SUBJECT

The appointment of a Secretary
Salem Municipality

FOR ORDERS.

In July 1897, the Municipal Council of Salem resolved to appoint from 1st April 1898, a Secretary on a salary of Rs 175, rising to Rs 200, by two annual increments of Rs 10 and Rs 15 respectively, and requested the sanction of Government to the proposal. On this, the Chairman was asked to report which of powers other than those the delegate of which was compulsory, the Council proposed that he should delegate to the Secretary under clause (d) of Sub-Section (3) of Section 39.A. The Council has stated in reply that it was of opinion that the question of delegation of powers might be considered after the Secretary and Chairman were appointed.

On no 870. J.
13-8-97

But on this the Government observed that before it could finally sanction the appointment of a Secretary or the pay proposed for him, it should be informed definitely what powers would be vested in that Officer and called upon the Municipal Council to submit the required report.

2. The Council then submitted a copy of its resolution of the 4th Nov. 1897, specifying the Chairman's powers, which it proposed should be delegated to the Secretary, but as the Government was of opinion that having regard to the liberal salary paid to the Secretary, more of the Chairman's powers might be delegated to him, the Municipal Council was requested to reconsider its resolution in the matter with the suggestion that the Chairman's powers under Sections (1), 54, 63, 66, 69.A, 69.D, 72, 73(1) (2), 233 and 280 of the Act, should be delegated to the Secretary that he should specially have control over the Sweepers and other door servants of the Municipality have full power to appoint, suspend or dismiss

all permanent and temporary servants on salaries not exceeding Rs 15 per mensem with the first of the letters read above, the Chairman forwarded a copy of the Council's resolution adopting the suggestion made by Government regarding the delegation of additional powers to the Secretary, except those under Sections 52(1), 54, 63, 72, 73(1) & (2), 233 and 280 of the Act, which it considered should not be delegated to him. The Council was thereupon requested to state fully its reasons for considering that the powers under the above Sections should not be delegated. In reply to this, the Council has now withdrawn its objection to the delegation of the powers under Section 52(1), but states that it is averse to the delegation of powers under the other Sections, as it considers it inexpedient to delegate all the powers of the Chairman to the Secretary and wishes to retain some powers to the Chairman for the present. It is also pointed out that this course is in accordance with the spirit of Section 39.A. Clause 3(d) of the Act. The reasons assigned by the Municipal Council for not delegating to the Secretary the Chairman's powers

Cum. 396w/98 M

under the sections above quoted, are not at all convincing; but in view of the fact that even without them, extensive powers are to be delegated to the Secretary, it is submitted that the appointment of a Secretary from 1st April 1898 on the salary proposed and the delegation to him of the powers proposed by the Council may be sanctioned.
