MEMORANDUM.

Dated Madras, 31st March 1898.

Letter from the Agent and Manager
Madras Railway to the Consulting Engineer for
Railways, dated 25th March, 1898, N^o. $\frac{9553}{264}$.

With reference to para 2 of G. O. N^o. 231
R^y dated 10th February 1898, I have the honour to
inform you that the records of all the stations of
the Coimbatore District have been examined and
the only two at which any passengers holding tickets
from infected stations have alighted have been Metta-
palaiyam and Karamadai. The Station masters of
these two stations explain that knowing that the passen-
gers in question had been examined at the Inspecting
Station at Podanur on the morning of their arrival
and supposing that their addresses have been regis-
tered also, they were under the impression that
the necessary particulars will be recorded there
and therefore they failed to draw the attention
of the Police orderlies to the passengers in question.
They have now been put right on the matter.

In this regard,
to my had been
entirely neglected

Copy forwarded to the Local and
Municipal Department for information with
reference to para 2 of its order N^o. 111 M. This
