Madras DISTRICT COLLECTOR'S OFFICE,

Dated, Madras 9th February 1898

FROM

J. G. D. Partridge Esquire
COLLECTOR OF THE

District, Madras

TO

THE SECRETARY TO GOVERNMENT,
Local & Municipal DEPARTMENT,

Madras.

SIR,

With reference to Government Memo-
randum No 520 dated 21st April 1897, I have
the honor to report that, as Mahalingam Pillai
says, the site selected for the latrine by the
Municipal Council, Periyakulam is very near
the river Varahanady being only 68 yards from
it and that the ground has a natural
slope towards the river side. But it is
urged that the Municipal Council has
already considered this objection and
intends to take such measures as will
prevent the impurities of the latrine from
reaching the river and contaminating it.

2. The Tahsildar selected another site further
away from the river and the Assistant
Surgeon who inspected both the sites prefe-
the

the latter (vide Copy of the letter from the District Medical and Sanitary officer enclosed)

3. It is reported that the acquisition of the latter Site and the erection of a latrine thereon will however cost about Rs 50 more; but taking into Consideration the fact that it is pronounced more suitable by the Medical officers, I think the Council should not demur to pay this small amount in excess. I have therefore requested the Chairman to place the Subject before the Council and obtain its formal approval for the acquisition of this Site.

4. Under these Circumstances the draft Schedule and notification already submitted need not be published.

I have the honor to be
Sir
Your most obedient Servant
