Plague

BELLARY COLLECTOR'S OFFICE.

No.

Dated 10-10-1898.

FROM

E. A. Edwin Esquivel
Ag COLLECTOR OF
BELLARY.

To

THE Plague Commissioner,
Madras.

SIR,

I have the honour to inform you that
after the receipt of Government Order ^{855-P} 19.8.98
enjoining the necessity for greater strictness
in regard to the detention of passengers passing
through the Hospet inspection station from
plague infected areas the daily average
number of persons undergoing observation
in the camp attached to the station rose from
2 or 3 to over 150 and that the establishment
as fixed in Government Order ^{717-P. Mis} 26.7.98
was found insufficient to cope with the
extra work entailed thereby. The medical
officer and myself after watching the course

9 events for some days came to the conclusion that the following additional establishment was absolutely necessary and I request the favour of your sanction for the same:—

<u>Name.</u>	<u>Date of entertainment.</u>
1 hospital assistant —	27-8-98
1 waterman —	9-9-98
2 peons —	{ 24-8-98 26-8-98
1 lamp lighter —	10-9-98
1 male ward attendant —	19-8-98
1 female ward attendant —	19-8-98
2 male lotis —	{ 19-8-98 1-9-98
1 female loti —	13-9-98

The staff of lotis— 5 in all including 2 already sanctioned— may seem unduly large, but owing to the great difficulty experienced in obtaining the services of this class of persons, it is desirable to keep at least one in reserve for employment in the hospital camp on the occurrence of plague cases.

I may mention that before I received

the Government Order quoted at the beginning of this letter I was authorized by the Secretary to Government Local and Municipal Department to entertain such additional hands as were required.

3. A list showing the establishment already sanctioned and that for which sanction is now sought is enclosed.

I have the honour to be

Sir,

Your most obedient servant—

Edwin
