandum of 19th June, which runs —

"The men must all get good extra pay for their increased work and responsibilities."

It is necessary that officers on whom double duties and responsibilities are thrown should receive consideration for the same, and I expect the same to be granted with no stinted hand.

Read—telegram from the Deputy Commissioner, Northern Division, dated 8th July 1897.

Resolution—Mis. No. 2881, dated 8th July 1897.

2. The Famine Commissioner's attention will be invited to paragraph 5 of the Deputy Commissioner's letter read above, and he will be requested to consider whether any extra emoluments can be granted to the men placed at his disposal for famine duty. The Board would urge that a liberal allowance may be made, as they will have not only extra work and responsibility, but extra expenses to meet.

Resolution—Mis. No. 6154, dated 6th August 1897.

In paragraph 2 of his Proceedings read above, the Commissioner of the Salt, Abkari and Customs Departments asks whether any extra emoluments can be granted to the officers of his department deputed for famine duty. This is a matter for Government to decide, and the Famine Commissioner who heartily endorses what is said on this subject by the Commissioner and Deputy Commissioner, begs to suggest that the following allowances may be sanctioned for the various classes of officers.

(1) Taluk-relief officers, (2) Overseers, (3) Circle-relief Inspectors.

For (1) Inspectors and the higher grades of Assistant Inspectors are taken ;
For (2) the lower grades of Assistant Inspectors and the upper grades of Sub-Inspectors ;
For (3) Sub-Inspectors.

The duties of a Taluk-relief officer are onerous and responsible, and the Famine Commissioner considers—whatever his grade—he should receive an allowance of Rs. 150 per mensem. Assistant and Sub-Inspectors working as Overseers should receive Rs. 50 per mensem and Sub-Inspectors as Circle-relief Inspectors, Rs. 20 per mensem; the allowance to Sub-Inspectors should be exclusive of the travelling allowance recommended in Board's Proceedings, Mis. No. 4875, dated 3rd July 1897.

3. The Famine Commissioner is aware that these allowances will be, in many cases, in excess of the limit of 20 per cent. of salary fixed by article 98 of the Civil Service Regulations, but they are below the allowances which can be granted under article 101. The case of the Salt and Abkari Department officers is worthy of consideration; for, though they may be not transferred from one Presidency to another, they are to be employed upon duties of an onerous, and, to them, unusual nature. It is for the latter reason that Military officers are assigned a higher rate of allowances, irrespective of whether they are transferred from their own Presidency or Province or not, and as Military officers likely to be working alongside Salt and Abkari Department officers on similar famine duties, it seems fair that the latter should be granted allowances, which more nearly approximate to those of article 101 than would be permissible under article 98.
