The Consulting Engineer for Railways, Madras was then asked in this office Ref on Current No. ⁴⁵⁶⁸ 477 dated 29th November 97 to state whether any Railway buildings were available for the purpose and on his replying in the negative (Vide his telegram dated 20th December 97), the Chairman of Cuddapah Municipal Council was in this office Ref on Current No. ⁴⁵⁶⁸ 477 dated 24-12-97, requested to give immediate effect to the suggestions of the District Medical and Sanitary Officer and report having done so. In this letter the Chairman was informed of the fact that the Consulting Engineer expressed his inability to spare any Railway Buildings.

3. No reply having been received from the Chairman, he was reminded on the 13th February 98 and requested to treat all matters relating to 'Plague' as very urgent. In his reply, letter No. 116 dated 19th February 98 (and despatched on the 24th February 98), which was received on the 25th February 98, he stated that there were two vacant

44. The chairman's attention was drawn in this office letter R. C. No 4568 ^{RW} of 98 dated 15-3-98 (despatched on 29-3-98) to the content of the former letter dated 24th December 97 in which he was informed that no Railway buildings were available and he was requested to carry out the suggestions of the District Medical and Sanitary Officer and State within a week - what was done in the matter. Though more than a month has elapsed since the date of the despatch of the letter, no reply has been received from the chairman.
