Memorandum, in the Public Works Department (Railway Branch), No. 145-R.M., dated 31st March 1898.

Read—the following letter from the Under Secretary to the Government of Bombay, Public Works Department (Railway Branch), to the Joint Secretary to the Government of Madras, Public Works Department (Railway Branch), dated Bombay Castle, 23rd March 1898, No. 931 :—

With reference to your docket, No. 369, dated 4th March 1898, I am directed to forward herewith, for the favourable consideration of the Government of Madras, a copy of a letter, No. 2612, dated 16th March 1898, from the Agent, Southern Mahratta Railway Company, having reference to the orders conveyed in clause 21 of Madras G.O., No. 93-P., dated 26th February 1898.

ENCLOSURE.

Copy of letter, No. 2612, dated 16th March 1898, from the Agent, Southern Mahratta Railway Company, to the Consulting Engineer for Railways, Bombay.

With reference to clause 21 of Madras G.O., No. 93-P., dated 26th February 1898, a copy of which was received with your No. 2094, of the 10th instant, I have the honour to inform you that I am most anxious that the railway staff should afford every assistance, compatible with the efficient performance of their duties as railway servants, in regard to the measures considered necessary for the suppression of plague, but I would beg to point out that, in the exercise of the powers conferred on Collectors in the clause above quoted, great care should be taken that railway servants are not called upon to do plague duty when it would interfere with their proper avocations or require them to absent themselves from the place where their duty, as railway servants, has to be performed.

Memorandum—No. 145-R.M., dated 31st March 1898.

Transferred to the Local and Municipal Department, with the remark that it may perhaps be considered necessary to issue more detailed instructions to Collectors.

ORDER—No. 314-P., dated 4th April 1898.

It will be observed that Additional Regulation 21 authorises Collectors to requisition the services of railway employés only for work connected with a railway, and it is not intended to employ them in such a manner as to interfere with their
