"I have the honor to request you to be good enough to
inform me whether the Board considers that Sub-Inspectors
Messrs Lowe and Gilby deputed in Board's Proceedings Sub. No.
1146, dated 8th March 1898 and Mis. 974, dated 14th March 1898
respectively for employment in this district as Plague Super-
visors should receive the full pay of Rs. 150/- sanctioned in

and referred to in Board's Proceedings No. 535 Routine, dated
5th March 1898 equally with the other officers sent to me
for employment in a similar capacity, all of whom appear to be
be Assistant Inspectors. If the Board has no objection, the
pay of the two men might be fixed at 50 per cent more than
they have recently been drawing as Sub-Inspectors".

Reference.

The Collector's letter is submitted for the
 orders of Government. The two Sub-Inspectors in question were
 deputed to plague duty under instructions from Government in
 the absence of a sufficient number of Assistant Inspectors of
 the class required and were sent to Bellary on the understand-
 ing that they would receive the declared pay of Plague Super-
 visors. The Board understands that their work is arduous and -
 distasteful and living under the circumstances expensive. It sees
 no reason therefore why Messrs Lowe and Gilby should not receive
 the full pay of their appointments if they are qualified to fill
 them.
