Sir,

In reply to Government Memorandum No. 957, dated 15th September 1897, asking for explanation in reference to items 6, 14, 16, 17 & 18 mentioned therein, I have the honor to report as follows:—

Item 6. The President of the Ramnad Taluk Board reports that the figure shown in Statement II, viz Rs 1082, is correct and that the excess of Rs 61 shown in Statement II appertained to the Kilakarai dispensary, the error having arisen from the cost of the "Medicines and surgical instruments" being wrongly debited to the Tiruvadanai dispensary instead of to the Kilakarai dispensary.

Item 14. The amount involved in the case of distraint herein referred to, was 2 annas which was omitted to be shown in rounding figures.

Item 16. House-tax was levied during 1896-97 at the maximum rates in the Unions of Kodaikanal, Ramnad, Devakota, and Karakudi, at $\frac{3}{4}$ of the rates in Arupukotai and Sivaganga Unions, and at half the rates in the rest.

Item 17. The Inspecting school master of Mahommedan schools is reported by the Assistant Inspector of schools to have visited 150 villages during 1896-97, and to have prepared 627 schools and 8 others for examination.

Item 18. A copy of the statement furnished by the Inspector of schools showing the results of his examination is enclosed. It will be seen from

from it that 8 students were presented for examination and that they all did fairly well on the whole.

I have the honor to be
Sir
Your most obedient servant
Imanahewa
