NOTE FOR THE Plague Comd.

While at Ooty, I worked out the proportion of establishments to work in the Dept. of the Secretariat, with the result that the Plague establishment allowed to the Plague Comd. (namely one Chief Asst & 5 Clerks in small pay) was but a fourth of that allowed in the Chief Secretariat or in the Secy Dept., or in the L & M Dept. ~~It was only by making~~ If therefore we are to keep our work current, we must work for 24 hours a day, instead of for 6 hours as in other offices. This is physically impossible even if we were quite willing to do our best. The Secy Dept. has engaged or is engaging 3 addl accountants to check plague ~~establishment~~ estimates. If such a large, experienced, & well organized office requires 3 addl men to help ^{compiling & reviewing} it in checking plague estimates, of which there will be but 22 a month, it is obvious that ^{new}

* average for the 2nd Sept is 21.
