COLLECTOR'S OFFICE,

Cuddalore

DATED 10<sup>th</sup> October 1898

FROM

L. M. Wignesh Esquire I.C.S.  
Acting COLLECTOR OF SOUTH ARCOT.

TO

THE Plague Commissioner  
Madras.

SIR,

ENCLOSURES:—

I have the honour to inform you that some of the Railway Officials and private individuals at Villupuram are reported to have made enquiries of the Police Inspector of Villupuram whether there was any probability of inoculation against plague being performed at Villupuram or at Cuddalore. It is probably too early to commence such operations just yet as this District is not immediately threatened with plague and the prophylactic effects of inoculation diminish apparently after six months. I merely report the fact therefore as an indication of the attitude of the people of this District towards inoculation.

I have the honour to be  
Sir

Your most obedient Servant  
*W. J. J. J.*  
For Ag. Collector

I have the honour to be,

Sir,

Your most obedient Servant,

Collector.
