With reference to paragraph 9 of G.O., No. 2105 L., dated the 21st September 1893, I have the honour to report, for the information of Government, that, as the present contract of Messrs. Burgoyne, Burbidges & Co. to supply district board and municipal hospitals and dispensaries with medicines, &c., will cease on the 31st March 1898, I issued a departmental circular to all District Medical and Sanitary Officers and Civil Surgeons in order to ascertain their opinion on the quality of the supplies made by the firm. The majority of replies received are generally satisfactory. I have therefore allowed Messrs. Burgoyne, Burbidges & Co. to continue their contract for 1898-99 on the condition that such complaints as have been received are carefully attended to in future.

2. All medical officers have been informed in a departmental standing order of the renewal of the contract to enable them to send in their requisitions to the firm in time.
