Revised return of
Sessional Schools
1896-97
South Arcot District.

Explanation asked for from the Sub-Assistant, Chidambaram for the very small number represented from the school to have been presented and passed in his former return. From the revised return you will be pleased to observe that out of 37 trained as many as 24 appeared and not 10 as stated in my former number quoted above and 21 passed a good result.

2. The Sub-Assistant Inspector had no doubt to make reference to several officers to obtain full particulars on the subject and it was some time before he could obtain them. He should however have been more careful at the outset and should not have given inaccurate figures. Due notice has been taken of this.

I have the honor to be
Your most obt. servant

Ag. Dep. Inspector of Schools

C.No. 1861 L

Memorandum.

Dated the 20-9- 1897.

No. 984

The following points are noticed in the President's and the District Medical Officer's reports and in the statements submitted with the former:-

(1) From columns 8 and 10 of statement I, and column 6 of statement VI-A, it appears that a sum of Rs.420 was realized as interest on the amount invested in the savings bank in favour of the Ellis choultry; but there is no entry against this institution in column 5 of statement VI.

(2) The total expenditure on secondary schools, as shown in columns 9 & 10 of statement I, amounts to Rs.8,771; but according to column 20 of statement IX it was Rs.8,558.

(3) The actual closing balance shown in columns 2 to 4 of the same statement (I), has not been distributed among the several funds.

(4) In columns 5 to 7 of the same statement, the estimated closing balance as distributed among the several funds has not been shown.

(5) In columns 8 and 10 of the same statement, the closing balance in favour of the two markets under the control of the union panchayats should have been excluded from the balance under unions and included

LOCAL AND MUNICIPAL DEPARTMENT.

C No 1861 L

Memorandum.

Dated the 20. 9. 1897.

No. 984

The following points are noticed in the President's and the District Medical Officer's reports and in the statements submitted with the former:-

(1) From columns 8 and 10 of statement I, and column 6 of statement VI-A, it appears that a sum of Rs.420 was realized as interest on the amount invested in the savings bank in favour of the Ellis choultry; but there is no entry against this institution in column 5 of statement VI.

(2) The total expenditure on secondary schools, as shown in columns 9 & 10 of statement I, amounts to Rs.8,771; but according to column 20 of statement IX it was Rs.8,338.

(3) The actual closing balance shown in columns 2 to 4 of the same statement (I), has not been distributed among the several funds.

(4) In columns 5 to 7 of the same statement, the estimated closing balance as distributed among the several funds, has not been shown.

(5) In columns 8 and 10 of the same statement, the closing balance in favour of the two markets under the control of the union panchayats should have been excluded from the balance under unions and

included

8

included in that under endowments.

(6) In column 8 of the same statement, the closing balance in favour of the endowed institutions under "Taluks" is given as Rs.2920 instead of Rs.2987, according to column 20 of statement Vl.

(7) From the abstract appended to statement III, it appears that the total public works expenditure on choultries and bungalows in 1896-97 was Rs.2585-3-6 and Rs.941-13-5 respectively; but the corresponding figures, shown in column 12 of statement Xl, are Rs.346-11-4 and Rs.1081-5-8.

d ✓

(8) No explanation has been furnished in the last column of statement Vl-A as to why no interest was drawn from the investments in the savings bank on account of the Panruti, Garudhanadhi and Manalurpet choultries.

o ✓

(9) The particulars of the years to which the arrears shown in column 10 of statement Vlll relate have not been furnished.

o ✓

(10) In columns 8 and 22 respectively of statement lX, the total average attendance and the total average net cost per pupil in the several schools and departments have not been given.

(11) In the last column of the same statement, the actual number of the several kinds of schools has not been given.

(12) In the note to the same statement, the numbers of pupils who appeared for and passed the sevarl standard examinations have not been given.

(13) In the statement showing the working of the secondary schools, their strength is given as 395, but according to column 6 of statement lX it was 343.

L d ✓

(14) The opening balances in favour of the

endowed

D

endowed choultries should not have been included under "other receipts", shown in column 6 of statement Xl.

(15) According to column 4 of statement XVl-B, the number of official members on the union panchayats of Porto Novo, Panruti and Nellikuppam at the commencement of the year was 2, 1 & 1, respectively, but according to column 12 of the same statement, submitted with the report for 1895-96, the corresponding figures at the end of that year were 1, nil and 2.

d

(16) In column 5 of the same statement, the number of "other members" at the commencement of the year on the union panchayats of Tindivanam & Villupuram ~~and Nellikuppam~~ are given as 8 & 7 ~~& 8~~ respectively, but according to column 13 of the same statement, submitted with the report for 1895-96, the corresponding figures at the end of that year were 7 & 8 ~~and 7~~.

✓ d

(17) The statement showing the proportinn of the general local fund receipts spent on the several services has not been submitted.

Since received.

(18) The map of the district, called for in G.O.No.112 L. dated 19th January 1897, has not been submitted.

E

(19) In the circumstances stated in para 48 of the President' report, the sum of Rs.2,815, being the closing balance of the late Tiruvannamalai Union erroneously taken credit for by the municipal council of that town and subsequently refunded by it, should have been expunged from both sides of the local fund accounts.

(20) In para. 52, the total expenditure

on

on public works is given as Rs.23,4614; but according to the details under Grant 1 in statement I, it was Rs.2,35,437. d ✓

(21) In para.58 the number of villages visited by the inspecting schools masters and of the local fund and other schools prepared by them for examination have not been given. d ✓

(22) In para 61 the strength of the Board primary schools on the 31st March 1897 is given as 8587, whereas accordingto coulmns 6 and 7 of statement IX it was 8525. d ✓

(23) In para.63, the number and attendance of the schools which were not aided from local funds should not have been included.

(24) In para 3 of the District Medical Officer's report, the -number of non-union villages conserved is given as 12; but according to column 20 of statement XIV, it was ~~20~~ 15. d ✓

(25) In para.4 of the same report, the average average cost of each successful case of vaccination is given as As.3-2, but according to coulmn 20 of statement XIII it was As.3-5. d ✓

(26) In para.5(e), the amount realized by the sale of medicines is given as Rs. ~~2-2~~ 22; but in columns 8 & 10 of statement I it is shown as Rs.20.

(27) In clause (f) of para.5, the number of patients treated in the Tiruvannamalai hospital in 1895-96 is given as 8,626, whereas according to statement XII submitted with the report for that year it was 8553. d ✓

(28.) In the Assistant Inspector's letter, the number of students that passed the Primary examination from among those that were trained during the year in the East Sessional School has not been given.

The necessary corrections have been made with reference to clauses ~~(19)~~ (3), (5), (6), (10) and (19) above. The discrepancies noticed in clauses (1), (2), (7), (13), (15), (16), (20), (22), and (24) to (27) should be explained and the omissions pointed out in clauses (8) (9), (12), (17), (18) ~~and~~ (21) & (28) should be supplied as soon as possible.

No.

Remarks.

1 "From columns 8 and 10 of Statement I and column 6 "of Statement VI-A, it appears that Rs 420 were realized as "interest on the amount invested in the Savings Bank in favour of "the Ellis' choultry, but there is no entry against this institution in column 5 "of Statement VI"

2. "The total expenditure on Secondary Schools, as shown in "columns 9 & 10 of Statement I, amounts to Rs 8771, but "according to column 20 of Statement IX it was Rs 8338"

7 "From the abstract appended to Statement III it appears "that the total Public works expenditure on choultries and "bungalows in 1896-97 was Rs 2585-3-6 and Rs 941-13-5 "respectively, but the corresponding figures shown in column 12 "of Statement XI are Rs 346-11-4 and Rs 1081-5-8"

13 "In the Statement showing the working of Secondary "Schools their strength is given as 395, but according to "column 6 of Statement IX it was 343"

15 "According to column 4 of Statement XVI B the "number of official members in the Union Panchayets of Porto Novo, Panruti and Nellikuppam "at the commencement of the year was 2, 1 and 1

The omission will be avoided in future.

By an oversight the cost (Rs 432-8-0) of the Lower Primary Department of the Board Middle School at Panruti was not included in the latter statement.

Revised Statement XI and revised abstract of Statement III are herewith submitted. It has now been ascertained from a reference to the District Board Engineer's Office registers that certain works were erroneously classified in the statement submitted by that office.

By an oversight the strength (52) of the Lower Primary Department of the Board Middle School at Panruti was not included in the latter statement. The following figures appertain to the Lower Primary Dept. of the School:— Statement IX.

Column 6	do 8	do 9	do 11	do 13	do 14	do 18
52.	57	Rs 48.5.0	Rs 285-12-6.	Rs 334.1.6.	Rs 328.0.0	Rs 32.8.0.

Col. 19 :- Rs 72.0.0; Col. 20 :- Rs 432.8.0. Col. 21 - Rs 98.6.6. Col. 22 : Rs 1.11.7

The figures given in column 12 of the Statement for 1895-96 are correct. It has now been ascertained that the vacancies which occurred during that year but were filled after its close and before the

"respectively, but according to column 12 of the same
"statement, submitted with the report for 1895-96, the cor-
"responding figures at the end of that year were 1 and 2."

16 "In column 5 of the same statement the number of other
"members at the commencement of the year on the Union
"Panchayets of Tindivanam and Villupuram are given as
"8 & 7 respectively but according to column 13 of the same
"statement, submitted with the report for 1895-96,
"the corresponding figures at the end of that year
"were 7 and 8"

20 "In para 52 the total expenditure on Public Works
"is given as 234614, but according to the details
"under Grant I in Statement I it was Rs 235437"

22 "In para 61 the strength of the Board Primary
"Schools on the 31st March 1897 is given as 8587
"whereas according to columns 6 and 7 of Statement IX
"it was 8525"

24 "In para 3 of the District Medical Officer's report
"the number of non-Union villages conserved
"is given as 12 but according to column 20 of Statement
"XIV it was 15"

annual report was submitted were by mistake included among those ~~included~~ filled within that year. It is requested that in Statement XVI A the figures in columns 11 & 12 against the Porto Novo Union may be corrected from 5 and 5 into 4 and 6 respectively and the grand totals in those columns from 64 and 107 into 63 and 108.

The figures given in the Statement for 1895-96 are correct. It has now been ascertained that in the case of the Tindivanam Union a non official membership which was vacant at the end of 1895-96 and which was filled in the year 1896-97 was by mistake included among the vacancies filled in the former year. In the case of the Villupuram Union the error is purely a clerical error.

The latter is the correct figure. In the former the expenditure by the Public Works Department in March was by oversight not included.

The figure 8587 was adopted from the Assistant Inspectors' Statement No I. This figure may be adopted as correct. As Statement IX was received from some of the Taluq Boards later than usual this discrepancy was not noticed prior to the submission of the consolidated statement from this office. Care will be taken to avoid such mistakes in future.

The latter is the correct figure.

25	"In para 4 of the same report the average cost of "each successful case of vaccination is given as annas 3-2, "but according to column 20 of Statement XIII it was "annas 3-5."	The latter is the correct figure. Such discrepancies will be carefully detected and corrected in future before the submission of the District Medical Officer's report to Government.
26	"In para 5 (c) the amount realized by the sale of "medicines is given as Rs 22, but in columns 8 & 9 "of Statement I it is ~~given as~~ shown as Rs 20"	The latter is the correct figure.
27	"In clause f of para 5 the number of patients "treated in the Tiruvannamalai hospital in 1895-96 "is given as 8626, whereas according to Statement ~~XII~~ "submitted with the report for that year it was "8553"	The latter figure is ascertained to be correct.
8.	"No explanation has been furnished ~~for~~ in "the last column of Statement VI-A as to why no "interest was drawn from the investments in the "Savings Bank on account of the Pavuto Garu "Dawadi and Manalurpet choultries"	The Taluq Board Presidents concerned have been requested to draw the interest and to see that in future interest is drawn within the year in which it falls due.
9	"The particulars of the years to which the arrears "shown in column 10 of Statement VIII relate have "not been furnished."	The particulars called for are given below as regards tolls. As regards the other items the matter is under correspondence between the Local Audit Department and the Tahsildars. As soon as correct particulars are received the Local Boards concerned will be requested to take early steps to collect the arrears and to write off irrecoverable items. Tolls — 91-92 — Rs 12-0; 93-94 — Rs 121-10-8; 94-95 — Rs 952-14-4 (Suits have been ordered to be filed in all the cases).

Reply to Remark No 12:

12 The numbers of students who appeared for and passed the several standard Examinations are given below:—

Lower Secondary	Presented	Passed
	29	10
Infant Standard	1756	1101
Ist do	1374	1117
IInd do	1119	891
IIIrd do	973	716
IVth do	547	409

Figures as regards Girls have not been given in some of the Taluq Board statements
