Plague

Copy of letter no. 632
29.9.98 from the Medical
officer in charge of the Tringabhadra In-
-spection station to the Collector of Bellary.

I have the honour to inform you that
There are only 13 lanterns available for
distribution to passengers occupying the
European and Native observation sheds
besides 6 lamp posts in the native obser-
-vation camp.

2. As many passengers going to Rame-
-swaram are detained here ten days
and later many more perhaps will have
to be detained and as each family
or individual occupying a shed requires
a light as the camp is infested with
s-corptions, I request the favour of an
early sanction of the purchase of 20 more
Lanterns with municipal burners at
Rs 22-8-0 per dozen in anticipation of sanc-
-tion of Government.
