NOTE by the Examiner, Guaranteed Railway Accounts, Madras, on the Revenue Revised and Budget estimates of the Mâyavaram-Mutupet Railway for 1897-98 and 1898-99.

Revised Estimate, 1897-98.

Receipts.—The revised estimate has been prepared for Rs. 10,000 less than the budget estimate as there is a small falling off in both coaching and goods receipts. The estimate has been arrived at as under:—

	RS.
(i) Actuals, April to September 1897	1,38,000
(ii) Audited and approximate earnings for October and November 1897	45,000
(iii) Actuals, December 1896 to March 1897 (previous year)	80,000
Total ...	2,63,000
Less—Earnings from special feast traffic included in (iii) ...	3,000
Net total ...	2,60,000

Expenditure.—The decrease of Rs. 13,000 as compared with the budget estimate is due to the reduction of outlay on the South Indian Railway, as explained in the notes on the estimate of that line.

Budget Estimate, 1898-99.

Receipts.—The estimate has been placed at the same figure as the revised estimate, as no material improvement is at present anticipated.

Expenditure.—The increase of Rs. 3,000 follows the increase on the South Indian Railway, by which line the Mâyavaram-Mutupet Railway is worked.

NOTE by the Examiner, Guaranteed Railway Accounts, Madras, on the Capital revised and budget estimates of the Mayavaram-Mutupet Railway for 1897-98 and 1898-99.

The revised estimate has been prepared for Rs. 28,000, or Rs. 6,000 less than the budget. The decrease is due to reduced outlay on a trial station, and increased credits by sale of returned stores less increased provision for the junction arrangements at Peralam station.

2. The budget estimate has been placed at Rs. 4,000 and provides for the completion of the junction works at the Peralam station.
