The Secretary to Government
Local & Municipal Departments
Fort Saint George
Madras the Collector of Coimbatore

Sir,

With reference to G.O. no 1282-M,
dated 25 May 1897 directing me
to report the steps taken for closing
certain objectionable burial grounds
in the town, I have the honor to submit
as follows:-

2. The Sanitary Commissioner, in
para 6 of his inspection notes em-
-bodied in G.O. no 1150-M. dated
24 August 94 suggested the closing
of (i) the Mahamadan burial ground
situated in the west of the Maham-
-madan street, (ii) the Roman Catholic
burial ground, as soon as the ground

flag

has been once used throughout and
(iii) the burial ground for the lower
Caste Christians.

3. In regard to the Mahammadan
burial ground, I beg to state that
my endeavours for the past few
months to persuade the Com-
munity to consent to the Closure
have been of no avail. The current
of feeling against carrying out
the Sanitary Commission's suggest-
ions is so strong among the Maham-
madan people that I think it
undesirable to push the matter
any further for the present. They
contend that the burial ground
should of necessity be very near
the mosque. As a more suitable
site is not available close by,
I have the honor to state that
until a proper site is acquired
for the purpose under the Land
Acquisition Act, the matter may be
deferred. In consideration of the
depressed state of Muzaffar

Finance and in the face of more
pressing reforms, the Council will
be unable for a long time to come
to purchase the land required for
the purpose.

4. As for No 2, the Roman Catholic
burial ground, it has a large
masonry wall all round the compound.
I understand that two-thirds of the
area has been used for burials up
to date. The Sanitary Commission's
suggestion to close it as soon as
the site has been used throughout
as such, will be considered when
the place is entirely filled up.

5. In re the third burial ground
(for lower Caste Christians), I beg to
state that the difficulties in the way
of closing this Cemetery are very
those pointed out for the Mahammadan
burial ground. It is not therefore
possible for the Council to arrange
for its closure in the near future. I
have asked the missionary to put up
a proper fencing - a brick wall enclosure -
as soon as possible agreeably to
the views of the Deputy Sanitary

Commissions he paid of his
Inspector's notes can be the 1st in
Lp. 0. 480. 4. dated 11th March 9

I have the honour

Sir,

Yours most obedient servant
