Collector's Letter Ref no 1877 P/15.10.98 in
reply to the above.

Adverting to your letter 10452/11.10.98 I
have the honour to point out that your
Company has undertaken to work the dis-
infecting apparatus at Hospet - its own property -
and that the person in charge of it on behalf
of the Company seems therefore to be res-
ponsible for the machinery, tools, and other
articles. I may mention that these have
never been handed over to me, nor, so far
as I am aware, to any of my subordinates.

Locomotive & Carriage Superintendent's Letter
No 10899 / 21.10.98 in reply to the above.

Your No 1877 P/15.10.98

With reference to your above, I beg to inform
you that the disinfecting apparatus and
its accompaniments now at Hospet were
given on loan to the Government of
Madras. Although the staff working the
apparatus are in the first instance paid
by the Railway, they are actually working
under orders of the Plague Authorities in

charge of the camp and the apparatus
together with its accessories is supposed to
be in the custody of the latter. The
Southern Maharashtra Railway has not kept
a man to watch the property.

2. When the camp at Hospet is abolished
the machinery and the tools will be brought
back to Hubli, the cost of repairs if any,
being paid by Government.

3. The same procedure was followed
in the case of the apparatuses lent to the
Collectors of Belgaum and Dharwar.

4. Under the circumstances will you
please return the statement forwarded
with this office No 10452 of 11th instant
duly receipted.

Forwarded to the Plague Commission
for favour of advice as to whether the list
should be signed. The apparatus has been
working for about 5 months and it is
curious that this requisition should be
made so late. The Southern Maharashtra
Railway Company has employed a driver
