No 2344

From. Surgeon Lt. Col. John Lancasters, M.B.
District Medical and Sanitary
Officer,
North Arcot.

To. The President,
District Board
North Arcot.

Sir,
I have the honor to bring to your
notice that according to the new Plague
Regulation 17, published in L.O. no 466,
466 & P. dated 13th May 1898, a number
of reports of intimation of passage of
passengers from plague infected localities
are received daily, in this office from
the various frontier inspection and other
railway stations, which have to be forwarded
to the respective Municipal Commissioners,
Tahsildars and Deputy Tahsildars in
the District.

2. The duty of receiving and
forwarding these reports to the various
officers concerned has thrown a great
amount of work on the clerks of this
Office

office; as extracts from these reports have to be made, ~~since the same~~, since the names of all the passengers proceeding to the different parts of the district are embodied in each of the reports received, and they have to be sent to the various chairmen, Tahsildars and Deputy Tahsildars.

3. As the work of this office is already too heavy for the two clerks, it is very difficult for them to do the additional work referred to above on account of the Plague. I believe that in some other districts also an additional clerk is employed for the work connected with the Plague.

4. Under these circumstances, I beg that you will kindly sanction the engagement of a temporary clerk on Rs. 15 per mensem in anticipation of the sanction of the Board, so that he may be appointed at once as his services are absolutely and urgently needed.

5. The chairman of the Bellary Municipality should, I think, also be asked to contribute a portion of the pay of this temporary clerk, as the work

Concerns

Concerns this municipality as well.
