SUBJECT.

Local allowance to Vaccinators working in the Wynaad

FOR ORDERS.

F With his letter No 576 dated 29th April 1897, the President of the District Board of Malabar submitted for the sanction of Government, a resolution of the Board, approving the grant of a local allowance of half their pay to Local Fund Vac-

cinators working in the Wynaad.

The President stated that these

G Vaccinators were under G.O. No 1735

Financial dated 14th October 1894

getting only an allowance of Rs 5

per mensem in addition to their

pay, irrespective of the class to which

they belonged. No first class vac-

cinators were paid a salary of Rs 18

or Rs 15 according to their grade,

while the second class men were paid

Rs 10 per mensem, ... President

that those drawing higher pay should get a higher rate of Wynaad allowance. The Government, however, considered (G.O. No 13162 dated 8th July 1897) that as all the vaccinators were of the same class in life, they should receive the same rate of Wynaad allowance and the District Board was requested to revise its proposal accordingly.

2 With his letter read above, the President now submits a resolution of the District Board stating that if all the vaccinators in the Wynaad are to receive the same rate of allowance, they should all be given the allowance of a first class vaccinator, namely Rs 9 per mensem, which is 50 per cent of his pay. The Board, however, brings to the notice of Government that the Wynaad allowances of subordinates in the Land Revenue Department are calculated at 50 per cent on their pay irrespective of their class in life.

3. In his note in G.O. No 13162 dated 8th July 1897, the Hon'ble Sir Henry

H

H

Henry Bliss remarked as follows:-

"The men are of the same class in life and should all get the same rate of Wynaad allowance x x."

"Rs 5 may be too low a rate - as to that I express no opinion - But I can see no reason why one man should get more than another."

"We have maintained the principle of special local and travelling allowances not varying with pay in numerous instances lately."

The orders of the kind referred to by the H.M. appear to have been passed in individual cases in other departments. The Revenue Department was requested to furnish some precedents, but none beyond G.O. No 1089 Revenue dated 23rd December 1893, in which it was held that the Cost of living on the hills (Kodaikanal) must be the same to each member of
