**G.O., No. 313 L., 22nd February 1898.**

**FEBRUARY.**

**Budget.**

Reviewing the Coimbatore District Board — for 1898-99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From A. BUTTERWORTH, Esq., President, District Board, Coimbatore, to the Secretary to Government, Local and Municipal Department, dated 6th December 1897, Dis. No. 1018-D.B.

I have the honour to submit the local fund consolidated budget estimate of the Coimbatore district for 1898–99 passed by the district board at its meeting of the 30th November 1897. The prescribed statements and the proposition statements as per list attached are enclosed and the district map will follow.

REVISED ESTIMATE FOR 1897–98.

2. The year opened with a balance of Rs. 74,350 against the budget estimate of Rs. 64,470. The balance in favour of endowments was Rs. 2,740 against Rs. 2,540, and that in favour of general funds Rs. 71,610 against Rs. 61,930 including union funds. The increase in the opening balance is due to large receipts under tolls.

3. The receipts are now estimated at Rs. 4,77,790 * against the budget estimate of Rs. 4,52,990 * and the charges at Rs. 4,42,550 * against the estimate of Rs. 4,22,660. * The year is expected to close with a balance of Rs. 35,240—Rs. 30,830 appertaining to general funds, Rs. 4,240 to endowments and Rs. 170 to union funds. The closing balance was originally estimated at Rs. 21,390. The increase in the opening balance and other causes detailed below account for the large increase in the closing balance.

* Excluding allotments from one fund to another.

4. The transactions of the several local boards according to the revised estimate are summarized below :—

| Local Boards. | Opening balance. | Receipts. | Total. | Charges. | Balance | | Total. |
|---|---|---|---|---|---|---|---|
| | | | | | General fund. | Endowment fund. | |
| | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. |
| Coimbatore District Board .. .. | 51,540 | 76,990 | 1,28,530 | 1,12,280 | 16,250 | .. | 16,250 |
| Coimbatore Taluk Board .. .. | 9,470 | 82,160 | 91,630 | 87,190 | 2,150 | 2,290 | 4,440 |
| Erode ,, .. .. | 13,540 | 1,16,550 | 1,30,090 | 1,21,190 | 7,710 | 1,190 | 8,900 |
| Pollachi ,, .. .. | 830 | 1,00,020 | 1,00,850 | 96,590 | 4,020 | 240 | 4,260 |
| Kollegal ,, .. .. | —1,030 | 27,720 | 26,690 | 25,300 | 870 | 520 | 1,390 |
| Total Taluk Boards .. | 22,810 | 3,26,450 | 3,49,260 | 3,30,270 | 14,750 | 4,240 | 18,990 |
| Grand Total .. | 74,350 | 4,03,440 | 4,77,790 | 4,42,550 | 31,000 | 4,240 | 35,240 |

5. The principal variations between the budget and the revised estimates are explained below :—

*Receipts.*

(1) *Land-cess.*—The income from this source is put down as Rs. 2,08,240 against the budget estimate of Rs. 2,06,420.

(2) *Tolls.*—The increase of Rs. 1,570 over the budget estimate of Rs. 69,250 is based on the actuals of the current year. About Rs. 1,800 of this is due to the new toll-gate in the Kollegal taluk.

(3) *House-tax.*—The income is calculated at Rs. 18,490 against the budget estimate of Rs. 17,790. The revision of the tax in the Dhárápuram and Bhaváni unions and the inclusion of an arrear balance of Rs. 560 in the Pollachi Taluk Board figures account for the increase.

(4) *Miscellaneous.*—The revised estimate of Rs. 64,390 against Rs. 63,570 is based on the actuals of the last six months.

(5) *Public Works.*—The increase of Rs. 3,300 over the budget estimate of Rs. 780 is due to the sale of the old market site at Pollachi sanctioned in G.O., Mis. No. 1840 L., of 5th October 1896, and to the receipt of contributions (Rs. 250) from private individuals for improving certain roads.

(6) *Contributions from Provincial Funds for Education.*—The Kollegal Taluk Board expects to realize the arrear grant of Rs. 1,850 towards the cost of the lower secondary school at Kollegal and of the primary school at Ramapuram. The total income under this head is therefore estimated at Rs. 8,550 against Rs. 7,100.

*Charges.*

(7) *Grant 1.*—The revised estimate for the total charges under Grant 1 amounts to Rs. 2,58,050 against the budget estimate of Rs. 2,46,750 and Rs. 2,58,155, the grant for the year. The increase is due to the additional works which are detailed in statement IX. The provision for the Amarávati causeway does not appear in the revised estimate as the project has been given up in favour of a suspension bridge for which plans and estimates have been called for (*vide* G.O., Mis. No. 634 L., of 31st March 1897). The Pollachi Taluk Board has deferred the improvement of Kinathukadavu market (estimate Rs. 1,140) for the next year.

(8) *Grant 2.*—The charges under this head are Rs. 60,260 against Rs. 60,240, the budget estimate.

(9) *Grant 3.*—The expenditure according to the revised estimate amounts to Rs. 85,320 against the budget estimate of Rs. 81,070. The increase is mainly on account of a provision of Rs. 4,000 under "Plague."

(10) *Grant 4.*—It is proposed to expend a sum of Rs. 9,290 against the budget estimate of Rs. 9,100 under this grant.

(11) *Grant 5.*—The revised allotment under this head amounts to Rs. 25,640 against Rs. 25,500, the budget estimate.

The revision of establishment sanctioned by local boards under the powers given to them in G.O., No. 889 L., dated 17th May 1894, due to the entertainment of a teacher in Aravakurchi primary school, a toti and a sweeper at Udamalpet high school and at Udamalpet primary school, respectively, is detailed in the proposition statements submitted herewith for sanction.

BUDGET ESTIMATE FOR 1898–99.

6. The closing balance of Rs. 35,240 has been brought forward in the budget for 1898–99.

*Receipts.*

7. *Land-cess.*—The total demand of the year is Rs. 2,12,960, of which Rupees 2,06,860 or 97·13 per cent. is expected to be collected.

8. *Tolls.*—The income under this head is Rs. 71,600 against Rs. 69,250 and is based on the actuals of the current year.

The Government has in its order Mis. No. 2264 L., dated 22nd November last, sanctioned, from 1st April 1898, the establishment of a toll-gate at Nelaputhukovil on the road between Dhalli and Tirumurthi hills and from this an income of Rs. 750 is expected.

9. *House-tax.*—The receipts from house-tax are estimated at Rs. 18,820 against Rs. 17,790 in the current year's budget. The increase is due to the proposed revision of house-tax in the unions of Kurchi, Méttupálaiyam, Gopichettipálaiyam, Pollachi and Súlúr and to the revision of the tax in Dhárápuram and Bhaváni.

10. *Education.*—The Educational Department estimates the receipts from school-fees at Rs. 18,030 against Rs. 16,430 owing to the improvement in the strength of the board schools.

11. *Medical.*—The contribution of Rs. 450 from Municipal funds, for which credit is taken towards the salary of the district board's female apothecary lent for service to the Karúr municipal council. Under "Miscellaneous" as comprised the sale-proceeds of sweepings and materials used for sanitary purposes and of vaccine paste supplied to municipalities.

12. *Miscellaneous.*—The receipts for miscellaneous items are calculated at Rupees 64,860 against the current year's budget estimate of Rs. 63,570 and are mostly based on the actuals of the current year.

13. *Public Works.*—Credit is taken for the usual contribution of Rs. 600 from the Forest Department towards the repair of Anamalai-Sethumadai road and for the rent of Rs. 120 for the civil apothecary's quarters at Méttupálaiyam.

14. *Contribution from Provincial Funds.*—The grants expected from Government on account of education aggregate Rs. 7,360. The Pollachi Taluk Board expects a building grant of Rs. 250 towards the cost of the additions proposed to be made to the buildings of the Udamalpet primary school.

15. The total receipts of the several boards excluding allotments from one fund to another are Rs. 4,30,760 as follows:—

| | RS. |
|---|---|
| Coimbatore District Board .. .. .. .. .. .. | 1,92,280 |
| ,, Taluk Board .. .. .. .. .. .. | 58,390 |
| Erode Taluk Board .. .. .. .. .. .. | 95,530 |
| Pollachi Taluk Board .. .. .. .. .. .. | 74,670 |
| Kollegal ,, .. .. .. .. .. .. | 9,890 |
| Total .. | 4,30,760 |

*Expenditure.*

16. *Grant 1, New Works.*—Rs. 6,840 are allotted for new works. Under "Communications" a sum of Rs. 3,000 is provided for a railway feeder road from the Vijayamangalam railway station to join the Uttukuli-Chennimalai road (the provision made in 1896–97 not having been utilized pending the acquisition of the necessary lands) and Rs. 800 for making a road from Kollegal to Kunthur. The accommodation for the primary school at Udamalpet is insufficient as the school is going up in strength and it is therefore proposed to extend the present school-house at an estimated cost of Rs. 1,900. The improvements to the Kinathukadavu market (Rs. 1,140) are also provided for.

17. *Repairs.*—The allotment for repairs is Rs. 1,80,860 against Rs. 1,92,820 for 1897–98; of this Rs. 1,73,050 are for roads. For want of funds and in consideration of large expenditure on special repairs in the current year, only Rs. 6,800 are provided for special repairs to roads. The Pollachi and Kollegal Taluk Boards have proposed to take up four additional roads for maintenance—three in the former and one in the latter.

18. The provision under other heads of Grant 1 is the same as for the current year.

19. Under "Contingencies" provision is made for the purchase of one copy of the third edition of the Civil Service Regulations and of the Civil Account Code with correction slips for the use of the Local Board Engineer's office.

20. The total charges under Grant 1 amount to Rs. 2,20,550, of which Rupees 44,450 relate to endowments. A sum of Rs. 1,76,850 is provided for outlay on communications against Rs. 1,74,710, the minimum outlay prescribed in G.O., No. 1686 L., dated 14th September 1895.

21. *Grant 2, Education—Inspection.*—The details of the provision of Rs. 5,860 are given below:—

| Salaries of— | RS. |
|---|---|
| Two Inspecting schoolmasters at Rs. 40 .. .. .. .. | 960 |
| Two do. at Rs. 35 .. .. .. .. | 840 |
| Three do. at Rs. 30 .. .. .. .. | 1,080 |
| Three do. at Rs. 25 .. .. .. .. | 900 |
| Local allowance to the Inspecting schoolmaster, Kollegal, sanctioned in G.O., Mis. No. 2326 L., dated 16th October 1889, at Rs. 15. | 180 |
| Local allowance to the Inspecting schoolmaster at Satyamangalam sanctioned in G.O., No. 456 L., dated 10th March 1896, at Rs. 5. | 60 |
| Salary of peons to the Inspecting schoolmasters of Satyamangalam and Kollegal on Rs. 6 for each .. .. .. .. .. | 144 |
| Travelling allowance .. .. .. .. .. .. .. | 1,200 |
| Contingencies including office rent and furniture for Inspecting schoolmasters .. .. .. .. .. .. .. | 500 |
| Total .. | 5,864 |

22. *Sessional Normal Schools.*—A provision of Rs. 1,350, as in the current year, is made to maintain an itinerating sessional school throughout the year working at three centres for three and-a-half months at each centre. This amount includes the salary of a teacher on Rs. 20 a month, sixty stipends at Rs. 5 for three and-a-half months and a contingent allowance of Rs. 60 a year.

23. *Secondary Schools—Salary System.*—The upper secondary schools at Dhárápuram and Udamalpet and the lower secondary schools at Pollachi, Bhaváni and Kollegal are conducted under this system. A sum of Rs. 13,570 is allotted against Rs. 12,610 in 1897–98. The increase is due (1) to the proposed entertainment of a teacher on Rs. 45 for the high school at Dhárápuram and to the entertainment of a toti on Rs. 2 for the Udamalpet high school, and (2) to the proposed increase by Rs. 5 in the salary of the science assistant at Udamalpet, Rs. 8 in that of the headmaster of the middle school at Pollachi and Rs. 10 in that of the head master of the Kollegal middle school. The staff at Dhárápuram is considered weak by the Educational authorities whose recommendation to entertain an additional teacher on Rs. 45 has been accepted by the taluk and district boards. The science assistant of the Udamalpet high school has been sent for training to the Teachers' College. The Principal of that institution recommends that his pay be raised to Rs. 60; but the taluk board considers Rs. 45 to be sufficient. The present headmaster of the Pollachi middle school was formerly on the staff of the Government school at Udamalpet and was transferred to the local fund board along with the school. He continued there as first assistant on a salary of Rs. 60—Rs. 80 till 1891 when, owing to the unsatisfactory relations among the teachers of that institution, he had to be transferred to Pollachi as headmaster of the middle school there. The sanctioned rate of salary of the appointment of the latter school is Rs. 50, but he was allowed to draw Rs. 68, the pay he had been drawing at Udamalpet, his place in that school being filled by a teacher on Rs. 50 for some time and then abolished. The man is really in receipt of Rs. 50 pay *plus* Rs. 18 personal allowance, but he has put in a claim to be still regarded as occupying a post carrying incremental pay of Rs. 60-4-80 and now seeks for what he calls two increments. The man is reported to have been doing well at Pollachi and the school is generally self-supporting. The taluk board has accepted the claim and the district board has passed it. The Inspector recommended an increase of Rs. 2 and the Director one increment of Rs. 4, the latter officer being under the apparently erroneous impression that the headmaster of the Pollachi middle school is in a post to which incremental salary is attached. The President of the Taluk Board opposes the grant on the grounds that the pay is not incremental and that the headmaster already gets an unusually large salary. I concur with the President of the taluk board. The headmaster is an untrained matriculate. The increase of Rs. 10 in the salary (Rs. 30) of the headmaster of the lower secondary school at Kollegal is recommended by the Director of Public Instruction in order to

enable the board to entertain a graduate. The place is unpopular and probably the increase is necessary. The Kollegal Taluk Board has raised the allotment under contingencies for the purchase of gymnastic apparatus, without which the lower secondary school at Kollegal will not be recognized. Provision for the purchase of a copy of the Inspection Code, the *Vivakachinthamani* and the *Indian Journal of Education* for the Bhaváni middle school and of a copy of the last journal for the Dhárápuram high school is made under contingencies.

24. *Secondary Schools—Salary-result System.*—A sum of Rs. 1,280, as in the current year, is allotted for the school at Satyamangalam.

25. *Elementary Schools—Salary-result System.*—The board primary schools at Pollachi and Udamalpet are shown under this head. The increase of Rs. 80 over the current year's allotment of Rs. 2,300 is due to the proposed increase from Rs. 22½ to Rs. 25 in the salary of the headmasters of each of these schools and to the entertainment of a sweeper on Rs. 2 at Udamalpet. The working of these schools under the present headmasters is reported to have been satisfactory and the increase is small. As a general rule, however, it is objectionable to raise the pay of an appointment because the holder of it is efficient. He should ordinarily receive a personal allowance or be transferred to an appointment carrying higher pay.

26. *Elementary Schools—Salary-result System.*—The number of schools which it is proposed to manage on the salary-result system during 1898–99 is 107, of which 15 are intended for Panchamas and four for Muhammadans. The schools at Thalakkarai in Bhaváni taluk and Adivalli in Udamalpet taluk have, owing to the decline in their strength, been replaced by a school for Muhammadans at Aravakurchi and one for Panchamas at Budanatham, the pay of the teacher of the latter being however Rs. 8. The Coimbatore Taluk Board has proposed to abolish the post of one on Rs. 6 of the teachers at Ganapathi and to entertain an additional teacher on Rs. 7 for each of the schools at Sundapalayam and Talavadi. The Erode Taluk Board has entertained an additional teacher on Rs. 5 for Aravakurchi and proposes to entertain an additional teacher on Rs. 8 for each of the schools at Vangal and Chinnadharapuram as their strength has improved. It is proposed by the Pollachi Taluk Board to entertain an additional teacher on Rs. 6 for Negamam school and to increase from Rs. 7 to Rs. 8 the salaries of the headmaster of that school and of the teachers of the Panchamas' schools at Pollachi, Vettaikaranpudur, Kottur, Peruntholuvu, Irugur and Udamalpet. The latter increases have been recommended by the Educational officers. The total charges are Rs. 22,310 against Rs. 21,880 in the current year's budget. The Taluk Boards of Coimbatore, Erode and Pollachi have made provision under contingent charges for the purchase of 2, 35 and 21 copies of the *Vivakachinthamani* respectively.

27. *Grants-in-Aid.*—A sum of Rs. 15,010 against Rs. 14,520 in the current year's budget is provided. The increase is under building grants.

28. *Miscellaneous.*—Rs. 790 are allotted for the purchase of books and commission on their sale.

29. The total charges under Grant 2 amount t year, only Rs. [illegible] Rs. 60,240

30. *Grant* 3, *Hospitals and Dispensaries.*—Kollegal Taluk Boards have cholera charges) against Rs. 33,820 in [illegible]ice—three in the former and maintenance of ten hospitals and eigh
sexes and of a dispensary at Poll[illegible]s of Grant 1 is the same as for the current to—

(i) The departmental
mudi, Aravakurchi and Pprovision is made for the purchase of one copy of Udamalpet for the full y[illegible]ice Regulations and of the Civil Account Code with part by provision for [illegible]e Local Board Engineer's office.
one on Rs. 150 at Bha[illegible]der Grant 1 amount to Rs. 2,20,550, of which Rupees

(ii) (*a*) Incre[illegible]s. A sum of Rs. 1,76,850 is provided for outlay on dur and Kollegal w[illegible]. 1,74,710, the minimum outlay prescribed in G.O., No. and (*b*) to the prov[illegible]mber 1895.
midwifery pupils

House-rent instead of free-quarters is provided for all the hospital assistants except those at Alandorai, Talavadi and Hanur. The first two do not live within 200 yards of the dispensary. The last man is allowed to occupy a portion of the dispensary building.

31. The provision of Rs. 2,250 for the District Medical and Sanitary officer's establishment includes, as usual, the pay and charge allowance of the female apothecary working at Karúr and the pay of a third-class hospital assistant entertained by the district board for reserve duty.

32. Under unforeseen charges Rs. 5,700 are provided to meet such charges as may occur in connection with epidemic diseases.

33. *Vaccination.*—A sum of Rs. 12,100 against Rs. 11,090 in 1897–98 is provided for vaccination. The details of the provision for the current year are given in the subjoined table:—

| Particulars. | North Coimbatore Circle. | | East Coimbatore Circle. | | South Coimbatore Circle. | | Total. | |
|---|---|---|---|---|---|---|---|---|
| | Number. | Amount. | Number. | Amount. | Number. | Amount. | Number. | Amount. |

| school at Kollegal is recommended by the Director of Public | | |

It is now proposed to abolish the third-class of vaccinators and to raise the pay of the other grades reducing their number. The enhancement of cost will probably be something under Rs. 1,000, but that sum has been provided. The matter is now under correspondence between the Acting District Medical and Sanitary officer and myself. The working of the department is by no means satisfactory and it appears to me vain to expect men on Rs. 7 and Rs. 10 to be able to explain to reluctant villagers the advantages of vaccination and to induce them to submit their children freely to the operation. I believe that by reducing the number of the vaccinators and paying those who are retained decent salaries we shall obtain much better results, and the Acting District Medical officer agrees with this view. I therefore trust that Government will allow the provision to stand pending the elaboration of a detailed scheme to be sanctioned later on.

34. *Sanitation.*—The grant for sanitation amounts to Rs. 28,250 against Rupees 26,210 for the current year. The Coimbatore Taluk Board proposes to purchase sites for burial-grounds at Méttupálaiyam for Hindus and Muhammadans, the provision made on this account in the current year not having been utilized owing to the delay in acquisition of necessary lands. Provision for one sweeper at Perur and another at Karamadai at Rs. 4 each has been made for the whole year instead of ten months as in 1897-98. The Coimbatore Taluk Board has provided Rs. 850, as in the current year, for the employment of temporary sweepers to look after the sanitation of the Méttupálaiyam union. The Erode Taluk Board has provided for two additional toties at Rs. 3 each to look after the private scavenging work in the Dhárápuram union. It also proposes to entertain toties on Rs. 5 at Kodumudi and Aravakurchi and a sweeper on Rs. 4 at Perundurai and to reduce by 2 and 1, respectively, the number of sweepers at Aravakurchi and Kodumudi. The Pollachi Taluk Board proposes to increase the salary of eight sweepers of the Anamalai union from Rs. 4 to Rs. 5, as it is very difficult to secure men for the work, and it has increased the provision under village-site from Rs. 1,040 to Rs. 1,490. The Kollegal Taluk Board has raised the provision under sanitation from Rs. 2,100 to Rs. 2,600; of this sum Rs. 400 is to be expended in sinking a well near the Muridigudda hill. The scavengers employed to remove ordinary rubbish are also removing fœcal matter.

35. *Contributions.*—Contributions to provincial services for the Medical College, sanitary inspection and the medical reserve staff are estimated at Rs. 1,490, Rs. 1,190 and Rs. 340, against Rs. 1,690, Rs. 1,150 and Rs. 220 in the current year's budget. The contribution to the Municipal Councils of Coimbatore, Erode and Karúr for the upkeep of hospitals has been put down at Rs. 3,900.

36. *Grant 4, Markets.*—The increase of Rs. 90 over the current year's allotment of Rs. 3,380 is due to the proposal of the Kollegal Taluk Board to entertain watchers on Rs. 3 each at each of the markets at Singanallur and Chilukavadi and watchers on one rupee each for the Hamur and Kollegal markets.

37. *Choultries.*—Rs. 2,980, as in the current year, is provided.

38. *Bungalows.*—The increase of Rs. 220 over Rs. 690 is due to the proposal of the Heads of Grant 1 to Rs. 62,5 current year's allotment of furniture to bungalows. al Taluk Boards to supply

39. *Miscellaneous.*—T provision is made Rs. 34,670 (e. water-pandal in the C Vice Regulations r year's budget taluk are entered und ye Local B the treatment ha dge Coimbatore and Kollegal

40. *Lighting C* e in

41. *Grant 5.*— establishment and other charges of the Teramp Rs. 25,500 in th Coimbatore taluk and of the Mussafarkhanas in the Bha ers alayam er this head. The cost is Rs. 130, as in the current year. emvani ncer ieu

*harges.*—The cost is estimated at Rs. 2,020 against Rs. 1,920. ranpu olleg or fi

—A sum of Rs. 25,310 is budgeted for miscellaneous charges against current year.

42. Rs. 4,300, as in the current year's budget, are allotted on account of controlling establishment and of printing done at Government Press.

43. The cost of local fund account and audit department in the Collector's office is estimated at Rs. 2,550, as in the current year.

44. *Local Board's Establishment.*—It is proposed to increase the salaries of the head clerks and second clerks of the Coimbatore and Pollachi Taluk Boards from Rs. 22-8-0 and Rs. 13-8-0, respectively, to Rs. 25 and Rs. 15. The pay of these clerks was reduced from Rs. 25 and 15 to the present figures in consequence of the introduction of a pension scheme in 1892. This was pointed out by Government when it declined to pass a provision in the budget for 1897-98 for a proposed similar increase to the clerks of all the taluk boards. The pay now proposed is probably not excessive considering the work to be done, and, I believe, that the duties of the clerks attached to the Coimbatore and Pollachi Taluk Boards are heavier than those of the clerks attached to the other taluk boards. In G.O., No. 528 L., dated 9th March 1893, Government raised the pay of the Erode head clerk by the amount of his pensionary contribution, so there is a precedent for the proposal now made. I note, however, that the Pollachi second clerk was entertained so lately as 1893 (see the aforesaid Government Order) and the Coimbatore board second clerk entertained in 1895 (*vide* G.O., No. 517 L., dated 19th March 1895), and it seems rather early to press for an enhancement of pay on the ground of increase of work.

45. Under miscellaneous contingent charges provision is made for the purchase of the following articles:—

*The District Board's Office.*

(1) One copy of the *Coimbatore District Gazette.*
(2) „ „ Civil Service Regulations, third edition, with correction slips.
(3) Correction slips to the Civil Account Code.
(4) Two copies of the Inspection Code.
(5) „ „ Revised Grants-in-Aid Code.
(6) „ „ „ Vaccination Code.
(7) The Madras District Municipalities Act, 1884, as amended by the Act of 1897.

*The Coimbatore Taluk Board.*

(1) The District Municipalities Act of 1884, as amended by the Act of 1897.
The Inspection Code.
Correction slips to Civil Service Regulations.

*The Erode Taluk Board.*

(1) The *Coimbatore District Gazette.*
(2) The Revised Grant-in-Aid Code.
(3) The Educational Rules.
(4) Correction slips to Civil Service Regulations and Civil Account Code.

46. The interest on the Pollachi market debentures of Rs. 16,000 at 6 p cent. due for 1898-99 amounts to Rs. 960 and towards the sinking fund Rs. 1,140 are provided.

47. The total expenditure under all grants amounts to Rs. 4,07,960 out of the total estimated assets of Rs. 4,30,760 and leaves a ba of Rs. 22,800, of which Rs. 2,490 appertain to endowments, Rs. 220 to un nds and Rs. 20,090 to general funds.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 6th January 1898, No. 21-S.

I have the honour to state that the expenditure on vaccination during 1898–99, as estimated by the District Board, Coimbatore, amounts to Rs. 12,100, against Rupees 11,090 entered in the current year's budget, the increase being provided to give effect to a scheme under contemplation for bettering the status of vaccinators. The provision may be allowed to stand, pending submission of the Board's proposals and my remarks thereon. The allotment for sanitation is 7·1 per cent. of the estimated current receipts, and though an advance on that of 1897–98, is still below requirements, as pointed out in reviewing previous budgets.

2. I would respectfully invite the attention of Government to the severe mortality from cholera which has occurred in this district as shown in the margin. In my opinion efforts made to contend against these epidemics have been wanting both in promptitude and adequate expenditure —more especially in reference to entertainment of necessary staff. I advise that at least one certificated sanitary inspector per taluk, *plus* one man in reserve at head-quarters, be employed. Their pay should be Rs. 45, *plus* Rs. 15 per mensem each. I may state that I regard this district as a special danger to other districts in the Presidency, in that it is demonstrable that specific contamination of the Cauvery river water is brought about, and that throughout its course villages using its water are successively attacked.

| Deaths from cholera— | Rs. |

| 1897 up to date .. .. .. | 6,273 |

---

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1898, No. 16.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the District Board, Coimbatore, for the maintenance of the dispensaries for the year 1898–99 is adequate.

2. All the suggestions of the District Medical and Sanitary Officer have been carried out with the following exceptions which need to be provided for :—

(1) The entertainment of a female attendant on Rs. 3 per mensem in the hospital at Palladam.

(2) An increase to the pay of the sweeper attached to the Tiruppúr dispensary from Rs. 3 to Rs. 5.

(3) The construction of new buildings for the dispensaries at Véttagáranpudur and Tiruppúr, the present rented buildings being quite unsuitable.

3. The proposition statement, received with the budget extracts, is herewith forwarded.

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 19th January 1898, No. 409.

With reference to the educational portion of the budget estimate of the Coimbatore District Board for 1898–99, I have the honour to state that the provision made under the several heads may be accepted. The net expenditure on education (excluding building charges and grants) proposed by the board is Rs. 37,010, which is about 17·8 per cent. of the estimated income from land-cess.

2. With reference to the remarks of the President in paragraph 23 on the recommendations of this department in regard to the increments claimed by the headmaster of the Board Middle school, Pollachi, I beg to observe that the headmaster is a Government servant, who was transferred to the local board along with the Udamalpet school, in which he was employed as first assistant at the time of the transfer. He appears to have been subsequently transferred as headmaster to the Middle school, Pollachi, by the President. This transfer was made in accordance with the recommendations of the inspecting officers on public grounds, in the interests of the Pollachi school, which was at that time in a very unsatisfactory condition. This school has improved considerably under this headmaster and is reported by the President himself to be at present generally self-supporting. This improvement in the general condition of the school as well as its financial prosperity is admittedly due to the excellent work done by the headmaster; and hence an increment was recommended by this department. The President's statement that the transfer of the teacher from the Udamalpet High school to the Pollachi Middle school was owing to the unsatisfactory relations among the teachers of that institution is not supported by the records of this office, and even if this were true, it need not be assumed that this teacher was at fault. The salary of the post held by the teacher at Udamalpet was a progressive salary, viz., Rs. 60—4—80, and at the time of his transfer to Pollachi, the teacher's salary was Rs. 68, and this salary he continued to draw as headmaster of the Pollachi school. If the post at Pollachi to which he was transferred carried only Rs. 50 and the extra Rs. 18 should be considered as a personal allowance, the fact should have been noted in the order of transfer and the sanction of Government obtained for the grant of the personal allowance.

3. It is not clear from the records of this office what scale of salaries has been sanctioned by Government for the staff of the school. If, according to the sanctioned scale, the headmaster's salary is Rs. 50 only, as stated by the President, I would strongly recommend that the salary be made progressive, viz., Rs. 60—4—80, like that of the post held by the headmaster before his transfer to the Pollachi school, and that the teacher be allowed Rs. 72 from 1st April 1898. This increase the teacher richly deserves, being a Government servant who has been doing excellent work all through his service both under Government and under the local bodies.

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 11th February 1898, No. 1351.

With reference to memorandum No. 170, Local and Municipal, dated 10th instant, I have the honour to submit the proposition statements therein called for.

2. They were not submitted with my remarks on the educational portion of the budget for 1898–99, as from the endorsement, copied below, of the President, District Board, forwarding extracts from the budget, I was led to think that the proposition statements were but copies sent to me for reference and record :—

"Dis. No. 1018-A-D.B.

"Communicated to the Director of Public Instruction, Madras, with copies of statements I-A, I-B, IV and proposition statements."

---

ORDER—No. 313 L., dated 22nd February 1898.

The estimated local fund receipts and charges of the Coimbatore district for 1898–99, as passed by Government, are compared below with the budget and revised estimates for 1897–98 and the actuals of 1896–97 :—

## REVISED ESTIMATE FOR 1897-98.

2. The current receipts and charges are now estimated at Rs. 4,03,440 and Rs. 4,42,550, respectively, against Rs. 3,88,520 and Rs. 4,22,660 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, tolls, public works, Provincial grants for education and miscellaneous debt accounts, and that in the charges, mainly under Grants 1 and 3 and miscellaneous debt accounts. The additions to the educational establishments, referred to in paragraph 5 of the President's letter, are sanctioned.

## BUDGET ESTIMATE FOR 1898-99.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,95,520 against Rs. 4,03,440 in the revised estimate, the decrease, which occurs chiefly under land-cess, public works, Provincial grants for education and miscellaneous debt accounts, being partly met by an increase under school-fees and market rents.

4. *Charges.*—(1) The probable charges are put down at Rs. 4,07,960 against Rupees 4,42,550 in the revised estimate, the decrease, which appears mainly under Grant 1 and miscellaneous debt accounts, being partly counterbalanced by increases under Grants 2 and 3.

(2) *Grant 1.*—No expenditure should be incurred on any of the new works provided for in the budget until their plans and estimates have been sanctioned by competent authority.

(3) *Grant 2.*—The additions to, and alterations in, the educational establishments, referred to in paragraphs 23, 25 and 26 of the President's letter, are sanctioned. The suggestion of the Director of Public Instruction in paragraph 3 of his first letter read above cannot be approved. The present headmaster of the Pollachi Middle school will, however, be paid a salary of Rs. 50 and a personal allowance of Rs. 26 per mensem. The attention of the President of the district board is drawn to paragraph 2 of the Director's second letter.

(4) *Grant 3.*—The attention of the taluk boards concerned is drawn to the recommendations of the Surgeon-General in paragraph 2 of his letter read above. The proposals of the district board for revising the vaccination establishment, referred to in paragraph 33, are awaited. Meanwhile the increased provision made on this account will be allowed to stand. The additions to, and alterations in, the conservancy

establishments at Kodumudi, Perundurai and Aravakurchi, proposed in paragraph 34, are sanctioned. The Sanitary Commissioner's suggestion in paragraph 2 of his letter read above will be referred to the local boards for careful consideration and early report.

(5) *Grant 4.*—The entertainment of the market watchers proposed in paragraph 36 is sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the contribution for controlling establishments at the Presidency will be reduced from Rs. 3,800 to Rs. 3,460. The Government sees no reason at present to reconsider its order in paragraph 4 (1) of G.O., No. 569 L., dated 22nd March 1897, regarding the increase of the salaries of the clerks of the Coimbatore and Pollachi Taluk Boards' offices.

5. *Balance.*—As revised by Government, the budget closes with a balance of Rs. 23,240, of which Rs. 220 appertain to unions and Rs. 2,490 to endowed institutions, leaving Rs. 20,530 or 7 per cent. of the receipts available for general purposes. The deficit with which the transactions of the Terampalaiyam water-shed are expected to close the year, has not been made good by an appropriation from general funds, notwithstanding the remark in paragraph 5 of G.O., No. 569 L., dated 22nd March 1897.

(True Extract.)

H. TREMENHEERE,
*Ag. Secretary to Government.*

To the President, District Board, Coimbatore.

FEBRUARY.

Budget.

Reviewing the Coimbatore District Board — for 1898–99.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From A. BUTTERWORTH, Esq., President, District Board, Coimbatore, to the Secretary to Government, Local and Municipal Department, dated 6th December 1897, Dis. No. 1018-D.B.

I have the honour to submit the local fund consolidated budget estimate of the Coimbatore district for 1898–99 passed by the district board at its meeting of the 30th November 1897. The prescribed statements and the proposition statements as per list attached are enclosed and the district map will follow.

REVISED ESTIMATE FOR 1897–98.

2. The year opened with a balance of Rs. 74,350 against the budget estimate of Rs. 64,470. The balance in favour of endowments was Rs. 2,740 against Rs. 2,540, and that in favour of general funds Rs. 71,610 against Rs. 61,930 including union funds. The increase in the opening balance is due to large receipts under tolls.

3. The receipts are now estimated at Rs. 4,77,790 * against the budget estimate of Rs. 4,52,990 * and the charges at Rs. 4,42,550 * against the estimate of Rs. 4,22,660.* The year is expected to close with a balance of Rs. 35,240—Rs. 30,830 appertaining to general funds, Rs. 4,240 to endowments and Rs. 170 to union funds. The closing balance was originally estimated at Rs. 21,390. The increase in the opening balance and other causes detailed below account for the large increase in the closing balance.

* Excluding allotments from one fund to another.

4. The transactions of the several local boards according to the revised estimate are summarized below:—

| Local Boards. | Opening balance. | Receipts. | Total. | Charges. | Balance | | Total. |
|---|---|---|---|---|---|---|---|
| | | | | | General fund. | Endowment fund. | |
| | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. |
| Coimbatore District Board .. .. | 51,540 | 76,990 | 1,28,530 | 1,12,280 | 16,250 | .. | 16,250 |
| Coimbatore Taluk Board .. . | 9,470 | 82,160 | 91,630 | 87,190 | 2,150 | 2,290 | 4,440 |
| Erode ,, .. .. | 13,540 | 1,16,550 | 1,30,090 | 1,21,190 | 7,710 | 1,199 | 8,900 |
| Pollachi ,, .. .. | 830 | 1,00,020 | 1,00,850 | 96,590 | 4,020 | 240 | 4,260 |
| Kollegal ,, .. .. | — 1,030 | 27,720 | 26,690 | 25,300 | 870 | 520 | 1,390 |
| Total Taluk Boards .. | 22,810 | 3,26,450 | 3,49,260 | 3,30,270 | 14,750 | 4,240 | 18,990 |
| Grand Total .. | 74,350 | 4,03,440 | 4,77,790 | 4,42,550 | 31,000 | 4,240 | 35,240 |

5. The principal variations between the budget and the revised estimates are explained below:—

*Receipts.*

(1) *Land-cess.*—The income from this source is put down as Rs. 2,08,210 against the budget estimate of Rs. 2,06,420.

(2) *Tolls.*—The increase of Rs. 1,570 over the budget estimate of Rs. 69,250 is based on the actuals of the current year. About Rs. 1,800 of this is due to the new toll-gate in the Kollegal taluk.

(3) *House-tax.*—The income is calculated at Rs. 18,490 against the budget estimate of Rs. 17,790. The revision of the tax in the Dhárápuram and Bhaváni unions and the inclusion of an arrear balance of Rs. 560 in the Pollachi Taluk Board figures account for the increase.

(4) *Miscellaneous.*—The revised estimate of Rs. 64,390 against Rs. 63,570 is based on the actuals of the last six months.

(5) *Public Works.*—The increase of Rs. 3,300 over the budget estimate of Rs. 780 is due to the sale of the old market site at Pollachi sanctioned in G.O., Mis. No. 1840 L., of 5th October 1896, and to the receipt of contributions (Rs. 250) from private individuals for improving certain roads.

(6) *Contributions from Provincial Funds for Education.*—The Kollegal Taluk Board expects to realize the arrear grant of Rs. 1,850 towards the cost of the lower secondary school at Kollegal and of the primary school at Ramapuram. The total income under this head is therefore estimated at Rs. 8,550 against Rs. 7,100.

*Charges.*

(7) *Grant 1.*—The revised estimate for the total charges under Grant 1 amounts to Rs. 2,58,050 against the budget estimate of Rs. 2,46,750 and Rs. 2,58,155, the grant for the year. The increase is due to the additional works which are detailed in statement IX. The provision for the Amarávati causeway does not appear in the revised estimate as the project has been given up in favour of a suspension bridge for which plans and estimates have been called for (*vide* G.O., Mis. No. 634 L., of 31st March 1897). The Pollachi Taluk Board has deferred the improvement of Kinathukadavu market (estimate Rs. 1,140) for the next year.

(8) *Grant 2.*—The charges under this head are Rs. 60,260 against Rs. 60,240, the budget estimate.

(9) *Grant 3.*—The expenditure according to the revised estimate amounts to Rs. 85,320 against the budget estimate of Rs. 81,070. The increase is mainly on account of a provision of Rs. 4,000 under "Plague."

(10) *Grant 4.*—It is proposed to expend a sum of Rs. 9,290 against the budget estimate of Rs. 9,100 under this grant.

(11) *Grant 5.*—The revised allotment under this head amounts to Rs. 25,640 against Rs. 25,500, the budget estimate.

The revision of establishment sanctioned by local boards under the powers given to them in G.O., No. 889 L., dated 17th May 1894, due to the entertainment of a teacher in Aravakurchi primary school, a toti and a sweeper at Udamalpet high school and at Udamalpet primary school, respectively, is detailed in the proposition statements submitted herewith for sanction.

BUDGET ESTIMATE FOR 1898–99.

6. The closing balance of Rs. 35,240 has been brought forward in the budget for 1898–99.

*Receipts.*

7. *Land-cess.*—The total demand of the year is Rs. 2,12,960, of which Rupees 2,06,860 or 97·13 per cent. is expected to be collected.

8. *Tolls.*—The income under this head is Rs. 71,600 against Rs. 69,250 and is based on the actuals of the current year.

The Government has in its order Mis. No. 2264 L., dated 22nd November last, sanctioned, from 1st April 1898, the establishment of a toll-gate at Nelaputhukovil on the road between Dhalli and Tirumurthi hills and from this an income of Rs. 750 is expected.

9. *House-tax.*—The receipts from house-tax are estimated at Rs. 18,820 against Rs. 17,790 in the current year's budget. The increase is due to the proposed revision of house-tax in the unions of Kurchi, Méttupálaiyam, Gopichettipálaiyam, Pollachi and Súlúr and to the revision of the tax in Dhárápuram and Bhaváni.

10. *Education.*—The Educational Department estimates the receipts from school-fees at Rs. 18,030 against Rs. 16,430 owing to the improvement in the strength of the board schools.

11. *Medical.*—The contribution of Rs. 450 from Municipal funds, for which credit is taken towards the salary of the district board's female apothecary lent for service to the Karúr municipal council. Under "Miscellaneous" as comprised the sale-proceeds of sweepings and materials used for sanitary purposes and of vaccine paste supplied to municipalities.

12. *Miscellaneous.*—The receipts for miscellaneous items are calculated at Rupees 64,860 against the current year's budget estimate of Rs. 63,570 and are mostly based on the actuals of the current year.

13. *Public Works.*—Credit is taken for the usual contribution of Rs. 600 from the Forest Department towards the repair of Anamalai-Sethumadai road and for the rent of Rs. 120 for the civil apothecary's quarters at Méttupálaiyam.

14. *Contribution from Provincial Funds.*—The grants expected from Government on account of education aggregate Rs. 7,360. The Pollachi Taluk Board expects a building grant of Rs. 250 towards the cost of the additions proposed to be made to the buildings of the Udamalpet primary school.

15. The total receipts of the several boards excluding allotments from one fund to another are Rs. 4,30,760 as follows:—

| | RS. |
|---|---|
| Coimbatore District Board .. .. .. .. .. .. | 1,92,280 |
| ,, Taluk Board .. .. .. .. .. .. | 58,390 |
| Erode Taluk Board .. .. .. .. .. .. | 95,530 |
| Pollachi Taluk Board .. .. .. .. .. .. | 74,670 |
| Kollegal ,, .. .. .. .. .. .. | 9,890 |
| Total .. | 4,30,760 |

*Expenditure.*

16. *Grant 1, New Works.*—Rs. 6,840 are allotted for new works. Under "Communications" a sum of Rs. 3,000 is provided for a railway feeder road from the Vijayamangalam railway station to join the Uttukuli-Chennimalai road (the provision made in 1896–97 not having been utilized pending the acquisition of the necessary lands) and Rs. 800 for making a road from Kollegal to Kunthur. The accommodation for the primary school at Udamalpet is insufficient as the school is going up in strength and it is therefore proposed to extend the present school-house at an estimated cost of Rs. 1,900. The improvements to the Kinathukadavu market (Rs. 1,140) are also provided for.

17. *Repairs.*—The allotment for repairs is Rs. 1,80,860 against Rs. 1,92,820 for 1897–98; of this Rs. 1,73,050 are for roads. For want of funds and in consideration of large expenditure on special repairs in the current year, only Rs. 6,800 are provided for special repairs to roads. The Pollachi and Kollegal Taluk Boards have proposed to take up four additional roads for maintenance—three in the former and one in the latter.

18. The provision under other heads of Grant 1 is the same as for the current year.

19. Under "Contingencies" provision is made for the purchase of one copy of the third edition of the Civil Service Regulations and of the Civil Account Code with correction slips for the use of the Local Board Engineer's office.

20. The total charges under Grant 1 amount to Rs. 2,20,550, of which Rupees 44,450 relate to endowments. A sum of Rs. 1,76,850 is provided for outlay on communications against Rs. 1,74,710, the minimum outlay prescribed in G.O., No. 1686 L., dated 14th September 1895.

21. *Grant 2, Education—Inspection.*—The details of the provision of Rs. 5,860 are given below:—

| | RS. |
|---|---|
| Salaries of— | |
| Two Inspecting schoolmasters at Rs. 40 .. .. .. .. | 960 |
| Two do. at Rs. 35 .. .. .. .. | 840 |
| Three do. at Rs. 30 .. .. .. .. | 1,080 |
| Three do. at Rs. 25 .. .. .. .. | 900 |
| Local allowance to the Inspecting schoolmaster, Kollegal, sanctioned in G.O., Mis. No. 2326 L., dated 16th October 1889, at Rs. 15. | 180 |
| Local allowance to the Inspecting schoolmaster at Satyamangalam sanctioned in G.O., No. 456 L., dated 10th March 1896, at Rs. 5. | 60 |
| Salary of peons to the Inspecting schoolmasters of Satyamangalam and Kollegal on Rs. 6 for each .. .. .. .. .. | 144 |
| Travelling allowance .. .. .. .. .. .. .. | 1,200 |
| Contingencies including office rent and furniture for Inspecting schoolmasters .. .. .. .. .. .. .. | 500 |
| Total .. | 5,864 |

22. *Sessional Normal Schools.*—A provision of Rs. 1,350, as in the current year, is made to maintain an itinerating sessional school throughout the year working at three centres for three and-a-half months at each centre. This amount includes the salary of a teacher on Rs. 20 a month, sixty stipends at Rs. 5 for three and-a-half months and a contingent allowance of Rs. 60 a year.

23. *Secondary Schools—Salary System.*—The upper secondary schools at Dhárápuram and Udamalpet and the lower secondary schools at Pollachi, Bhaváni and Kollegal are conducted under this system. A sum of Rs. 13,570 is allotted against Rs. 12,610 in 1897–98. The increase is due (1) to the proposed entertainment of a teacher on Rs. 45 for the high school at Dhárápuram and to the entertainment of a toti on Rs. 2 for the Udamalpet high school, and (2) to the proposed increase by Rs. 5 in the salary of the science assistant at Udamalpet, Rs. 8 in that of the headmaster of the middle school at Pollachi and Rs. 10 in that of the head master of the Kollegal middle school. The staff at Dhárápuram is considered weak by the Educational authorities whose recommendation to entertain an additional teacher on Rs. 45 has been accepted by the taluk and district boards. The science assistant of the Udamalpet high school has been sent for training to the Teachers' College. The Principal of that institution recommends that his pay be raised to Rs. 60; but the taluk board considers Rs. 45 to be sufficient. The present headmaster of the Pollachi middle school was formerly on the staff of the Government school at Udamalpet and was transferred to the local fund board along with the school. He continued there as first assistant on a salary of Rs. 60—Rs. 80 till 1891 when, owing to the unsatisfactory relations among the teachers of that institution, he had to be transferred to Pollachi as headmaster of the middle school there. The sanctioned rate of salary of the appointment of the latter school is Rs. 50, but he was allowed to draw Rs. 68, the pay he had been drawing at Udamalpet, his place in that school being filled by a teacher on Rs. 50 for some time and then abolished. The man is really in receipt of Rs. 50 pay *plus* Rs. 18 personal allowance, but he has put in a claim to be still regarded as occupying a post carrying incremental pay of Rs. 60–4–80 and now seeks for what he calls two increments. The man is reported to have been doing well at Pollachi and the school is generally self-supporting. The taluk board has accepted the claim and the district board has passed it. The Inspector recommended an increase of Rs. 2 and the Director one increment of Rs. 4, the latter officer being under the apparently erroneous impression that the headmaster of the Pollachi middle school is in a post to which incremental salary is attached. The President of the Taluk Board opposes the grant on the grounds that the pay is not incremental and that the headmaster already gets an unusually large salary. I concur with the President of the taluk board. The headmaster is an untrained matriculate. The increase of Rs. 10 in the salary (Rs. 30) of the headmaster of the lower secondary school at Kollegal is recommended by the Director of Public Instruction in order to

enable the board to entertain a graduate. The place is unpopular and probably the increase is necessary. The Kollegal Taluk Board has raised the allotment under contingencies for the purchase of gymnastic apparatus, without which the lower secondary school at Kollegal will not be recognized. Provision for the purchase of a copy of the Inspection Code, the *Vivakachinthamani* and the *Indian Journal of Education* for the Bhavâni middle school and of a copy of the last journal for the Dhárápuram high school is made under contingencies.

24. *Secondary Schools—Salary-result System.*—A sum of Rs. 1,280, as in the current year, is allotted for the school at Satyamangalam.

25. *Elementary Schools—Salary-result System.*—The board primary schools at Pollachi and Udamalpet are shown under this head. The increase of Rs. 80 over the current year's allotment of Rs. 2,300 is due to the proposed increase from Rs. 22½ to Rs. 25 in the salary of the headmasters of each of these schools and to the entertainment of a sweeper on Rs. 2 at Udamalpet. The working of these schools under the present headmasters is reported to have been satisfactory and the increase is small. As a general rule, however, it is objectionable to raise the pay of an appointment because the holder of it is efficient. He should ordinarily receive a personal allowance or be transferred to an appointment carrying higher pay.

26. *Elementary Schools—Salary-result System.*—The number of schools which it is proposed to manage on the salary result system during 1898–99 is 107, of which 15 are intended for Panchamas and four for Muhammadans. The schools at Thalakkarai in Bhavâni taluk and Adivalli in Udamalpet taluk have, owing to the decline in their strength, been replaced by a school for Muhammadans at Aravakurchi and one for Panchamas at Budanatham, the pay of the teacher of the latter being however Rs. 8. The Coimbatore Taluk Board has proposed to abolish the post of one on Rs. 6 of the teachers at Ganapathi and to entertain an additional teacher on Rs. 7 for each of the schools at Sundapalayam and Talavadi. The Erode Taluk Board has entertained an additional teacher on Rs. 5 for Aravakurchi and proposes to entertain an additional teacher on Rs. 8 for each of the schools at Vangal and Chinnadharapuram as their strength has improved. It is proposed by the Pollachi Taluk Board to entertain an additional teacher on Rs. 6 for Negamam school and to increase from Rs. 7 to Rs. 8 the salaries of the headmaster of that school and of the teachers of the Panchamas' schools at Pollachi, Vettaikaranpudur, Kottur, Peruntholuvu, Irugur and Udamalpet. The latter increases have been recommended by the Educational officers. The total charges are Rs. 22,310 against Rs. 21,880 in the current year's budget. The Taluk Boards of Coimbatore, Erode and Pollachi have made provision under contingent charges for the purchase of 2, 35 and 21 copies of the *Vivakachinthamani* respectively.

27. *Grants-in-Aid.*—A sum of Rs. 15,010 against Rs. 14,520 in the current year's budget is provided. The increase is under building grants.

28. *Miscellaneous.*—Rs. 790 are allotted for the purchase of books and commission on their sale.

29. The total charges under Grant 2 amount to Rs. 62,550 against Rs. 60,240.

30. *Grant* 3, *Hospitals and Dispensaries.*—Rs. 34,670 (excluding Rs. 150 for cholera charges) against Rs. 33,820 in the current year's budget are provided for the maintenance of ten hospitals and eight dispensaries for the treatment of patients of both sexes and of a dispensary at Pollachi for women and children. The increase is due to—

(i) The departmental increment to the salary of the Medical officers at Kodumudi, Aravakurchi and Pollachi from July next and to the grant of increment at Udamalpet for the full year as against eight months in 1897–98, counterbalanced in part by provision for a civil apothecary on a monthly salary of Rs. 125 in lieu of one on Rs. 150 at Bhavâni.

(ii) (*a*) Increments to the compounders at Kodumudi, Tirupur, Vettaikaranpudur and Kollegal who have become eligible for them and to the midwife at Kollegal and (*b*) to the provision by the Coimbatore, Erode and Pollachi Taluk Boards for five midwifery pupils to be trained at Madras.

House-rent instead of free-quarters is provided for all the hospital assistants except those at Alandorai, Talavadi and Hanur. The first two do not live within 200 yards of the dispensary. The last man is allowed to occupy a portion of the dispensary building.

31. The provision of Rs. 2,250 for the District Medical and Sanitary officer's establishment includes, as usual, the pay and charge allowance of the female apothecary working at Karúr and the pay of a third-class hospital assistant entertained by the district board for reserve duty.

32. Under unforeseen charges Rs. 5,700 are provided to meet such charges as may occur in connection with epidemic diseases.

33. *Vaccination.*—A sum of Rs. 12,100 against Rs. 11,090 in 1897–98 is provided for vaccination. The details of the provision for the current year are given in the subjoined table:—

| Particulars. | North Coimbatore Circle. | | East Coimbatore Circle. | | South Coimbatore Circle. | | Total. | |
|---|---|---|---|---|---|---|---|---|
| | Number. | Amount. | Number. | Amount. | Number. | Amount. | Number. | Amount. |

| Total | | 2,000 |
| Grand Total | | 11,082 |

It is now proposed to abolish the third-class of vaccinators and to raise the pay of the other grades reducing their number. The enhancement of cost will probably be something under Rs. 1,000, but that sum has been provided. The matter is now under correspondence between the Acting District Medical and Sanitary officer and myself. The working of the department is by no means satisfactory and it appears to me vain to expect men on Rs. 7 and Rs. 10 to be able to explain to reluctant villagers the advantages of vaccination and to induce them to submit their children freely to the operation. I believe that by reducing the number of the vaccinators and paying those who are retained decent salaries we shall obtain much better results, and the Acting District Medical officer agrees with this view. I therefore trust that Government will allow the provision to stand pending the elaboration of a detailed scheme to be sanctioned later on.

34. *Sanitation.*—The grant for sanitation amounts to Rs. 28,250 against Rupees 26,210 for the current year. The Coimbatore Taluk Board proposes to purchase sites for burial-grounds at Méttupálaiyam for Hindus and Muhammadans, the provision made on this account in the current year not having been utilized owing to the delay in acquisition of necessary lands. Provision for one sweeper at Perur and another at Karamadai at Rs. 4 each has been made for the whole year instead of ten months as in 1897-98. The Coimbatore Taluk Board has provided Rs. 850, as in the current year, for the employment of temporary sweepers to look after the sanitation of the Méttupálaiyam union. The Erode Taluk Board has provided for two additional toties at Rs. 3 each to look after the private scavenging work in the Dhárápuram union. It also proposes to entertain toties on Rs. 5 at Kodumudi and Aravakurchi and a sweeper on Rs. 4 at Perundurai and to reduce by 2 and 1, respectively, the number of sweepers at Aravakurchi and Kodumudi. The Pollachi Taluk Board proposes to increase the salary of eight sweepers of the Anamalai union from Rs. 4 to Rs. 5, as it is very difficult to secure men for the work, and it has increased the provision under village-site from Rs. 1,040 to Rs. 1,490. The Kollegal Taluk Board has raised the provision under sanitation from Rs. 2,100 to Rs. 2,600; of this sum Rs. 400 is to be expended in sinking a well near the Muridigudda hill. The scavengers employed to remove ordinary rubbish are also removing fœcal matter.

35. *Contributions.*—Contributions to provincial services for the Medical College, sanitary inspection and the medical reserve staff are estimated at Rs. 1,490, Rs. 1,190 and Rs. 340, against Rs. 1,690, Rs. 1,150 and Rs. 220 in the current year's budget. The contribution to the Municipal Councils of Coimbatore, Erode and Karúr for the upkeep of hospitals has been put down at Rs. 3,900.

36. *Grant 4, Markets.*—The increase of Rs. 90 over the current year's allotment of Rs. 3,380 is due to the proposal of the Kollegal Taluk Board to entertain watchers on Rs. 3 each at each of the markets at Singanallur and Chilukavadi and watchers on one rupee each for the Hamur and Kollegal markets.

37. *Choultries.*—Rs. 2,980, as in the current year, is provided.

38. *Bungalows.*—The increase of Rs. 220 over the current year's allotment of Rs. 690 is due to the proposal of the Coimbatore and Kollegal Taluk Boards to supply furniture to bungalo

39. *Miscellaneous* e establishment and other charges of the Terampalayam water-pandal in the tore taluk and of the Mussafarkhanas in the Bhaváni taluk are entered und d. The cost is Rs. 130, as in the current year.

40. *Lighting Charg* cost is estimated at Rs. 2,020 against Rs. 1,920.

41. *Grant 5.*—A sun s. 25,310 is budgeted for miscellaneous charges against Rs. 25,500 in the current year.

42. Rs. 4,300, as in the current year's budget, are allotted on account of controlling establishment and of printing done at Government Press.

43. The cost of local fund account and audit department in the Collector's office is estimated at Rs. 2,550, as in the current year.

44. *Local Board's Establishment.*—It is proposed to increase the salaries of the head clerks and second clerks of the Coimbatore and Pollachi Taluk Boards from Rs. 22-8-0 and Rs. 13-8-0, respectively, to Rs. 25 and Rs. 15. The pay of these clerks was reduced from Rs. 25 and 15 to the present figures in consequence of the introduction of a pension scheme in 1892. This was pointed out by Government when it declined to pass a provision in the budget for 1897-98 for a proposed similar increase to the clerks of all the taluk boards. The pay now proposed is probably not excessive considering the work to be done, and, I believe, that the duties of the clerks attached to the Coimbatore and Pollachi Taluk Boards are heavier than those of the clerks attached to the other taluk boards. In G.O., No. 528 L., dated 9th March 1893, Government raised the pay of the Erode head clerk by the amount of his pensionary contribution, so there is a precedent for the proposal now made. I note, however, that the Pollachi second clerk was entertained so lately as 1893 (see the aforesaid Government Order) and the Coimbatore board second clerk entertained in 1895 (*vide* G.O., No. 517 L., dated 19th March 1895), and it seems rather early to press for an enhancement of pay on the ground of increase of work.

45. Under miscellaneous contingent charges provision is made for the purchase of the following articles:—

*The District Board's Office.*

(1) One copy of the *Coimbatore District Gazette.*
(2) „ „ Civil Service Regulations, third edition, with correction slips.
(3) Correction slips to the Civil Account Code.
(4) Two copies of the Inspection Code.
(5) „ „ Revised Grants-in-Aid Code.
(6) „ „ „ Vaccination Code.
(7) The Madras District Municipalities Act, 1884, as amended by the Act of 1897.

*The Coimbatore Taluk Board.*

(1) The District Municipalities Act of 1884, as amended by the Act of 1897.
(2) The Inspection Code.
(3) Correction slips to Civil Service Regulations.

*The Erode Taluk Board.*

(1) The *Coimbatore District Gazette.*
(2) The Revised Grant-in-Aid Code.
(3) The Educational Rules.
(4) Correction slips to Civil Service Regulations and Civil Account Code.

46. The interest on the Pollachi market debentures of Rs. 16,000 at 6 per cent. due for 1898-99 amounts to Rs. 960 and towards the sinking fund Rs. 1,340 are provided.

47. The total expenditure under all grants amounts to Rs. 4,07,960 out of the total estimated assets of Rs. 4,30,760 and leaves a balance of Rs. 22,800, of which Rs. 2,490 appertain to endowments, Rs. 220 to union funds and Rs. 20,090 to general funds.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 6th January 1898, No. 21-S.

I have the honour to state that the expenditure on vaccination during 1898–99, as estimated by the District Board, Coimbatore, amounts to Rs. 12,100, against Rupees 11,090 entered in the current year's budget, the increase being provided to give effect to a scheme under contemplation for bettering the status of vaccinators. The provision may be allowed to stand, pending submission of the Board's proposals and my remarks thereon. The allotment for sanitation is 7·1 per cent. of the estimated current receipts, and though an advance on that of 1897–98, is still below requirements, as pointed out in reviewing previous budgets.

2. I would respectfully invite the attention of Government to the severe mortality from cholera which has occurred in this district as shown in the margin. In my opinion efforts made to contend against these epidemics have been wanting both in promptitude and adequate expenditure —more especially in reference to entertainment of necessary staff. I advise that at least one certificated sanitary inspector per taluk, *plus* one man in reserve at head-quarters, be employed. Their pay should be Rs. 45, *plus* Rs. 15 per mensem each. I may state that I regard this district as a special danger to other districts in the Presidency, in that it is demonstrable that specific contamination of the Cauvery river water is brought about, and that throughout its course villages using its water are successively attacked.

| Deaths from cholera— | Rs. |
|---|---|
| 1896 .. .. .. .. | 10,731 |
| 1897 up to date .. .. .. | 6,273 |

---

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 10th January 1898, No. 16.

I have the honour to state that the provision made in Grant 3 of the budget estimate of the District Board, Coimbatore, for the maintenance of the dispensaries for the year 1898–99 is adequate.

2. All the suggestions of the District Medical and Sanitary Officer have been carried out with the following exceptions which need to be provided for :—

(1) The entertainment of a female attendant on Rs. 3 per mensem in the hospital at Palladam.

(2) An increase to the pay of the sweeper attached to the Tiruppúr dispensary from Rs. 3 to Rs. 5.

(3) The construction of new buildings for the dispensaries at Véttagáranpudur and Tiruppúr, the present rented buildings being quite unsuitable.

3. The proposition statement, received with the budget extracts, is herewith forwarded.

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 19th January 1898, No. 409.

With reference to the educational portion of the budget estimate of the Coimbatore District Board for 1898–99, I have the honour to state that the provision made under the several heads may be accepted. The net expenditure on education (excluding building charges and grants) proposed by the board is Rs. 37,010, which is about 17·8 per cent. of the estimated income from land-cess.

With reference to the remarks of the President in paragraph 23 on the recommendations of this department in regard to the increments claimed by the headmaster of the Board Middle school, Pollachi, I beg to observe that the headmaster is a Government servant, who was transferred to the local board along with the Udamalpet school, in which he was employed as first assistant at the time of the transfer. He appears to have been subsequently transferred as headmaster to the Middle school, Pollachi, by the President. This transfer was made in accordance with the recommendations of the inspecting officers on public grounds, in the interests of the Pollachi school, which was at that time in a very unsatisfactory condition. This school has improved considerably under this headmaster and is reported by the President himself to be at present generally self-supporting. This improvement in the general condition of the school as well as its financial prosperity is admittedly due to the excellent work done by the headmaster; and hence an increment was recommended by this department. The President's statement that the transfer of the teacher from the Udamalpet High school to the Pollachi Middle school was owing to the unsatisfactory relations among the teachers of that institution is not supported by the records of this office, and even if this were true, it need not be assumed that this teacher was at fault. The salary of the post held by the teacher at Udamalpet was a progressive salary, viz., Rs. 60—4—80, and at the time of his transfer to Pollachi, the teacher's salary was Rs. 68, and this salary he continued to draw as headmaster of the Pollachi school. If the post at Pollachi to which he was transferred carried only Rs. 50 and the extra Rs. 18 should be considered as a personal allowance, the fact should have been noted in the order of transfer and the sanction of Government obtained for the grant of the personal allowance.

3. It is not clear from the records of this office what scale of salaries has been sanctioned by Government for the staff of the school. If, according to the sanctioned scale, the headmaster's salary is Rs. 50 only, as stated by the President, I would strongly recommend that the salary be made progressive, viz., Rs. 60—4—80, like that of the post held by the headmaster before his transfer to the Pollachi school, and that the teacher be allowed Rs. 72 from 1st April 1898. This increase the teacher richly deserves, being a Government servant who has being doing excellent work all through his service both under Government and under the local bodies.

---

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 11th February 1898, No. 1351.

With reference to memorandum No. 170, Local and Municipal, dated 10th instant, I have the honour to submit the proposition statements therein called for.

2. They were not submitted with my remarks on the educational portion of the budget for 1898–99, as from the endorsement, copied below, of the President, District Board, forwarding extracts from the budget, I was led to think that the proposition statements were but copies sent to me for reference and record :—

"Dis. No. 1018-A-D.B.

"Communicated to the Director of Public Instruction, Madras, with copies of statements I-A, I-B, IV and proposition statements."

---

ORDER—No. 313 L., dated 22nd February 1898.

The estimated local fund receipts and charges of the Coimbatore district for 1898–99, as passed by Government, are compared below with the budget and revised estimates for ~~the year~~ 1897–98 and the actuals of 1896–97 :—

## REVISED ESTIMATE FOR 1897-98.

2. The current receipts and charges are now estimated at Rs. 4,03,440 and Rs. 4,42,550, respectively, against Rs. 3,88,520 and Rs. 4,22,660 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, tolls, public works, Provincial grants for education and miscellaneous debt accounts, and that in the charges, mainly under Grants 1 and 3 and miscellaneous debt accounts. The additions to the educational establishments, referred to in paragraph 5 of the President's letter, are sanctioned.

## BUDGET ESTIMATE FOR 1898-99.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 3,95,520 against Rs. 4,03,440 in the revised estimate, the decrease, which occurs chiefly under land-cess, public works, Provincial grants for education and miscellaneous debt accounts, being partly met by an increase under school-fees and market rents.

4. *Charges.*—(1) The probable charges are put down at Rs. 4,07,960 against Rupees 4,42,550 in the revised estimate, the decrease, which appears mainly under Grant 1 and miscellaneous debt accounts, being partly counterbalanced by increases under Grants 2 and 3.

(2) *Grant 1.*—No expenditure should be incurred on any of the new works provided for in the budget until their plans and estimates have been sanctioned by competent authority.

(3) *Grant 2.*—The additions to, and alterations in, the educational establishments referred to in paragraphs 23, 25 and 26 of the President's letter are sanctioned. The suggestion of the Director of Public Instruction in paragraph 3 of his first letter read above cannot be approved. The present headmaster of the Pollachi Middle school will, however, be paid a salary of Rs. 50 and a personal allowance of Rs. 26 per mensem. The attention of the President of the district board is drawn to paragraph 2 of the Director's second letter.

(4) *Grant 3.*—The attention of the taluk boards concerned is drawn to the recommendations of the Surgeon-General in paragraph 2 of his letter read above. The proposals of the district board for revising the vaccination establishment, referred to in paragraph 33, are awaited. Meanwhile the increased provision made on this account will be allowed to stand. The additions to, and alterations in, the conservancy

establishments at Kodumudi, Perundurai and Aravakurchi, proposed in paragraph 34, are sanctioned. The Sanitary Commissioner's suggestion in paragraph 2 of his letter read above will be referred to the local boards for careful consideration and early report.

(5) *Grant 4.*—The entertainment of the market watchers proposed in paragraph 36 is sanctioned.

(6) *Grant 5.*—With reference to G.O., No. 2473 L., dated 22nd December 1897, the contribution for controlling establishments at the Presidency will be reduced from Rs. 3,800 to Rs. 3,460. The Government sees no reason at present to reconsider its order in paragraph 4 (1) of G.O., No. 569 L., dated 22nd March 1897, regarding the increase of the salaries of the clerks of the Coimbatore and Pollachi Taluk Boards' offices.

5. *Balance.*—As revised by Government, the budget closes with a balance of Rs. 23,240, of which Rs. 220 appertain to unions and Rs. 2,490 to endowed institutions, leaving Rs. 20,530 or 7 per cent. of the receipts available for general purposes. The deficit with which the transactions of the Terampalaiyam water-shed are expected to close the year, has not been made good by an appropriation from general funds, notwithstanding the remark in paragraph 5 of G.O., No. 569 L., dated 22nd March 1897.

(True Extract.)

H. TREMENHEERE,

*Ag. Secretary to Government.*

To the President, District Board, Coimbatore.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From A. BUTTERWORTH, Esq., President, District Board, Coimbatore, to the Secretary to Government, Local and Municipal Department, dated 6th December 1897, Dis. No. 1018-D.B.

I have the honour to submit the local fund consolidated budget estimate of the Coimbatore district for 1898–99 passed by the district board at its meeting of the 30th November 1897. The prescribed statements and the proposition statements as per list attached are enclosed and the district map will follow.

REVISED ESTIMATE FOR 1897–98.

2. The year opened with a balance of Rs. 74,350 against the budget estimate of Rs. 64,470. The balance in favour of endowments was Rs. 2,740 against Rs. 2,540, and that in favour of general funds Rs. 71,610 against Rs. 61,930 including union funds. The increase in the opening balance is due to large receipts under tolls.

3. The receipts are now estimated at Rs. 4,77,790 * against the budget estimate of Rs. 4,52,990 * and the charges at Rs. 4,42,550 * against the estimate of Rs. 4,22,660. * The year is expected to close with a balance of Rs. 35,240—Rs. 30,830 appertaining to general funds, Rs. 4,240 to endowments and Rs. 170 to union funds. The closing balance was originally estimated at Rs. 21,390. The increase in the opening balance and other causes detailed below account for the large increase in the closing balance.

* Excluding allotments from one fund to another.

4. The transactions of the several local boards according to the revised estimate are summarized below:—

| Local Boards. | Opening balance. | Receipts. | Total. | Charges. | Balance | | Total. |
|---|---|---|---|---|---|---|---|
| | | | | | General fund. | Endowment fund. | |
| | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. | Rs. |
| Coimbatore District Board .. .. | 51,540 | 76,990 | 1,28,530 | 1,12,280 | 16,250 | .. | 16,250 |
| Coimbatore Taluk Board .. . | 9,470 | 82,160 | 91,630 | 87,190 | 2,150 | 2,290 | 4,440 |
| Erode ,, .. .. | 13,540 | 1,16,550 | 1,30,090 | 1,21,190 | 7,710 | 1,199 | 8,900 |
| Pollachi ,, .. .. | 830 | 1,00,020 | 1,00,850 | 96,590 | 4,020 | 240 | 4,260 |
| Kollegal ,, .. .. | —1,030 | 27,720 | 26,690 | 25,300 | 870 | 520 | 1,390 |
| Total Taluk Boards .. | 22,810 | 3,26,450 | 3,49,260 | 3,30,270 | 14,750 | 4,240 | 18,990 |
| Grand Total .. | 74,350 | 4,03,440 | 4,77,790 | 4,42,550 | 31,000 | 4,240 | 35,240 |

5. The principal variations between the budget and the revised estimates are explained below:—

*Receipts.*

(1) *Land-cess.*—The income from this source is put down as Rs. 2,08,240 against the budget estimate of Rs. 2,06,420.

(2) *Tolls.*—The increase of Rs. 1,570 over the budget estimate of Rs. 69,250 is based on the actuals of the current year. About Rs. 1,800 of this is due to the new toll-gate in the Kollegal taluk.

(3) *House-tax.*—The income is calculated at Rs. 18,490 against the budget estimate of Rs. 17,790. The revision of the tax in the Dhárápuram and Bhaváni unions and the inclusion of an arrear balance of Rs. 560 in the Pollachi Taluk Board figures account for the increase.

(4) *Miscellaneous.*—The revised estimate of Rs. 64,390 against Rs. 63,570 is based on the actuals of the last six months.

(5) *Public Works.*—The increase of Rs. 3,300 over the budget estimate of Rs. 780 is due to the sale of the old market site at Pollachi sanctioned in G.O., Mis. No. 1840 L., of 5th October 1896, and to the receipt of contributions (Rs. 250) from private individuals for improving certain roads.

(6) *Contributions from Provincial Funds for Education.*—The Kollegal Taluk Board expects to realize the arrear grant of Rs. 1,850 towards the cost of the lower secondary school at Kollegal and of the primary school at Ramapuram. The total income under this head is therefore estimated at Rs. 8,550 against Rs. 7,100.

*Charges.*

(7) *Grant 1.*—The revised estimate for the total charges under Grant 1 amount to Rs. 2,58,050 against the budget estimate of Rs. 2,46,750 and Rs. 2,58,155, the grant for the year. The increase is due to the additional works which are detailed in statement IX. The provision for the Amarávati causeway does not appear in the revised estimate as the project has been given up in favour of a suspension bridge for which plans and estimates have been called for (*vide* G.O., Mis. No. 634 L., of 31st March 1897). The Pollachi Taluk Board has deferred the improvement of Kinathukadavu market (estimate Rs. 1,140) for the next year.

(8) *Grant 2.*—The charges under this head are Rs. 60,260 against Rs. 60,240, the budget estimate.

(9) *Grant 3.*—The expenditure according to the revised estimate amounts to Rs. 85,320 against the budget estimate of Rs. 81,070. The increase is mainly on account of a provision of Rs. 4,000 under "Plague."

(10) *Grant 4.*—It is proposed to expend a sum of Rs. 9,280 against the budget estimate of Rs. 9,100 under this grant.

(11) *Grant 5.*—The revised allotment under this head amounts to Rs. 25,640 against Rs. 25,500, the budget estimate.

The revision of establishment sanctioned by local boards under the powers given to them in G.O., No. 889 L., dated 17th May 1894, due to the entertainment of a teacher in Aravakurchi primary school, a toti and a sweeper at Udamalpet high school and at Udamalpet primary school, respectively, is detailed in the proposition statements submitted herewith for sanction.

BUDGET ESTIMATE FOR 1898–99.

6. The closing balance of Rs. 35,240 has been brought forward in the budget for 1898–99.

*Receipts.*

7. *Land-cess.*—The total demand of the year is Rs. 2,12,960, of which Rupees 2,06,860 or 97·13 per cent. is expected to be collected.

8. *Tolls.*—The income under this head is Rs. 71,600 against Rs. 69,250 and is based on the actuals of the current year.

The Government has in its order Mis. No. 2264 L., dated 22nd November last, sanctioned, from 1st April 1898, the establishment of a toll-gate at Nelaputhukovil on the road between Dhalli and Tirumurthi hills and from this an income of Rs. 750 is expected.

9. *House-tax.*—The receipts from house-tax are estimated at Rs. 18,820 against Rs. 17,790 in the current year's budget. The increase is due to the proposed revision of house-tax in the unions of Kurchi, Méttupálaiyam, Gopichettipálaiyam, Pollachi and Súlúr and to the revision of the tax in Dhárápuram and Bhaváni.

10. *Education.*—The Educational Department estimates the receipts from school-fees at Rs. 18,030 against Rs. 16,430 owing to the improvement in the strength of the board schools.

11. *Medical.*—The contribution of Rs. 450 from Municipal funds, for which credit is taken towards the salary of the district board's female apothecary lent for service to the Karúr municipal council. Under "Miscellaneous" as comprised the sale-proceeds of sweepings and materials used for sanitary purposes and of vaccine paste supplied to municipalities.

12. *Miscellaneous.*—The receipts for miscellaneous items are calculated at Rupees 64,860 against the current year's budget estimate of Rs. 63,570 and are mostly based on the actuals of the current year.

13. *Public Works.*—Credit is taken for the usual contribution of Rs. 600 from the Forest Department towards the repair of Anamalai-Sethumadai road and for the rent of Rs. 120 for the civil apothecary's quarters at Méttupálaiyam.

14. *Contribution from Provincial Funds.*—The grants expected from Government on account of education aggregate Rs. 7,360. The Pollachi Taluk Board expects a building grant of Rs. 250 towards the cost of the additions proposed to be made to the buildings of the Udamalpet primary school.

15. The total receipts of the several boards excluding allotments from one fund to another are Rs. 4,30,760 as follows:—

| | Rs. |
|---|---|
| Coimbatore District Board .. .. .. .. .. .. | 1,92,280 |
| ,, Taluk Board .. .. .. .. .. .. | 58,390 |
| Erode Taluk Board .. .. .. .. .. .. | 95,530 |
| Pollachi Taluk Board .. .. .. .. .. .. | 74,670 |
| Kollegal ,, .. .. .. .. .. .. | 9,890 |
| Total .. | 4,30,760 |

*Expenditure.*

16. *Grant 1, New Works.*—Rs. 6,840 are allotted for new works. Under "Communications" a sum of Rs. 3,000 is provided for a railway feeder road from the Vijayamangalam railway station to join the Uttukuli-Chennimalai road (the provision made in 1896–97 having not been utilized pending the acquisition of the necessary lands) and Rs. 800 for making a road from Kollegal to Kunthur. The accommodation for the primary school at Udamalpet is insufficient as the school is going in strength and it is therefore proposed to extend the present school-house at an estimated cost of Rs. 1,900. The improvements to the Kinathukadavu market (Rs. 1,140) are also provided for.

17. *Repairs.*—The allotment for repairs is Rs. 1,80,860 against Rs. 1,92,820 for 1897–98, of this Rs. 1,73,050 are for roads. For want of funds and in consideration of large expenditure on special repairs in the current year only Rs. 6,800 are provided for special repairs to roads. The Pollachi and Kollegal Taluk Boards have proposed to take up four additional roads for maintenance—three in the former and one in the latter.

18. The provision under other heads of Grant 1 is the same as for the current year.

19. Under "Contingencies" provision is made for the purchase of one copy of the third edition of the Civil Service Regulations and of the Civil Account Code with correction slips for the use of the Local Board Engineer's office.

20. The total charges under Grant 1 amount to Rs. 2,20,550, of which Rupees 44,450 relate to endowments. A sum of Rs. 1,76,850 is provided for outlay on communications against Rs. ~~1,75,030~~, the minimum outlay prescribed in G.O., No. 1686 L., dated 14th September 1895.

21. *Grant 2, Education—Inspection.*—The details of the provision of Rs. 5,860 are given below:—

| | Rs. |
|---|---|
| Salaries of— | |
| Two Inspecting schoolmasters at Rs. 40 .. .. .. .. | 960 |
| Two do. at Rs. 35 .. .. .. .. | 840 |
| Three do. at Rs 30 .. .. .. .. | 1,080 |
| Three do. at Rs. 25 .. .. .. .. | 900 |
| Local allowance to the Inspecting schoolmaster, Kollegal, sanctioned in G.O., Mis. No. 2326 L., dated 16th October 1889, at Rs. 15. | 180 |
| Local allowance to the Inspecting schoolmaster at Satyamangalam sanctioned in G.O., No. 456 L., dated 10th March 1896, at Rs. 5. | 60 |
| Salary of peons to the Inspecting schoolmasters of Satyamangalam and Kollegal on Rs. 6 for each .. .. .. .. .. | 144 |
| Travelling allowance .. .. .. .. .. .. | 1,200 |
| Contingencies including office rent and furniture for Inspecting schoolmasters .. .. .. .. .. .. .. | 500 |
| Total .. | 5,864 |

22. *Sessional Normal Schools.*—A provision of Rs. 1,350, as in the current year, is made to maintain an itinerating sessional school throughout the year working at three centres for three and-a-half months at each centre. This amount includes the salary of a teacher on Rs. 20 a month, sixty stipends at Rs. 5 for three and-a-half months and a contingent allowance of Rs. 60 a year.

23. *Secondary Schools—Salary System.*—The upper secondary schools at Dhárápuram and Udamalpet and the lower secondary schools at Pollachi, Bhaváni and Kollegal are conducted under this system. A sum of Rs. 13,570 is allotted against Rs. 12,610 in 1897–98. The increase is due (1) to the proposed entertainment of a teacher on Rs. 45 for the high school at Dhárápuram and to the entertainment of a toti on Rs. 2 for the Udamalpet high school, and (2) to the proposed increase by Rs. 5 in the salary of the science assistant at Udamalpet, Rs. 8 in that of the headmaster of the middle school at Pollachi and Rs. 10 in that of the head master of the Kollegal middle school. The staff at Dhárápuram is considered weak by the Educational authorities whose recommendation to entertain an additional teacher on Rs. 45 has been accepted by the taluk and district boards. The science assistant of the Udamalpet high school has been sent for training to the Teachers' College. The Principal of that institution recommends that his pay be raised to Rs. 60; but the taluk board considers Rs. 45 to be sufficient. The present headmaster of the Pollachi middle school was formerly on the staff of the Government school at Udamalpet and was transferred to the local fund board along with the school. He continued there as first assistant on a salary of Rs. 60—Rs. 80 till 1891 when, owing to the unsatisfactory relations among the teachers of that institution, he had to be transferred to Pollachi as headmaster of the middle school there. The sanctioned rate of salary of the appointment of the latter school is Rs. 50, but he was allowed to draw Rs. 68, the pay he had been drawing at Udamalpet, his place in that school being filled by a teacher on Rs. 50 for some time and then abolished. The man is really in receipt of Rs. 50 pay *plus* Rs. 18 personal allowance, but he has put in a claim to be still regarded as occupying a post carrying incremental pay of Rs. 60–4–80 and now seeks for what he calls two increments. The man is reported to have been doing well at Pollachi and the school is generally self-supporting. The taluk board has accepted the claim and the district board has passed it. The Inspector recommended an increase of Rs. 2 and the Director one increment of Rs. 4, the latter officer being under the apparently erroneous impression that the headmaster of the Pollachi middle school is in a post to which incremental salary is attached. The President of the Taluk Board opposes the grant on the grounds that the pay is not incremental and that the headmaster already gets an unusually large salary. I concur with the President of the taluk board. The headmaster is an untrained matriculate. The increase of Rs. 10 in the salary (Rs. 30) of the headmaster of the lower secondary school at Kollegal is recommended by the Director of Public Instruction in order to

enable the board to entertain a graduate. The place is unpopular and probably the increase is necessary. The Kollegal Taluk Board has raised the allotment under contingencies for the purchase of gymnastic apparatus, without which the lower secondary school at Kollegal will not be recognized. Provision for the purchase of a copy of the Inspection Code, the *Vivakachinthamani* and the *Indian Journal of Education* for the Bhaváni middle school and of a copy of the last journal for the Dhárápuram high school is made under contingencies.

24. *Secondary Schools—Salary-result System.*—A sum of Rs. 1,280, as in the current year, is allotted for the school at Satyamangalam.

25. *Elementary Schools—Salary-result System.*—The board primary schools at Pollachi and Udamalpet are shown under this head. The increase of Rs. 80 over the current year's allotment of Rs. 2,300 is due to the proposed increase from Rs. 22½ to Rs. 25 in the salary of the headmasters of each of these schools and to the entertainment of a sweeper on Rs. 2 at Udamalpet. The working of these schools under the present headmasters is reported to have been satisfactory and the increase is small. As a general rule, however, it is objectionable to raise the pay of an appointment because the holder of it is efficient. He should ordinarily receive a personal allowance or be transferred to an appointment carrying higher pay.

26. *Elementary Schools—Salary-result System.*—The number of schools which it is proposed to manage on the salary-results system during 1898–99 is 107, of which 15 are intended for Panchamas and four for Muhammadans. The schools at Thalakkarai in Bhaváni taluk and Adivalli in Udamalpet taluk have, owing to the decline in their strength, been replaced by a school for Muhammadans at Aravakurchi and one for Panchamas at Budanatham, the pay of the teacher of the latter being however Rs. 8. The Coimbatore Taluk Board has proposed to abolish the post of one on Rs. 6 of the teachers at Ganapathi and to entertain an additional teacher on Rs. 7 for each of the schools at Sundapalayam and Talavadi. The Erode Taluk Board has entertained an additional teacher on Rs. 5 for Aravakurchi and proposes to entertain an additional teacher on Rs. 8 for each of the schools at Vangal and Chinnadharapuram as their strength has improved. It is proposed by the Pollachi Taluk Board to entertain an additional teacher on Rs. 6 for Negamam school and to increase from Rs. 7 to Rs. 8 the salaries of the headmaster of that school and of the teachers of the Panchamas' schools at Pollachi, Vettaikaranpudur, Kottur, Peruntholuvu, Irugur and Udamalpet. The latter increases have been recommended by the Educational officers. The total charges are Rs. 22,310 against Rs. 21,880 in the current year's budget. The Taluk Boards of Coimbatore, Erode and Pollachi have made provision under contingent charges for the purchase of 2, 35 and 21 copies of the *Vivakachinthamani* respectively.

27. *Grants-in-Aid.*—A sum of Rs. 15,010 against Rs. 14,520 in the current year's budget is provided. The increase is under building grants.

28. *Miscellaneous.*—Rs. 790 are allotted for the purchase of books and commission on their sale.

29. The total charges under Grant 2 amount to Rs. 62,550 against Rs. 60,240.

30. *Grant* 3, *Hospitals and Dispensaries.*—Rs. 34,670 (excluding Rs. 150 for cholera charges) against Rs. 33,820 in the current year's budget are provided for the maintenance of ten hospitals and eight dispensaries for the treatment of patients of both sexes and of a dispensary at Pollachi for women and children. The increase is due to—

(i) The departmental increment to the salary of the Medical officers at Kodumudi, Aravakurchi and Pollachi from July next and to the grant of increment at Udamalpet for the full year as against eight months in 1897–98, counterbalanced in part by provision for a civil apothecary on a monthly salary of Rs. 125 in lieu of one on Rs. 150 at Bhaváni.

(ii) (*a*) Increments to the compounders at Kodumudi, Tirupur, Vettaikaranpudur and Kollegal who have become eligible for them and to the midwife at Kollegal and (*b*) to the provision by the Coimbatore, Erode and Pollachi Taluk Boards for five midwifery pupils to be trained at Madras.

House-rent instead of free-quarters is provided for all the hospital assistants except those at Alandorai, Talavadi and Hanur. The first two do not live within 200 yards of the dispensary. The last man is allowed to occupy a portion of the dispensary building.

31. The provision of Rs. 2,250 for the District Medical and Sanitary officer's establishment includes, as usual, the pay and charge allowance of the female apothecary working at Karúr and the pay of a third-class hospital assistant entertained by the district board for reserve duty.

32. Under unforeseen charges Rs. 5,700 are provided to meet such charges as may occur in connection with epidemic diseases.

33. *Vaccination.*—A sum of Rs. 12,100 against Rs. 11,090 in 1897–98 is provided for vaccination. The details of the provision for the current year are given in the subjoined table:—

| Particulars. | North Coimbatore Circle. | | East Coimbatore Circle. | | South Coimbatore Circle. | | Total. | |
|---|---|---|---|---|---|---|---|---|
| | Number. | Amount. | Number. | Amount. | Number. | Amount. | Number. | Amount. |
| | | Rs. | | Rs. | | Rs. | | Rs. |
| First-class Deputy Inspector of Vaccination on Rs. 60 | 1 | 720 | .. | .. | .. | .. | 1 | 720 |
| First-class Deputy Inspector of Vaccination on Rs. 70 | .. | .. | 1 | 840 | .. | .. | 1 | 840 |

| Travelling allowance to the vaccinator in charge | .. | 80 |
| Miscellaneous | .. | 260 |
| Barber charges | .. | 40 |
| Total | .. | 2,000 |
| Grand Total | .. | 11,082 |

It is now proposed to abolish the third-class of vaccinators and to raise the pay of the other grades reducing their number. The enhancement of cost will probably be something under Rs. 1,000, but that sum has been provided. The matter is now under correspondence between the Acting District Medical and Sanitary officer and myself. The working of the department is by no means satisfactory and it appears to me vain to expect men on Rs. 7 and Rs. 10 to be able to explain to reluctant villagers the advantages of vaccination and to induce them to submit their children freely to the operation. I believe that by reducing the number of the vaccinators and paying those who are retained decent salaries we shall obtain much better results, and the Acting District Medical officer agrees with this view. I therefore trust that Government will allow the provision to stand pending the elaboration of a detailed scheme to be sanctioned later on.

34. *Sanitation.*—The grant for sanitation amounts to Rs. 28,250 against Rupees 26,210 for the current year. The Coimbatore Taluk Board proposes to purchase sites for burial-grounds at Méttupálaiyam for Hindus and Muhammadans, the provision made on this account in the current year not having been utilized owing to the delay in acquisition of necessary lands. Provision for one sweeper at Perur and another at Karamadai at Rs. 4 each has been made for the whole year instead of ten months as in 1897–98. The Coimbatore Taluk Board has provided Rs. 850, as in the current year, for the employment of temporary sweepers to look after the sanitation of the Méttupálaiyam union. The Erode Taluk Board has provided for two additional toties at Rs. 3 each to look after the private scavenging work in the Dhárápuram union. It also proposes to entertain toties on Rs. 5 at Kodumudi and Aravakurchi and a sweeper on Rs. 4 at Perundurai and to reduce by 2 and 1, respectively, the number of sweepers at Aravakurchi and Kodumudi. The Pollachi Taluk Board proposes to increase the salary of eight sweepers of the Anamalai union from Rs. 4 to Rs. 5, as it is very difficult to secure men for the work, and it has increased the provision under village-site from Rs. 1,040 to Rs. 1,490. The Kollegal Taluk Board has raised the provision under sanitation from Rs. 2,100 to Rs. 2,600; of this sum Rs. 400 is to be expended in sinking a well near the Muridigudda hill. The scavengers employed to remove ordinary rubbish are also removing fœcal matter.

35. *Contributions.*—Contributions to provincial services for the Medical College, sanitary inspection and the medical reserve staff are estimated at Rs. 1,190, Rs. 1,190 and Rs. 340, against Rs. 1,690, Rs. 1,150 and Rs. 220 in the current year's budget. The contribution to the Municipal Councils of Coimbatore, Erode and Karúr for the upkeep of hospitals has been put down at Rs. 3,900.

36. *Grant 4, Markets.*—The increase of Rs. 90 over the current year's allotment of Rs. 3,380 is due to the proposal of the Kollegal Taluk Board to entertain watchers on Rs. 3 each at each of the markets at Singanallur and Chilukavadi and watchers on one rupee each for the Hamur and Kollegal markets.

37. *Choultries.*—Rs. 2,980, as in the current year, is provided.

38. *Bungalows.*—The increase of Rs. 220 over the current year's allotment of Rs. 690 is due to the proposal of the Coimbatore and Kollegal Taluk Boards to supply furniture to bungalows.

39. *Miscellaneous.*—The establishment and other charges of the Terampalayam water-pandal in the Coimbatore taluk and of the Mussafarkhanas in the Bhavání taluk are entered under this head. The cost is Rs. 130, as in the current year.

40. *Lighting Charges.*—The cost is estimated at Rs. 2,020 against Rs. 1,920.

41. *Grant 5.*—A sum of Rs. 25,310 is budgeted for miscellaneous charges against Rs. 25,500 in the current year.

42. Rs. 4,300, as in the current year's budget, are allotted on account of controlling establishment and of printing done at Government Press.

43. The cost of local fund account and audit department in the Collector's office is estimated at Rs. 2,550, as in the current year.

44. *Local Board's Establishment.*—It is proposed to increase the salaries of the head clerks and second clerks of the Coimbatore and Pollachi Taluk Boards from Rs. 22–8–0 and Rs. 13–8–0, respectively, to Rs. 25 and Rs. 15. The pay of these clerks was reduced from Rs. 25 and 15 to the present figures in consequence of the introduction of a pension scheme in 1892. This was pointed out by Government when it declined to pass a provision in the budget for 1897–98 for a proposed similar increase to the clerks of all the taluk boards. The pay now proposed is probably not excessive considering the work to be done, and, I believe, that the duties of the clerks attached to the Coimbatore and Pollachi Taluk Boards are heavier than those of the clerks attached to the other taluk boards. In G.O., No. 528 L., dated 9th March 1893, Government raised the pay of the Erode head clerk by the amount of his pensionary contribution, so there is a precedent for the proposal now made. I note, however, that the Pollachi second clerk was entertained so lately as 1893 (see the aforesaid Government Order) and the Coimbatore board second clerk entertained in 1895 (*vide* G.O., No. 517 L., dated 19th March 1895), and it seems rather early to press for an enhancement of pay on the ground of increase of work.

45. Under miscellaneous contingent charges provision is made for the purchase of the following articles:—

*The District Board's Office.*

(1) One copy of the *Coimbatore District Gazette.*
(2) „ „ Civil Service Regulations, third edition, with correction slips.
(3) Correction slips to the Civil Account Code.
(4) Two copies of the Inspection Code.
(5) „ „ Revised Grants-in-Aid Code.
(6) „ „ „ Vaccination Code.
(7) The Madras District Municipalities Act, 1884, as amended by the Act of 1897.

*The Coimbatore Taluk Board.*

(1) The District Municipalities Act of 1884, as amended by the Act of 1897.
(2) The Inspection Code.
(3) Correction slips to Civil Service Regulations.

*The Erode Taluk Board.*

(1) The *Coimbatore District Gazette.*
(2) The Revised Grant-in-Aid Code.
(3) The Educational Rules.
(4) Correction slips to Civil Service Regulations and Civil Account Code.

46. The interest on the Pollachi market debentures of Rs. 16,000 at 6 per cent. due for 1898–99 amounts to Rs. 960 and towards the sinking fund Rs. 1,340 are provided.

47. The total expenditure under all grants amounts to Rs. 4,07,960 out of the total estimated assets of Rs. 4,30,760 and leaves a balance of Rs. 22,800, of which Rs. 2,490 appertain to endowments, Rs. 220 to union funds and Rs. 20,090 to general funds.

Papers to be read in Proceedings:—

Current No. 3302 L of 1897 dated 6th December 1897 from the President, Distt Bd, Coimbatore.
Current No. 42 L of 1898 dated 6th January 1898 from the Sanitary Commissioner.
Current No. 37 L of 1898 dated 10th January 1898 from the Surgeon General.
Current No. 168 L of 1898 dated 19th January 1898 from the Director of Public Instruction.
Current No. 399 L of 1898 dated 11th Feby 1898 from — do —

ORDER. No. 313 L dy 22/2/98

THE Estimated Local Fund receipts and charges of the Coimbatore District for 1898-99 as passed by Government, are compared below with the budget and revised estimates for the year 1897-98. and the actuals of 1896-97 :—

| | Actuals, 1896-97. | Budget Estimate, 1897-98. | Revised Estimate, 1897-98. | Budget Estimate, 1898-99. | | | |

Revised Estimate for 1897-98.

2. The current receipts and charges are now estimated at Rs. 403440 and Rs. 442550, respectively, against Rs. 388520 and Rs. 423660 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, tolls, public works, Provincial grants for Education and Miscellaneous debt accounts, and that in the charges mainly under Grants 1 and 3 and Miscellaneous debt accounts. The additions to the Educational establishments referred to in para. 5 of the President's letter are sanctioned.

Budget Estimate for 1898-99.

3. Receipts. The receipts for the ensuing year are placed at Rs. 395,520 against Rs. 403440 in the revised estimate, the decrease which occurs chiefly under land-cess, Public Works, Provincial grants for Education and Miscellaneous debt accounts being partly met by an increase under school fees and market rents.

4. Charges. The probable charges are put down at Rs. 407,960 against Rs. 442550 in the revised estimate, the decrease which appears mainly under Grant 1 and Miscellaneous debt accounts being partly counterbalanced by increases under grants 2 and 3.

(2) Grant 1. No expenditure should be incurred on any of the new works provided for in the budget until their plans and estimates have been sanctioned by competent authority.

(3) Grant 2. The additions to and alterations in the Educational establishments referred to in paras. 23, 25 and 26 of the President's letter are sanctioned. The suggestion of the Director of Public Instruction in para. 3 of

of his first letter read above cannot be approved. The present Head Master of the Pollachi Middle School will however be paid a salary of Rs.36 per mensem. The attention of the President of the District Board is drawn to para 3. of the Director's second letter.

(4) Grant 3. The attention of the taluk Boards concerned is drawn to the recommendations of the Surgeon General in para 2. of his letter read above. The proposals of the district Board for revising the vaccination establishment referred to in para. 33 are awaited. Meanwhile the increased provision made on this account will be allowed to stand. The additions to and alterations in the conservancy establishment at Kodumudi, Perundurai, and Aravakurichi proposed in para. 34 are sanctioned. The Sanitary Commissioner's suggestion in para. 2 of his letter read above will be referred to the Local Boards for careful consideration and early report.

(5) Grant 4. The entertainment of the market watchers proposed in para 36 is sanctioned.

(6) Grant 5. With reference to G.O.No. 2473 L dated 22nd December 1897, the contribution for controlling establishments at the Presidency will be reduced from Rs.3800 to Rs.3460. The Government sees no reason at present to reconsider its order in para. 4 (1) of G.O.No. 569 L dated 22-3-97 regarding the increase of the salaries of the Clerks of the Coimbatore and Pollachi taluk Boards' offices.

. Balance. As revised by Government, the budget closes with a balance of Rs.23,240, which Rs.220 appertain to unions and [illegible] institutions, leaving

leaving Rs.20530 or 7 per cent of the receipts available for general purposes. The deficit with which the transactions of the Perampalaiyam water-shed are expected to close the year, has not been made good by an appropriation from general funds notwithstanding the remark in para. 5 of G.O.No. 569 L dated 22nd March 1897.

By order of the Governor in Council,

To

NOTE FOR THE Secretary.

The present headmaster of the Pollachi Middle School was formerly the first assistant master of the Udamalpet high school on a salary of Rs. 60 – 80 and was actually drawing Rs. 68 in 1891, when he was transferred to Pollachi as headmaster of the middle school there. Though the salary of this appointment at Pollachi was only Rs. 50, he was allowed to draw the amount he was getting at Udamalpet, viz, Rs 68, of which Rs. 50 was treated as pay and Rs 18 as personal allowance. He has now put in a claim to be still regarded as holding a post carrying an incremental pay of Rs 60 to Rs 80 and applied for two increments. As the man is reported to have been doing good work at Pollachi and as the school is generally self-supporting, the Taluk and the District Boards have accepted the claim and passed it. The Director of Public Instruction, however, states in para. 3 of his remarks on the budget, that as the salary of the headmaster of the Pollachi school is not now a progressive one, he would recommend that it be made so and fixed at Rs. 60-4-80, and that the present headmaster be paid Rs. 72 (Rs. 68 + one increment of Rs. 4) from 1st April 1898 on the ground of his excellent work all through his ser-

As the Local Boards have raised the pay to Rs. 76 (Rs 68 + two increments of Rs. 4 each), it was thought that it would be better to sanction this; but he is not to get any further increment as he would according to the Director's recommendation.
