Approving the suggestion of the

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 11th December 1897, No. 2574-S.

With reference to the enclosed correspondence, I have the honour to suggest that the scope of paragraph 4 of G.O., No. 4 M., dated 4th January 1897, be enlarged so as to require that this office be consulted by local fund bodies before proceeding to appoint certificated sanitary inspectors.

ENCLOSURES.

From M.R.Ry. T. R. LAKSHMAN PERUMAL PILLAY Garu, Acting District Medical and Sanitary Officer, Kistna, to the Sanitary Commissioner for Madras, dated Masulipatam, 22nd November 1897, Ref. on No. 2906.

I have the honour to forward herewith Ref. on Current No. 1943-D.B. of 1897 received from the Vice-President, District Board, Kistna, requesting opinion whether the permanent district board certificated sanitary inspector attached to the Bezvada Taluk Board can be transferred permanently to the Bezvada Municipal Council. I have the honour to draw your attention to G.O., No. 4 M., dated 4th January 1897, paragraph 4, and request to be informed whether the District Medical and Sanitary Officer can nominate candidates for the certificated sanitary inspector's post and whether the District Board President can appoint such servants without consulting you.

2. I have to make this reference as I find no Government Order except G.O., No. 4 M., dated 4th January 1897, dealing with the appointments of these inspectors by Presidents, as no district board except Kistna has employed these sanitary inspectors in place of unqualified persons.

3. In the present instance I am of opinion that certificated Sanitary Inspector D. Seetharamaya may be allowed to go to Bezvada Municipality and another candidate may be sent by you in case you do not approve of my suggestion recommending to President, District Board, Kuruthiventhi Lakshminarayana, a passed certificated sanitary inspector, who is now in Masulipatam.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Sanitary Commissioner for Madras, to the District Sanitary Officer, Kistna, dated Fort St. George, 10th December 1897, No. 2568-S.

With reference to your letter, No. 2906, dated 22nd November 1897, I have the honour to state that, as Government has directed this office to maintain a register showing how certificated sanitary inspectors are employed, it is probable that it would regard it as desirable that local fund boards as well as municipalities should consult the Sanitary Commissioner for the time being before proceeding to make appointments. Were there no other reason for this, I would inform you that with the register is maintained a statement showing the conduct of the men concerned, and should local bodies take men without consulting me, it might well occur that men whom experience in other districts has found to lack in certain qualities have been chosen by them—a result that would forbid all possibility of discipline, which is at present maintained by the fact that the certificate is the property of this office and can be cancelled at any moment. As a

fact, however, no ruling on the subject exists in the case of district boards. In the case in point I have no objection to offer to the man you nominate. Transfer of a certificated sanitary inspector from one body to another can be effected with the mutual consent of these bodies. All that I should require would be information that a transfer has been effected; but here again, though no ruling on the point exists, I consider it would be advisable that I was consulted as to suitability of the applicant for new duties.

ORDER—No. 36 L., dated 6th January 1898.

The Sanitary Commissioner's suggestion is approved.
