Sir.

With reference to letter No 220 dt 1-2-98 from the Govt of India, Home Dept., Bombay, leaving it to the Bombay Government to issue such orders as may be required on the subject of the detention of the pilgrims on board the ship on their journey to Karachi, I am directed by H.E. the Genl Council to forward a copy of the notification issued by him prohibiting the pilgrims from landing at any of the Madras ports north of Calicut and to request that the Bombay Govt may be moved to issue a similar notification in regard to the ports within its jurisdiction to the south

of Bombay. It is almost certain
that the ship conveying the pilgrims
will call at several small ports
in the Bombay Presidency, besides
Goa, after leaving the Madras Ports
and before reaching Bombay.

Calcutta, 1stst Jan'y. 1898.

Sir,
In continuation of my tele-
gram No 94, dated the 16th January 1898,
I am directed to forward for the in-
formation of the Governor in Council,
the accompanying copy of a communi-
cation from the
Government of
Madras reporting the arrangements
made by that Government for the
observation and despatch of the
pilgrims for the Hedjaz.

2. It will be observed that the
Government of Madras have requested
the Government of India to make
regulations under the Epidemic
Diseases Act, authorizing the de-
tention of the pilgrims on board
the ship after they pass out of the
jurisdiction of the Madras govern-
ment and until they reach Karachi.

Bombay is, the Government of India apprehend, the only port which the pilgrims will enter during the voyage from Calicut to Karachi, and the Govt of Bombay are making arrangements for the transshipment of the pilgrims at that port. It does not, therefore, appear necessary for the Govt. of India to issue any orders under the Epidemic Diseases Act in addition to the general orders contained in Home Department Notification No. 2495, dated the 28th November 1897, and I am to request that the Govt of Bombay will issue such orders, if any, as the circumstances of the case may require.
