ABSTRACT.—Ordering that the notification, relative to the formation of unions in the Kistna district, be published in the Fort St. George and the Kistna District Gazettes, and requesting the President, District Board, to recommend the appointment of chairmen and members of the punchayats.

READ—also the following papers :—

From M. R. WELD, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Dindi, 2nd March 1886, Extra No. 127.

With reference to G.O., No. 182 L.F., dated 12th February 1886, I have the honor to ask whether it is the intention of Government to include Perala with Chirala as recorded in my letter quoted in the Government order.

2. Since writing the above, I have seen these villages; houses are being built all along the mile of sand that separate them and certain wealthy traders have told me that they aspire to make one town of them and their aspiration is being carried out. I therefore think that they should be made into one union; if not Perala should be declared a separate union, as it is a large village and one of the dirtiest I have ever seen. Cholera has been very bad there lately, and active sanitary measures are required.

3. I should have also asked that Vetapalan or Anumille (population 4,049) with Nayanipalli (population 1,947) and Ravurpetta (population 1,328), which form one town with the streets actually joining one another, and having a total population of 7,324, should be declared a union. There is a police station there; it is one of the largest towns in the district, very dirty and badly in want of sanitary measures, and cholera has been severe there. I did not ask to join the three villages in my former letter, as I did not know that they formed one town as I now know.

From M. R. WELD, Esq., President, District Board, Kistna, to the Chief Secretary to Government, dated Répalle, 13th March 1886, Extra No. 178.

	Population.	Distance from principal village.
Répalle	2,998	..
Peteru	1,930	1 mile.
Iskapalle	966	1 "
Total	5,894	

In continuation of my letter, Extra No. 127, dated 2nd March 1886, I have the honor to state that Répalle should include Peteru and Iskapalle which are very close and joined by a Local Fund road. The union will then stand as shown in the margin with a population of almost 6,000 souls.

ORDER—dated 9th April 1886, No. 416 L.F., Financial.

The following notification will be published in the Fort St. George and the Kistna District Gazettes :—

NOTIFICATION.

In exercise of the power conferred by section 6 of the Local Boards Act V of 1884, and in supersession of so much of the notification published at page 87 of the *Fort St. George Gazette* dated 17th February 1886, Part I-A, as relates to the Local Fund unions of Chirala and Répalle the Right Honorable the Governor in Council is pleased to declare the villages in the Kistna district, specified in the annexed schedule, to be unions for the purposes of the said Act, and to direct that the provisions of the said Act regarding punchayats shall come into force in the said unions from the date of this notification.

(2) In exercise of the power conferred on him by section 122 of the aforesaid Act, the Right Honorable the Governor in Council is pleased to declare that the maximum number of members to be appointed for each punchayat of the said unions shall, for the time being, be as shown in the aforesaid schedule, and that they shall all be appointed by the Governor in Council :—

Government taluks.	Local Fund unions.	Villages comprised in the unions.	Maximum number of members.
Bápatla	Chirala	Chirala Perala	12
Bápatla	Anumille	Anumille Nayanipalli Ravurpetta	7
Répalle	Répalle	Répalle Peteru Iskápalle	6

2. The Collector, with the concurrence of the district board, recommends the levy of the house-tax at half rates in the unions of Bezváda and Jaggayapet, at quarter rates in that of Chirala, and its postponement elsewhere. Of the divisional officers the Sub-Collector has not yet reported, the two Deputy Collectors recommend the general postponement of the tax, and the Head Assistant Collector its postponement everywhere except in Bezváda and Jaggayapet. When the latter report was written it was intended that the two large villages of Chirala and Perala, which stand only a mile apart and practically constitute a single town, should be formed into two separate unions. Since then, however, it has been resolved to form them into a single union having a population (13,482) considerably exceeding those of Bezváda and Jaggayapet, both of which are important towns. The Collector's proposal is sanctioned, and he will be requested, as President of the District Board, to submit a draft notification accordingly under section 60 of the Local Boards Act.

3. The submission of the proposals called for in paragraph 2 of the order above read should be expedited.

FINANCIAL DEPARTMENT.

READ—the following paper :—

From M. R. WELD, Esq., President, District Board, Kistna, to the Acting Chief Secretary to Government, dated Masulipatam, 21st January 1886, No. 1479.

In continuation of my letter, No. 1073, dated the 13th November 1885, and with reference to G.O., No. 1183, dated the 9th December 1885, I have the honor to report that I have consulted the Divisional officers and the District Board, and to state their views as follow :—

2. The Temporary Deputy Collector and the General Deputy Collector think that the levy of house-tax should be postponed in all the unions for the present. The Head Assistant Collector agreeing with them would make an exception in the case of the large unions of Bezvada and Jaggayapet. The Sub-Collector's reply has not yet been received and his opinion will be communicated after receipt.

3. The District Board are at one with me in thinking that the tax should be imposed at half the rates mentioned in schedule A of the Local Fund Act in Bezvada

Jaggayapet		10,072
Bezvada		9,336
Chirala	 9,061	13,482
Perala	 4,421	

and Jaggayapet, and at quarter of these rates in the Chirala cum Perala union, the populations of which are given in the margin. Chirala and Perala are only a mile apart and form one town; so I propose to unite them instead of making

each a union as proposed in my former statement. The reason of the lower rate proposed here is that the weavers who form the bulk of the population are now in distress through the decline of their industry since the removal of the duties on English fabrics. A copy of the District Board's resolution accompanies this letter.

4. I would urge that all the villages enumerated in the statement specified above be declared unions independent of the consideration whether the union pays the house-tax or not. I do not propose to add small outlying villages to the unions for the present at least, but to start operations in the larger villages, and then gradually to add outliers within a radius of five miles should it seem expedient to do so, as the expediency arises.

ENCLOSURE.

PROCEEDINGS of the District Board, Kistna, passed at a meeting held at Masulipatam on Saturday, the 9th January 1886.

25. Read G.O., dated 9th December 1885, No. 1183 L.F., ordering the notification to be published in the Fort St. George Gazette, relative to the constitution of Taluk Boards, and requesting the President to consult the District Board as well as Divisional officers regarding the advisability of levying the house-tax and to submit their views with his own to Government.

Resolution.—The Board consider that house-tax may be levied at once in the three large unions of (1) Jaggayapet, (2) Bezvada, and (3) Chirala-Perala; at half-rates in first and second, and at quarter rates in third.

(Signed) M. R. WELD,
President.
