The Plague Commissioner,
of Madras.

Sir,

The District Medical and Sanitary officer, Chingleput, considers that the quantity of disinfectants prescribed for each Road frontier inspection station should be maintained in readiness in the dispensary at Tiruvallur and half the quantity at all the other dispensaries to meet urgent demands. He requires also ^{that} a wooden tub be supplied to each dispensary. I think with him that these articles will approximately be Rs. 170-0-0. I have the honour to request that you will be so good as to sanction the purchase of them at a very early date.
