LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From B. MACLEOD, Esq., Collector of Anantapur, to the Secretary to Government, Local and Municipal Department, dated 14th April 1898, No. 674.

I have the honour to report that the annual car festival of Narasimhaswami at Pennahobalam in the Uravakonda division of the Gooty taluk will be celebrated on or about the 10th of May next. This festival attracts generally a large number of persons from Hubli, Dharwar, Gadag and other places of the Bombay Presidency and also from the territories of Mysore and Hyderabad. It is expected that nearly 10,000 people will congregate, although in view of the prevalence of the plague, the gathering may not be so large as in the previous years. I am of opinion that in order to prevent a possible outbreak of the plague certain precautionary measures similar to those ordered in the case of Hampi festival may be adopted.

2. Pennahobalam is the name given to the temple of Narasimhaswami situated in the midst of fields and topes about three miles from Amidala, the nearest village, and seven miles from Uravakonda, the station of the Deputy Tahsildar. Around the temple there are spacious mantapams to accommodate the pilgrims. It is connected by good roads with Bellary, Rayadrug and Anantapur. The nearest railway station Gulapaliam is 23 miles distant, but the place is resorted to by the people more by cart-tracks than by rail.

3. The car is to be dragged on the 10th proximo, the principal day of the festival and arrivals will begin as early as the 30th instant. The festival will last for a week.

4. I request that Government will be pleased to prohibit pilgrimage to the festival in question and order the publication of the notification under section 2, subsection 3 of the Epidemic Diseases Act, 1897.

ORDER—No. 376-P., dated 22nd April 1898.

Considering the situation of Pennahobalam and the small number of people that generally attend the festival from the Bombay Presidency and His Highness the Nizam's Dominions, the Government is of opinion that it is unnecessary to prohibit pilgrimage altogether, and that it will suffice if steps are taken to prevent the attendance of pilgrims from those provinces only. The following telegram will be despatched to the Government of India:—

"Narasimhaswami car festival at Pennahobalam in Gooty taluk, Anantapur district, attended by pilgrims from Bombay Presidency and Hyderabad State occurs early part of May. Madras Government requests Government of India to prohibit under Epidemic Diseases Act attendance of persons from those provinces and sale of railway tickets to any station between Kudatini and Kandakur on Southern Mahratta Railway from 30th April to 10th May to any such persons intending to attend festival."

2. The following notification will be published in the Fort St. George and the Bellary, Kurnool and Anantapur District Gazettes:—

"Whereas the Governor of Fort St. George in Council is satisfied that there is a danger of an outbreak of plague at Pennahobalam in the Gooty taluk of the Anantapur district if persons from the Bombay Presidency and His Highness the Nizam's Dominions are permitted to visit that place on the occasion of the ensuing annual car festival of Narasimhaswami;

In exercise of the powers delegated to him under the Epidemic Diseases Act, His Excellency in Council is pleased to direct that no person from the Bombay Presidency or His Highness the Nizam's Dominions shall be permitted to visit Pennahobalam from the 30th April to the 10th May 1898, both days inclusive."
