Sanctioning the opening of six more — and the closing of certain ferries in the Bellary district.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From E. A. ELWIN, Esq., Acting Collector of Bellary, to the Secretary to Government, Local and Municipal Department, dated 27th April 1898, Ref. on C. No. 286-P.

Adverting to G.O., No. 204 P., dated 14th March 1898, I have the honour to recommend the establishment of additional Road Frontier Inspection Stations at Marali, Hatstsolli, Hirekal, Manur, Hosur, Vallabhapuram, Magala, Giriapuram, Harivi and Nitturbasapuram.

2. The following table shows, numbered in the order of their situation on the frontier, the stations already sanctioned and now proposed:—

Sanctioned.	Proposed.	
1. Nagaldinne.	3. Marali.	} Adóni taluk.
2. Madhavaram.	4. Hatstsolli.	
5. Siruguppa.	6. Hirekal.	} Bellary taluk.
8. Kampli.	7. Manur.	
9. Talavaragutta.	10. Hosur.	} Hospet taluk.
	11. Vallabhapuram.	
12. Hampasagar.		} Hadagalli taluk.
13. Sovenahalli.	15. Magala.	
14. Modulakatti.	16. Giriapuram.	
17. Mailar.	18. Harivi.	
20. Duggavatti.	19. Nitturbasapuram.	} Harpanahalli taluk.

If the newly-proposed stations are sanctioned, all the important routes frequented by travellers will be guarded. A map is submitted herewith.

3. Station No. 16 is required as a check on the traffic entering this district through the small portion of the Bombay Presidency that lies between the Tungabhadra river and the Hadagalli taluk. Station No. 20 serves as a check on the traffic coming in *via* Harihar from the extreme south of the Bombay Presidency. All the other stations will command ferries on the Tungabhadra, which, for nearly six months of the year, is unfordable. The ferry station No. 13 is managed by the Bombay authorities, and the ferries at the remaining 17 stations are under the management of the local boards of this district.

4. There are on the Tungabhadra 51 ferries in all under our control, and in order to minimize the danger of the introduction of the plague from the other side of the river during the ensuing rainy season, I beg to request the permission of Government to close the 34 ferries that will not be commanded by Frontier Inspection Stations.

ORDER—No. 432 P., dated 4th May 1898.

Considering the fact that there is plague in the Dharwar district but not in the adjacent districts of His Highness the Nizam's dominions, the Government is of opinion that, of the proposed Road Frontier Inspection Stations, the six lying between Hampi and Duggavatti are enough for the present.

2. The Collector's proposal to close ferries unprotected by Inspection Stations is sanctioned but only within the same limits and on the understanding that the ferries have not yet been leased for the current official year.
