Sir

In forwarding copy of a Proceeding
of the Taluk Board, Munsiri No: 15 of
11th January 1888 I have the honor to request
the sanction of Government for opening
two dispensaries at Kulittalai and
Maramapuri. Necessary provision has been
made for the purpose in the Budget Estimate
for 1888-89.

As the Taluk Board desire
that the dispensaries be started at once
a measure which has my full support,
I have in anticipation of the sanction
of Government, asked the District Medical
and Sanitary Officer to arrange for this
being done with effect from 1st February
next.

I may add that the purpose
to open a dispensary at Kulittalai

been under consideration for some time and the inhabitants have contributed Rs 2000 for the purpose which sum has been invested in the Savings Bank. The dispensary will be located in a building belonging to the Board vacated by the Normal school on its transfer to Perambalur.

The late Zamindar of Marungapuram promised to construct a building for the accommodation of a dispensary if established there and I have no doubt but that the Court of Wards will give effect to his wishes in this respect as the institution will be of great advantage to his Estate.

I have etc
