Boys No 439 d/26.10.98
Rebooking at Ticorau. Can only
be prevented by the sharp look out
of the authorities at the stations.
They have every where been requested
to keep a sharp look out on their
points, but cases must occasionally
slip through. The cases of persons
falsely personating others & of
persons giving wrong addresses
comes only be checked, if the
President comes around to have
passengers accompanied to their
homes by Municipal servants. This
is probably not practicable in all
cases but if a few cases were
taken every one or two days &
persons who were so discovered
having wrong addresses prosecuted
there might be an improvement.
