C. No. 80 L.

SUBJECT.

Grant of a loan to the manager of the District Board Engineer's office, Kistna, from the amount of subscriptions paid by him towards the Provident Fund.

H.M.

FOR ORDERS.

The District Board of Kistna recommends the grant of a loan of Rs. 250 to the manager of its Engineer's office for the marriages of his daughter and brother, from the amount of subscriptions paid by him to the Provident Fund, on the condition of its repayment in twelve monthly instalments of Rs. 21 each and of payment of interest on the outstanding balance at half per cent per mensem; but it is not stated whether these conditions have been accepted by him. It will be observed from the endorsement of the Local Fund Engineer read in the Proceedings of the District Board, that the application of the subscriber was for the "withdrawal" of Rs. 250, and not for the grant of it as a loan. Under No. 14 of the Provident Rules for the district of Kistna.

in G. O. No. 454 L dated 20th February 1897,
which corresponds to No. 15 of the draft
rules proposed in G. O. No. 433 L dated
4th March 1897, the President of the District
Board may, with the sanction of Govern-
ment, allow withdrawals from and out of
the amount standing to the credit of any
subscriber. It has however been since
decided that the ~~draft~~ rules should be
modified so as to permit of only sub-
scription and interest thereon being
withdrawn and not any portion of the
bonus standing to the credit of a sub-
scriber. As in the present case, it appears
that the applicant has paid by way
of subscription more than Rs. 250, it is
submitted that the District Board's pro-
posal may be sanctioned.
